Bob Leszczak, 2015-06-25 From its infancy television networks and studios explore others avenues to increase their revenues Conveniently enough several film studios and production companies MGM MTM Columbia Screen Gems Talent Associates Warner Brothers had their own record label divisions The obvious benefit was cross promotion a television series could be plugged on the record and the record could be promoted on the TV show Though few and far between several television performers went on to become major recording stars Ricky Nelson started as a child actor on The Adventures of Ozzie and Harriet before dominating rock and pop charts Johnny Crawford of The Rifleman Walter Brennan of The Real McCoys and even Bruce Willis of Moonlighting all scored Top Ten hit singles But these were just the standouts from the hundreds of TV actors who recorded songs and the stories behind their records are simply fascinating In From Small Screen to Vinyl A Guide to TV Stars Who Made Records 1950 2000 author Bob Leszczak offers a look at hundreds of stars who performed double duty as a television performer as well as a recording artist He looks not only at the show and the performer but the behind the scenes dramas that unfolded as each attempted to tackle the two different mediums Through his interviews with many of these multitaskers the author has uncovered new and mostly never before

known facts about those who sought to conquer the world of vinyl As Leszczak stresses most eagerly embraced the opportunity to record while others saw it as a necessary evil the result of contractual obligations or industry pressures Entries are listed alphabetically from Nick Adams of The Rebel to Efrem Zimbalist Jr of 77 Sunset Strip Also included are over 80 photos of these rare releases taken from the author s private collection For a new look at your old favorites From Small Screen to Vinyl will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess Baby boomers fans of classic hits radio and devotees of classic TV programs will find From Small Screen to Vinyl a treasure trove of TV and record trivia and no TV or music library can be considered complete without it Variety's Complete Home Video Directory ,1989 **Look What You Made Me Do** Megan Norris,2023-08-02 One Australian woman is hospitalised every three hours and two more lose their lives each week as a result of family violence But for some women there is a punishment far more enduring than injury or their own death Look What You Made Me Do is a timely exploration of the evil inflicted by vengeful fathers who have killed their own flesh and blood simply to punish partners for ending unrewarding often abusive relationships Focussing on ten different but equally harrowing cases of spousal revenge dating back thirty years award winning author Megan Norris draws upon her own experience as a former court and crime reporter to examine the horrific murders of eighteen children who were the collateral damage in crimes where the real target of their angry dad s rage was their mother From the 2018 cold blooded shooting murders of Sydney teenagers Jack and Jennifer Edwards whose abusive businessman father was granted a licence to kill by the NSW Firearms Registry despite a shocking history of family violence dating back three decades to the heinous premeditated homicides of Queensland mum Hannah Clarke who succumbed to her own horrific injuries after watching her three young children burn to death at the hands of their violent father this book shows it is not only women who are at risk when family violence turns deadly Now recognised as the ultimate act of domestic violence a man could inflict on his partner Norris s award winning book shines a light on the disturbing connection between family violence and retaliatory homicide and explores the shattering legacy of grief that such crimes have on surviving mothers A book that allows these serious crimes to be better understood and ultimately informs and advocates for new approaches to managing these complex and deadly situations **The Video Source Book** David J. WEINER,1990 *Bowker's Complete Video Directory* ,1992 **Death in the Midnight Sky: Flying the Mighty Gunship in Combat** Joe Berardino,2017-07-06 Death in the Midnight Sky By Joe Berardino I closed my eyes raised my chin to heaven and felt the words surround me They filled my heart with love encouragement and boundless hope I dreamt of marching over Russian tanks freeing the Jews in Europe opening schools in Africa My chest filled with pride I knew I could do anything I could live the dream of my young President My fate was sealed I knew I had to become part of the greatest challenge of my generation the new generation Patriotism served as the inspiration for Joe Berardino s tour in Vietnam flying the mighty gunship Like countless other American servicemen hard work perseverance and tenacity became

ingrained in Joe's character allowing him to accomplish his life's goals including earning a scholarship to attend Michigan State University. Death in the Midnight Sky is about the bravery and honor of the U.S. servicemen about their honor and integrity and about their inherent truth and honesty. **The Promise** Craig Timothy Michaels, 2019-04-16 Every man desires to be a hero for the woman he loves however very few are presented the opportunity. Col. James P. Gordon is one of those men. Early on the younger Air Force captain Jim Gordon met and fell in love with Samantha Marissen the woman who brought him to Jesus Christ and the daughter of Edward Marissen CEO of Marissen AeroSpace. After more than twenty years the now retired Air Force pilot is thrust into such a position as personal and world events collide crossing the paths of the lost loves once again. Recently divorced from an emotionally and physically abusive man Samantha Marissen fled the country as a means of escape and relief from the horrors of the legal destruction of her character but is arrested in an unstable foreign land and charged as a spy in an unwarranted retaliatory act against the United States. She is held captive for trial far from her estranged family with only the protection of a sympathetic soldier and her love of God. James Gordon a man with no family yet still strong in his faith lays his life on the line to bring Samantha home. Her time of captivity and his period of training prove their love still strong as both overcome serious obstacles to remain alive. Unknown to Samantha is the love and concern of friends she thought long forgotten who pray for her safe return with James Gordon. **Syndicated Television** Hal Erickson, 2024-10-09 Here is an excellent reference book on first run syndication the distribution of programs either made exclusively for non-network play or of programs intended for network telecasts but ultimately making their debuts in syndication. Bringing together information not easily found this work covers the classics such as Sea Hunt Highway Patrol The Merv Griffin Show and the Muppet Show as well as such once popular but now obscure productions as China Smith Ripcord and The Littlest Hobo. Coverage goes back to 1947 and the book includes a number of series ignored in other works. The first section is an overview of the concept of syndication from its earliest application in the newspaper world to the attempt by Fox Television to become a fourth network. The next four sections each cover ten years of syndication listing the shows with full background who produced them and why who liked them and why etc alphabetically by title under the following genres: Adventure Mystery Children's Comedy Drama Game Quiz Informational Music Variety Religious Sports Talk Interview Travel Documentary Westerns and Women's. **Video Hound's Golden Movie Retriever, 1991** David J. Weiner, Thomson Gale, 1991 **Leaving Springfield** John Alberti, 2004 Since its first appearance as a series of cartoon vignettes in 1987 and its debut as a weekly program in 1990 The Simpsons has had multiple even contradictory media identities. Although the show has featured biting political and social satire which often proves fatal to mass public acceptance The Simpsons entered fully into the mainstream consistently earning high ratings from audiences and critics alike. Leaving Springfield addresses the success of The Simpsons as a corporate manufactured show that openly and self-reflexively parodies the very consumer capitalism it simultaneously promotes. By exploring such topics as the impact of the show's satire

