Mythology Texts And Contexts:

Mythology ,2000 Political Texts and Contexts of the Golden Age Chad Michael Gasta,2000 Text and Context of Tlingit Oral Tradition Richard Leonard Dauenhauer,1975 *On Text and Context* Eduardo Forastieri Braschi,Gerald Guinness,Humberto López Morales,1980 Theory, Text, Context Christopher Lyle Johnstone,1996-10-03 This is a bone crushing confrontation of contemporary questions about the origins and early development of Greek rhetorical theory and practice It examines a number of important issues from several new perspectives and offers a more complex and multi faceted account of the early history of rhetoric than is to be found anywhere else It is especially unique in bringing together in one place the work of several distinguished scholars of Greek rhetoric and oratory It takes a revisionist look at the Sophists and explores Greek sites settings and culture in ways that challenge long standing ideas about discourse in the polis A passionate book full of satyrs rather than philosophers it is innovative and bold a treasure house of provocative ideas

Text, Context and Performance James A. Kapaló,2011-09-23 This ethnographic study of Gagauz religion offers an original perspective on folk religion as discourse and object of study It is also the first monograph published in a Western language on this little known European people s history and culture *Text, Context and Construction of Identity* Rajesh Kumar,Om Prakash,2019-04-30 Language is central to our existence and it happens to be the most sophisticated product of the human mind It is inconceivable to think of ourselves our societies our ideas cultures or identities without language It is the primary means of socialization and whatever we know is a result of it It is the primary medium of construction and dissemination of knowledge and structures our thought processes in important ways that constitute our identity In very complex ways it interacts with the social political and economic power structures that remain significant in defining the identities of individuals and societies The essays in this volume create an awareness and understanding about the role of linguistic context in negotiating identity The book explains identity and the complex relations between language and several aspects of our society It explores identity through text and context and will serve to trigger a novel discourse around the centrality of identity in contemporary society *Text and Context in Architectural Education* ,1990 **ARTIFACT, TEXT, CONTEXT** Li Tang,Dietmar W. Winkler,2020-01-01 This volume is a collection of papers highlighting recent researches on Syriac Christianity in China and Central Asia The topics range from artifacts to texts and their historical contexts covering the period from the 7th to the 18th century As the studies on Syriac Christianity in China and Central advance focus has shifted from a general historical survey and textual translation to a more micro and meticulous study of specific concepts and terms and particular names of persons and places **Giving People Ideas - Text and Concept** Godela Weiss-Sussex,2017-12-02 A special double issue of Publications of the English Goethe Society to celebrate the 70th birthday of Professor Martin Swales UCL UK This volume collects papers from a conference held at the Institute of Germanic and Romance Studies in October 2010 The conference aimed to analyse how literary texts articulate and give voice to ideas and ideologies In contrast to most

philosophy literature rarely makes claims to systematic conceptual rigour Literary statements are always conjectural they are also conditioned by the conventions of the genre in which they are made Because literature is such a hypothetical medium of expression it is uniquely suited to philosophical experimentation Indeed because literature invokes imagined or remembered experience it functions as a laboratory in which ideas may be tested against experience Literature s formal qualities which allow for statement and counter statement move and counter move make it a highly sophisticated mode of discourse in which to test out ideas Concepts can be played against each other and genre conventions may be adhered to or subverted in order to create multiple layers of signification The papers presented are published here in this special issue of Publications of the English Goethe Society and take account of German or European poetry drama or prose literature from 1750 to the present day
