**Hollywood's Image of the South** David Ebner, Larry Langman, 2001-09-30 From the 1920s and 1930s when American cinema depicted the South as a demi paradise populated by wealthy landowners glamorous belles and happy slaves through later more realistic depictions of the region in films based on works by Erskine Caldwell Tennessee Williams William Faulkner and Robert Penn Warren Hollywood s view of the South has been as ever changing as the place itself This comprehensive reference guide to Southern films offers credits plot descriptions and analyses of how the stereotypes and characterizations in each film contribute to our understanding of a

most contentious American time and place Organized by subjects including Economic Conditions Plantation Life The Ku Klux Klan and The New Politics Hollywood's Image of the South seeks to coin a new genre by describing its conventions and attitudes Even so the Southern film crosses all known generic boundaries including the comedy the women's film the noir and many others This invaluable guide to an under recognized category of American cinema illustrates how much there is to learn about a time and place from watching the movies that aim to capture it

Slavery and Racism in American Politics, 1776-1876 Michael C. Thomsett, 2020-01-17 From the very inception of the United States few issues have been so divisive and defining as American slavery Even as the U S was founded on principles of liberty independence and freedom slavery advocates and sympathizers positioned themselves in every aspect of American influence Over the centuries the characterization of early American figures legislation and party platforms has been debated The author seeks to clarify often unanswered or ignored questions about notable figures sociopolitical movements and their positions on slavery From early legislation like the Fugitive Slave Law of 1793 to Reconstruction and the rise of the Ku Klux Klan this book explores some of America's most controversial moments Spanning the first American century it offers a detailed chronology of slavery and racism in early U S politics and society

A Cultural History of Firearms in the Age of Empire Karen Jones, 2016-03-16 Firearms have been studied by imperial historians mainly as means of human destruction and material production Yet firearms have always been invested with a whole array of additional social and symbolical meanings By placing these meanings at the centre of analysis the essays presented in this volume extend the study of the gun beyond the confines of military history and the examination of its impact on specific colonial encounters By bringing cultural perspectives to bear on this most pervasive of technological artefacts the contributors explore the densely interwoven relationships between firearms and broad processes of social change In so doing they contribute to a fuller understanding of some of the most significant consequences of British and American imperial expansions Not the least original feature of the book is its global frame of reference Bringing together historians of different periods and regions A Cultural History of Firearms in the Age of Empire overcomes traditional compartmentalisations of historical knowledge and encourages the drawing of novel and illuminating comparisons across time and space

**Justices, Presidents, and Senators** Henry J. Abraham, 2008 Explains how United States presidents select justices for the Supreme Court evaluates the performance of each justice and examines the influence of politics on their selection

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619-1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War

the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness
