What you are about to read takes place on a distant parallel earth whereupon boats so happen to be living creations There exists upon this parallel earth a collective of six individuals who refer to themselves as Club RaftRape They do not see the inflatable boat in the same light as many others and find its existence to be utterly offensive In a quest to gather the necessary resources to one day give an inflatable boat the kind of treatment it so deserves these individuals managed to utilize a sliding device and a top secret military program to their advantage They have constructed a compound existing on a parallel earth designed for the sole purpose of disciplining the inflatable boat These individuals have furthermore taken advantage of a top secret military program in which they have become what could only be considered as redesigned humans with android properties Using the very best of cybernetics and nanotechnology these individuals have been given the ability to alter their strength and their heights at will With the ability to reach heights of twenty feet one of these individuals could theoretically rip an inflatable boat apart with his bare hands It took these individuals ten years to construct a compound so designed to make what would otherwise be nothing but a fantasy a reality These are the stories of these individuals and the boats they have captured for discipline It is first advised to read the free introductory story then feel free to indulge in the torture and destruction of an inflatable boat *Round Anvil Rock* Nancy Huston Banks,1903 The American Hebrew ,1925 *Monthly Packet of*
