Reckless Faith Jo Kadlec, 2003-11-01 Holy Human He was impulsive arrogant and passionate to a fault Yet Jesus chose him to lead the early church Peter one of the most colorful of Jesus disciples paints the picture of a man who wants desperately to be holy but is hampered by being all too human Sound familiar *Reckless Faith* looks at this caustic cocky cowardly chosen man and what his life has to say to Christians today Through a study of his letters the book of Acts and the Gospels Peter springs off the page as one who held nothing back lived large and was used by God despite his most sinful nature This Fisherman Resource includes author commentary interactive questions and opportunities for reflection as you discover how God allows us to come to him as holy and human Great for individual study or in a group *Reckless Faith* will show you that being a follower of God doesn't necessarily mean having it all together *Reckless Faith* John

MacArthur, 1994 In a society that is hostile to anyone who declares absolutes that tolerates faith in any form that values emotion over reason and trendiness over conviction it is no surprise that many American churches have lost their ability to discern between biblical truth and doctrinal error John MacArthur attempts to set them straight **A Reckless Faith**, 2011

Faith Theo Hobson, 2014-12-05 In *Faith* the theologian Theo Hobson explores the notion of faith and the role it plays in our lives He unpacks the concept to ask whether faith is dependent on religion or whether it is also a general secular phenomenon In exploring this question Hobson ranges widely over theology philosophy politics and psychology and engages with the writings of Christian and atheist thinkers alike The book begins by considering attitudes to faith in recent works of atheism Hobson shows how Richard Dawkins and other writers while attacking faith in one sense have exhibited faith in another The book goes on to explore the wider meaning of faith including our faith in free market capitalism the part faith plays in democratic politics and the role faith has in our psychological well being To understand the role of faith in modernity

Hobson argues we must attend to the specifically Christian concept of faith Hobson then returns to the religious meaning of faith by exploring the account of faith in the Bible and charting the tension between faith and reason in Christian thought The final chapter takes an autobiographical turn and relates how the author came to take faith seriously and to question what Christians are meant to have faith in From the Old Testament story of Abraham to the visionary poetry of W B Yeats from the polemics of Luther to the rhetoric of Barack Obama the author presents us with a fresh and illuminating meditation on the nature of faith In doing so he reveals how trust and faith the religious and secular are utterly entwined and how the attraction of religious faith outweighs the intellectual difficulties it presents

A Faith Untamed April W Gardner, He breached her city chained her king Neither her faith nor her heart is as easily conquered Jerusalem 587 BC Liora once a noblewoman of Jerusalem is now bound to General Nebuzaradan the Butcher of Babylon who captured her city and now strips the Temple bare of wealth and dignity Though her future seems sealed a rash vow he made to Yahweh keeps him at a distance Just when she believes the worst is past a rebel from the hills seeks her out and an ambitious Babylonian prince arrives with designs for the Ark While the rebel wants her aid and the prince wants her knowledge Nebuzaradan simply wants her As Jerusalem burns Liora is thrust into the dangerous political games between prince and general rebel and the people of her heart In a world of destruction and intrigue Liora is once again a tool in the hands of power hungry men only her untamable faith in Yahweh will guide her through

Faith for a Lifetime Stella Parker, 2017-08-24 Experience teaches has proven to be a true statement throughout my lifetime The greatest and most profound experience happened when I was twelve years old I came to know Jesus as my Lord and Savior That was the beginning of my faith journey and it continues today Every life experience taught a vital lesson and established faith as the bedrock of my existence Faith for a Lifetime contains true stories of faith miracles and answered prayers Hopefully reading this book will inspire you to seek God s presence and experience the guiding power of the Holy Spirit Nothing is so trivial or so difficult that we cannot share it with Him It is God s good pleasure to be involved in our life every day and in every circumstance that touches our life Life consists of joys and sorrows good times and challenging times but every experience has a purpose and shapes us into a vessel of honor if we submit our lives to Him or a vessel of dishonor if we choose not to trust Him The quest of life is to seek and find our destiny and purpose for being here It can be found by faith in God His Word and hearing His voice Faith grows as we use it May yours last a lifetime

A Desperate Faith Jo Kadlecsek, 2010-06-01 Why did Jesus spend forty days on earth after his death when he could have returned home to the majesty of heaven And out of all the people on the planet at that time who could have helped him get a major religious movement off the ground why did he seek out those who had run the other way when he was crucified In this fascinating book Jo Kadlecsek shows readers how the disciples who saw Jesus after his death were changed from sometimes bumbling scaredy cats to pillars of the Christian faith She invites readers to experience their own transformation in every part of life relationships jobs finances family and more as they come to a new understanding and

faith in God and God alone every minute of every day For the average Christian in the United States faith is not part of daily life It is possible to live for months relying on credit cards medical professionals insurance the government etc rather than placing faith in God Rarely do we cast ourselves upon God in naked desperation When faith is fully understood and properly developed it assures great victories over the evil one and all of his forces I say to you If you have faith as a mustard seed you will say to this mountain Move from here to there and it will move and nothing will be impossible for you Matthew 17 20 The devoted purpose of this book is to arm you with faith that moves mountains mountains of stress disappointment loneliness burdens and sadness Faith ushers in peace and joy unspeakable

Faith and Knowledge Georg Wilhelm Friedrich Hegel, 2024-05-09 A new translation directly from the original manuscript of Hegel's Faith and knowledge or the reflective philosophy of subjectivity in the completeness of its forms as Kantian Jacobian and Fichtean philosophy The original title in German is *Glauben und Wissen oder die Reflexionsphilosophie der Subjektivität in der Vollständigkeit ihrer Formen als Kantische Jacobische und Fichtesche Philosophie* This edition contains an extensive afterword on Hegelian philosophy by the translator and a timeline of his life and works This essay was first published in the *Kritisches Journal der Philosophie* which was edited by Friedrich Wilhelm Joseph Schelling and Georg Wilhelm Friedrich Hegel It appeared in the 2nd volume 1st installment of the journal in Tübingen published by Cotta in 1802 In it Hegel discusses how various philosophers like Kant Jacobi and Fichte have dealt with the concept of the Absolute indicating that it is beyond reason's grasp He mentions the limitations of reason in understanding the Absolute and how philosophers have turned to faith when faced with the unknowable Hegel suggests that the idea that reason is subordinate to faith as expressed in older times and against which philosophy vehemently asserted its absolute autonomy has disappeared Reason has asserted itself within positive religion and there is now a sense that the conflict between philosophy and the positive aspects of religion such as miracles is considered obsolete and obscure

DIVINE DIRECTION AND STRATEGY GODSWORD GODSWILL ONU, 2015-03-10 Divine Plan and Way may not be the way we want but God is wiser than all men put together It is better to follow God's Direction and Strategy than to follow human plan suggestion and counseling Though God's Direction and Method may look foolish to man yet following what God said will bring the best results If you follow God's Direction you would be following the best way no matter how it may look like and if you operate according to His Strategy be sure that you have agreed to operate according to the most effective method no matter how foolish or ineffective it may appear

Reckless Faith David Kantrowitz, 2004-04 **Finding God in the Fire** Dr. Marlon A. Moss, Jr., Finding God in the Fire by Dr Marlon A Moss Jr marks a compelling account where faith isn't a quiet whisper but a reckless leap into the unknown a concept vibrantly explored from the outset Here faith defies the urge to calculate the cost urging a trust that stirs the soul even without a visible safety net Witness the seen and unseen clash as the Great Shepherd's voice resonates a central theme that distinguishes those who truly belong from those who merely observe The book embodies dedication and restoration drawing

parallels from the historical Feast of Dedication Hanukkah to the personal rededication of one's own heart and nature
Ultimately prepare to find the intense truth that reckless faith though often misunderstood signifies strategic wisdom a
rhythm of bold confrontation and discerning retreat all for the sake of a greater purpose and to propel a surrender to a plan
far greater than our own
