Mystics For Our Time:

Mystics in Action Epperly, Bruce G.,2020-12-16 Portrays the lives and experiences of twelve mystical activists exploring their worldview and spirituality and their relationship to social transformation **Mystics and Scholars** Terence Penelhum,2006-01-01 In September of 1976 a group of some fifty scholars and practising mystics gathered at the University of Calgary The chief objective of the Conference was to ponder and assess the nature of mysticism in its Eastern Western and North American Indian forms The method the Conference followed was somewhat unusual in that it aimed at a dialogue between the practising mystics and the scholars What this book presents to the reader is not the outcome of the dialogue but the personal statements and papers from which the dialogue began Of course there is a degree to which the dialogue is already present in that the papers of the scholars were written with the statements of the mystics in hand Among some of the philosophers present a set of more formal comments on each others presentations was recorded and these have been included **Friends' Intelligencer** ,1904 Christian Mystics Ursula King,2001 Ursula King s Christian Mystics offers a distinctive perspective on spirituality The author presents the Christian mystical tradition through short biographies of its great figures biographies which are highly readable without oversimplifying the ideas of these great figures This is an outstanding entryway into the rich and deep world of Christian mysticism recommended for readers of all backgrounds Michael Sells Professor of Comparative Religions Haverford College **And Still We Wait** Riyako Cecilia Hikota,2018-01-30 In response to the recent critiques made against Balthasar s interpretation of Christ s descent into hell on Holy Saturday this book argues that Balthasar does not intend to present a radical reinterpretation of the doctrine in contrast to the traditional teachings but rather intends to fully appreciate the in betweenness of Holy Saturday as the day of transition from the cross to the resurrection from the old aeon to the new The book further argues that this awareness of the in betweenness can be detected throughout Balthasar s theological corpus and provides a clue to interpret his thoughts on Christian discipleship and suffering After all the Christian existence is also characterized by the transition from the old aeon to the new from suffering to victory The Christian believes that their victory is already here and not here yet In this sense the Christian still lives in Holy Saturday Eventually we can deepen our understanding of Christian discipleship and suffering in the light of Holy Saturday In short we could patiently endure our Holy Saturday because of Christ s Holy Saturday in hell