on its diverse viewing public and the position of The Simpsons in sitcom and television animation history the commentators develop insights into the ways parody intermixes with mass media to critique post modern society In spite of the longevity and high cultural profile of the show The Simpsons has so far attracted only scattered academic attention Leaving Springfield will be of importance to both scholars of media and fans of the show interested in the function of satire in popular culture in general and television in particular

472 Days Captive of the Abu Sayyaf Bob East, 2014-11-24 In December 2011 the Australian world traveller ex member of the Australian Regular Army and university teacher Warren Richard Rodwell was kidnapped for ransom in the Mindanao region of the southern Philippines by a group of criminals claiming to be members of the notorious terrorist insurgent organisation the Abu Sayyaf Group This particular group had loose ties with other insurgent groups that were indulging in similar criminal activity in the greater Sulu Archipelago area including the Zamboanga peninsular where Rodwell was abducted Rodwell was kept prisoner for a total of 472 days making him the longest held Australian captive outside of official Prisoners of War POWs During his 472 days of captivity he was moved between various jungle hideouts in the Islands of Basilan and Tawi Tawi eventually being freed by his captors only a few kilometres from where he was originally kidnapped His tale of survival is made all the more remarkable considering he endured an untreated gunshot wound and an almost starvation diet losing over one third of his body weight and was forced to walk and climb in oppressive heat and under

constant threat of being beheaded When he was finally released in March 2013 he was emaciated physically and emotionally at the lowest point in his life and totally bewildered During his period of obligatory debriefing by both Philippine and Australian authorities an amazing tale of survival unfolded Rodwell s determination to overcome all obstacles in his path to eventual freedom is the quintessence of all that is dear in life life itself In the Name of the Children Jeffrey L. Rinek, Marilee Strong, 2018-07-17 The voice that narrates In the Name of the Children An F B I Agent s Relentless Pursuit of the Nation s Worst Predators which Rinek wrote with the journalist Marilee Strong sounds warm and humane qualities missing from much crime writing Their book is a professional job filled with illuminating details about the day to day operations of the bureau New York Times Book Review FBI Special Agent Jeff Rinek had a gift for getting child predators to confess All he had to do was share a piece of his soul In the Name of the Children gives an unflinching look at what it s like to fight a never ending battle against an enemy far more insidious than terrorists the predators lurking amongst us who seek to harm our children During his 30 year career with the FBI Jeff Rinek worked hundreds of investigations involving crimes against children from stranger abduction to serial homicide to ritualized sexual abuse Those who do this kind of work are required to plumb the depths of human depravity to see things no one should ever have to see and once seen can never forget There is no more important or more brutal job in law enforcement and few have been more successful than Rinek at solving these sort of cases Most famously Rinek got Cary Stayner to confess to all four of the killings known as the Yosemite Park Murders an accomplishment made more extraordinary by the fact that the FBI nearly pinned the crimes on the wrong suspects Rinek s recounting of the confession and what he learned about Stayner provides perhaps the most revelatory look ever inside the psyche of a serial killer and a privileged glimpse into the art of interrogation In the Name of the Children takes readers into the trenches of real time investigations where every second counts and any wrong decision or overlooked fact can have tragic repercussions Rinek offers an insider s perspective of the actual case agents and street detectives who are the boots on the ground in this war at home By placing us inside the heart and mind of a rigorously honest and remarkably self reflective investigator we will see with our own eyes what it takes and what it costs to try to keep our children safe and to bring to justice those who prey on society s most vulnerable victims With each chapter dedicated to a real case he worked In the Name of the Children also explores the evolution of Rinek as a Special Agent whose unorthodox empathy based approach to interviewing suspects made him extraordinarily successful in obtaining confessions and the toll it took to have such intimate contact with child molesters and murderers Beyond exploring the devastating impact of these unthinkable crimes on the victims and their families this book offers an unprecedented look at how investigators and their loved ones cope while living in the specter of so much suffering Kids' TV Grows Up Jo Holz, 2017-08-23 In the early days of television suburban families welcomed TV into their homes as an electronic babysitter that would also teach their children about the world Children s programming soon came to play a key role in the development of mass culture promoting the
