seminal work of late 14th century mysticism that intricately explores the complex relationship between the human soul and God. Written in the form of a theological guide, it employs an accessible yet profound style characterized by a lyrical simplicity that unveils the depths of contemplative prayer. The text invites readers to henceforth forsake intellectual reasoning in order to experience divine love, emphasizing the necessity of love over knowledge in one's pursuit of union with the divine. Grounded within the context of medieval spirituality, it embodies the tension between scholastic thought and experiential faith, offering insights that resonate profoundly with the spiritual seekers of all eras. While the author remains anonymous, the work is often associated with the mystic tradition, likely informed by the burgeoning contemplative practices of the time. The Cloud of Unknowing Anonymous, 2019-12-16. Written in Middle English sometime in the latter half of the 14th century. The *Cloud of Unknowing* is an anonymous work of Christian Mysticism. Surviving to us in only seventeen known manuscripts, the *Cloud of Unknowing* is meant as a spiritual guide of contemplation upon God. The work advises not to seek a better understanding of God through knowledge and intellect but rather to surrender oneself to the darkness of the realm of the unknowing. It is here where by the abandonment of consideration of the particular attributes of God, which it is argued cannot truly be known to man, is replaced with intense contemplation that may lead to an understanding of the true nature of God. Presented here is the translation into modern English by Evelyn Underhill, first published in 1922. Evelyn Underhill, as one of the leading authorities on Christian mysticism of the early 20th century, is perfectly in her element here, introducing this work to modern readers. A fascinating work of Christian literature, the *Cloud of Unknowing* in its abstract and at times paradoxical argument will give great insight into the mind of the Medieval Christian mystic. This edition is printed on premium acid-free paper.
