Benjamin Disraeli Letters Benjamin Disraeli, 1982-04-01 The private letters of a statesman are always inviting material for historians and when he has claim to literary fame as well the correspondence assumes a double significance Benjamin Disraeli 1804 1881 belonged to an age that gave pride of place to the written word as an instrument of both business and pleasure This volume includes 363 letters many previously unpublished from his school boy days to his establishment in the Tory camp under the patronage of Lord Lyndhurst Most prominent are Disraeli s letters to his sister Sarah with whom he corresponded frequently over several decades To her he confided his hopes interspersed with his observations and descriptions of social literary and political events The letters to Sarah supply a skeleton around which Disraeli s young manhood can be reconstructed and shed valuable light on the remaining documents in the volume The correspondence also includes accounts of his tour of the Low Countries and the Rhine in 1824 his adventurous trip to Spain Greece the Near East and Egypt in 1830 his tense negotiations with publishers and his campaign to shine as a member of aristocratic society and win political patronage The letters demonstrate the fine eye for detail and the capacity for self dramatization and literary conceits which mark his novels With their annotations they also provide a remarkably detailed account of life in the upper reaches of English society as viewed from below and of Disraeli s ambitions to enter that life

General Catalogue of Printed Books British Museum. Department of Printed Books, 1978 A Student's Text-Book of Astrology Vivian Robson Memorial Edition Vivian Erwood Robson, 2010-09 The year before he wrote his famous book on fixed stars Vivian Robson 1890 1942 wrote this one In it he put the distillation of four years intense work spent in the British Museum Reading Room where he studied very nearly every astrology book ever written in English and Latin To this day he is virtually the only man to have ever undertaken a study of this magnitude What makes the Student's Text Book of Astrology unique is its unparalleled wealth of detail Topics include Personal Appearance Character and Mind Health and Accidents Finance Occupation and much more For each Robson gives specific rules of judgment and then supplies aphorisms collected from many ancient sources The result is one of the most comprehensive astrology books ever written In private conversation he would talk for hours on the science of which he was a master Indeed his knowledge not only of astrology but of many

other sciences was phenomenal and few who enjoyed his conversation could fail to go away with an enhanced knowledge of whatever subject had been under discussion He will be remembered best by his two chief books A Student s Text book of Astrology and The Fixed Stars and Constellations in Astrology Of these the former is deservedly popular and the latter is a classic containing as it does a mass of information dating from the days of Greek mythology up to modern times C E O Carter I have heard him converse knowledgeably on a dozen and one different subjects I really believe he knew something about everything but so far as astrology was concerned his versatility showed forth in a phenomenal knowledge of his subject To converse on astrology with him even if only for one short hour was inevitably to gain something new and valuable in the way of experience and information Dorothy Ryan In this Memorial Edition Obituaries by Charles Carter and George H Bailey Prof Hugh S Torrens monograph Curator Turned Astrologer an Appreciation by Dorothy Ryan an Afterword by the publisher David R Roell a newly prepared index Robson s Death Certificate and more The finest of all of Vivian Robson s books back in print at last **Transactions of the Cumberland & Westmorland Antiquarian & Archeological Society** Cumberland and Westmorland Antiquarian and Archaeological Society,1896 List of members included in each volume except v 1
