Red Pony Chrysanthemums And Flight:

CliffsNotes on Steinbeck's The Red Pony, Chrysanthemums, and Flight Gary K Carey, John G. Irons, 1978-12-12
This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works Flight Cliffs Notes, Inc, 1978 **Citizen Steinbeck** Robert McParland, 2016-09-29
John Steinbeck is one of the most popular and important writers in American literature. Novels such as *The Grapes of Wrath*, *Of Mice and Men*, and *East of Eden* and the journal *Travels with Charley* convey the core of Steinbeck's work: fiction that is reflective and compassionate. The Nobel prize winner cared deeply about people and his writing captured the spirit of determination and willingness of individuals to fight for their rights and the rights of others. His art of caring is critical for today's readers and as a touchstone for our collective future. In *Citizen Steinbeck: Giving Voice to the People*, Robert McParland explains how the author's work helps readers engage in moral reflection and develop empathy. McParland also looks at the ways educators around the world have used Steinbeck's writings, both fiction and nonfiction, to impart ideals of compassion and social justice. These ideals are weaved into all of Steinbeck's work, including his journalism and theatrical productions. Drawing on these texts as well as interviews with secondary level teachers, this book shows how Steinbeck's work prompts readers to think critically and contextually about our values. Demonstrating the power a single author can have on generations of individuals around the world, *Citizen Steinbeck* enables readers to make sense of both the past and the present through the prism of this literary icon's inspirational work. The Literary Half-yearly, 1964 **Bloom's How to Write about John Steinbeck** Catherine J. Kordich, 2009 Bloom's *How to Write about John Steinbeck* offers valuable paper topic suggestions, clearly outlined strategies on how to write a strong essay, and an insightful introduction by Harold Bloom on writing about Steinbeck. **Companion to Literature** Abby H.
