Organization Renewal Gordon L. Lippitt, 1969 Occupational psychology textbook on organization renewal and related management techniques for the management and development of enterprises and nonprofit organizations covers the occupational sociology of the organization group dynamics and leadership the process of interfacing business ethics evaluation criteria group discussions and management development communication and organizational behaviour human resources and managerial resources etc Annotated bibliography pp 307 to 315 and diagrams Adapting the United Nations to a Post-Modern Era W. Knight, 2001-03-28 This volume addresses the central theme of adjusting the United Nations system in light of firstly the broadening definition of security secondly a perceived shift from modernity to post modernity and finally the contemporary debate about reform adaptation and institutional learning in multilateral institutions during transnational periods The UN has not been successful in learning appropriate lessons that could facilitate requisite changes to its structure and operations Thus the authors in this study focus on the lessons learned from the organizations recent performance in collective security preventative diplomacy preventative deployment peacekeeping peacemaking peace maintenance and international legal environmental and trade regulation A Changing United Nations W. Knight, 2000-10-19 The United Nations is at a critical juncture It is faced with two distinct choices to remain a decision frozen in time or to develop a long term adaptation agenda and strategy that would allow it to be a relevant institution of global governance for the twenty first century Reform and reflexive institutional adjustments have failed to address underlying problems facing this organization After fifty five years of existence it is still considered an inefficient and ineffective world body Worse yet its relevance is being questioned This study offers a critique of existing UN change processes and then shifts focus to considerations of institutional learning strategies that would allow the UN to maintain relevance amidst the evolution of global governance arrangements **Organization of R&D: An Evaluation of Best Practices** P. Nath, N. Mrinalini, 2002-10-31 Being in the business of generation and dissemination of knowledge R D organizations have to attain a balance between revenue generation and creation of knowledge advantage for clients Based on a global study this book argues that R D organizations must not become market driven but must internalise the market in the organisational processes through developing partnerships with clients The book uses the benchmarking technique to evaluate organisational best practices for enhancing the effectiveness of R D organisations *Institutional Viability* Administration and Supervision National Field Task Force on the Improvement and Reform of American Education, 1974 **U.S. Environmental Protection Agency Library System Book Catalog** United States.
