Myth And Religion In Mircea Eliade

Mircea Eliade

Myth And Religion In Mircea Eliade:

Mircea Eliade Nicolae Babuts, 2014-04-18 Mircea Eliade 1907 1986 was one of the twentieth century's foremost students of religion and cultural environments. This book examines the emergence, function, and value of religion and myth in his work. Nicolae Babuts, Robert Ellwood, Eric Ziolkowski, John Dadosky, Robert Segal, Mac Linscott Ricketts, Douglas Allen, and Liviu Borda examine Eliade's views on the interaction between the sacred and the profane. Each explores Eliade's phenomenological approach to the study of religion and myth. They show that modern rites of initiation, cultural activities, and spectacles like bullfighting, film, and perhaps surprisingly, reading and writing, all harken back to the archetypal structures of the mythical imagination. Perhaps the greatest achievement of Eliade's phenomenological approach is that it reveals what we have in common with pre-Socratic man: the mind's structural capacity to endow objects and events with spiritual values and meanings. As a study of Eliade's concept of the mythic imagination, the book posits an analogy between the myths of the past and modern imitations. The authors suggest that in spite of their differences and their separate historical sources, myths represent basic structures of human consciousness. This book is essential reading for all students of religion, philosophy, and literature.

Myth and religion in Mircea Eliade, 2002 **Myth and Reality** Mircea Eliade, 1963 **Myths, Rites, Symbols** Mircea Eliade, 1976 **The Sacred and the Profane** Mircea Eliade, 1959

Famed historian of religion Mircea Eliade observes that even moderns who proclaim themselves residents of a completely profane world are still unconsciously nourished by the memory of the sacred. Eliade traces manifestations of the sacred from primitive to modern times in terms of space, time, nature, and the cosmos. In doing so, he shows how the total human experience of the religious man compares with that of the nonreligious. This book serves as an excellent introduction to the history of religion, but its perspective also encompasses philosophical anthropology, phenomenology, and psychology. It will appeal to anyone seeking to discover the potential dimensions of human existence.

P 4 of cover **The Myth of the Eternal Return** Mircea Eliade, 1954 *Myths, Dreams and Mysteries* Mircea Eliade, 1960 *Images and Symbols* Mircea Eliade, 2021-10-12

Mircea Eliade, one of the most renowned expositors of the psychology of religion, mythology, and magic, shows that myth and symbol constitute a mode of thought that not only came before that of discursive and logical reasoning but is still an essential function of human consciousness. He describes and analyzes some of the most powerful and ubiquitous symbols that have ruled the mythological thinking of East and West in many times and at many levels of cultural development.

The Quest Mircea Eliade, 1984-05-15

In *The Quest*, Mircea Eliade stresses the cultural function that a study of the history of religions can play in a secularized society. He writes for the intelligent general reader in the hope that what he calls a new humanism will be engendered by a confrontation of modern Western man with unknown or less familiar worlds of meaning. Each of these essays contains insights which will be fruitful and challenging for professional students of religion, but at the same time they all retain the kind of cultural relevance and clarity of style which makes them accessible to anyone seriously concerned with man and his

religious possibilities Joseph M Kitagawa Religious Education **Patterns in Comparative Religion** Mircea Eliade, 1996-01-01 In this era of increased knowledge the essence of religious phenomena eludes the psychologists sociologists linguists and other specialists because they do not study it as religious According to Mircea Eliade they miss the one irreducible element in religious phenomena the element of the sacred Eliade abundantly demonstrates universal religious experience and shows how humanity's effort to live within a sacred sphere has manifested itself in myriad cultures from ancient to modern times how certain beliefs rituals symbols and myths have with interesting variations persisted

Recognizing the showing off ways to acquire this book **Myth And Religion In Mircea Eliade** is additionally useful. You have remained in right site to begin getting this info. get the Myth And Religion In Mircea Eliade connect that we manage to pay for here and check out the link.
