peace plan pitched as the deal of the century in 2020 He delineates both the nature of Israeli control over the Palestinian territories and Palestinian resistance going to the heart of the clashes in recent decades The result is an indispensable history including a time line glossary and analysis of why efforts to restore peace have continually failed and what it will take to succeed The Shortest History books deliver thousands of years of history in one riveting fast paced read      **Arab Local Government In Israel** Majid Al-haj,2020-01-16 A study in the project The Status and Condition of the Arabs in Israel under the direction of Professor Henry Rosenfeld In this book the authors present a historical analysis of local authorities in Arab communities prior to and since the establishment of the state of Israel They discuss the workings of Arab local councils municipalities and national political groupings as well as the circumstances of internal conflicts in Arab settlements They also present comparative data on budgets in Jewish and Arab communities      **Green March, Black September (RLE Israel and Palestine)** John K. Cooley,2015-05-22 In March 1968 Palestinian guerrillas and Jordanian troops combined forces to respond to Israeli raids into Jordan provoking visions of new unity and future military success Yet by September 1970 mounting friction between the Palestinian guerrillas in Jordan and King Hussein s regime came to a head with the hijackings at Dawson s Field and the defeat by Jordan s forces of the Palestinians The savagery of the fighting and the bitter consequences for the Palestinian guerrillas gave this month the name Black September a name that was to reappear ominously in months to come Who are the Palestinians Many people only became aware of their existence because of terrorism particularly the Black September operation at the Munich Olympics Yet the Palestinians are at the very heart of the Middle East problem and this book first published in 1973 tells their story The core of the book describes the emergence of the various guerrilla groups joined by Palestinians hopeful of regaining lost land and lost dignity and the ideologies and differences of the groups There are personal interviews with some of the main leaders and other chapters examine the relationships and interaction between the Palestinian groups and the Soviet bloc the Chinese the Third World the West and most important the Israelis themselves      **Works of Israel Zangwill: Dreamers of the ghetto** Israel Zangwill,1921
