careers of the major composers of the American musical theatre from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. *Show Tunes* is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called a concise skeleton key to the Broadway musical variety and a groundbreaking reference work with a difference: *Show Music*, or as the *Washington Post* observed, "It makes you sing and dance all over your memory." The eagerly anticipated Fourth Edition, updated through May 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost musicals, including shows that either closed out of town or were never headed for Broadway, and catalogs hundreds of previously unknown songs, including a number of musical gems that have been misplaced, cut, or forgotten. Informative, insightful, and provocative, *Show Tunes* is an essential guide for anyone interested in the American musical.

The Throwaway Children Diney Costeloe, 2015-04-10
Gritty, heartrending, and unputdownable, the story of two sisters sent first to an English, then an Australian orphanage in the aftermath of World War II. Rita and Rosie Stevens are only nine and five years old when their widowed mother marries a violent bully called Jimmy Randall and has a baby boy by him. Under pressure from her new husband, she is persuaded to send the girls to an orphanage, not knowing that the papers she has signed will entitle them to do what they like with the children. And it is not long before the powers that be decide to send a consignment of orphans to their sister institution in Australia. Among them, without their family's consent or knowledge, are Rita and Rosie, the throwaway children. Readers love *THE THROWAWAY CHILDREN*. I haven't felt so immersed in a book in a very long time and have recommended it to just about everyone. Heart-wrenching. A truly powerful book. Praise for Diney Costeloe. Truly captivating. *Woman Home*. Diney Costeloe delivers an inspiring, heart-rending read with a wonderfully strong female protagonist. *Woman's Own*. A treat from the very first page, I could not put it down. Historical Novel Society. Historical fiction heaven. Anyone who feels that women's hist. fict. is a simplified genre sub-set would definitely need a rethink after this. *The Bookbag*. *Catskills*. Kirby Edwards, 2011-11-30
If you want to know the reason for taking the time to read my story, then here they are: A child who survives a coma that later causes him confusion and creates a comma from convictions of crime to a life and a career with a car company that made him a number one commercial sales professional in the country, and then conquered the cancer that claimed the life of his father, which created in him a cause to convey to his children that courage is what chances are made of, and is the only cord to contention and a will to continue.

Making Work Work

Julie Morgenstern, 2004 Oprah's favorite organizing expert presents a groundbreaking manual for anyone who wants to enhance performance and efficiency in today's downsized work world. The bestselling author's trademark inside-out approach helps readers diagnose the source of each workplace problem by answering the question "Is it me or is it them?" **Beaming**

Sonny Home Cathie Pelletier, 2014-07-01 The sharp-tongued Mattie is one of Pelletier's most sublime creations. Booklist Fortune hasn't been kind to 66-year-old Mattie Gifford. Her mother committed suicide, her husband slept with her best friend, and she can't stand her three selfish daughters. But she does love her son Sonny, who nevertheless plunges her into deep despair when he takes two women and a poodle hostage in his ex-wife's trailer. Sonny claims to have seen John Lennon's face in an apparition and gets his own mug on the television news. *Beaming Sonny Home* is a poignant tale of disappointment and a mother's love that stands as a testament to Pelletier's gift for storytelling. **Things We Said Today** Colin Campbell, Allan R. Murphy, 1980 **They Divided the Sky** Christa Wolf, 2013-01-26 First published in 1963 in East Germany, *They Divided the Sky* tells the story of a young couple living in the new socialist East Germany whose relationship is tested to the extreme, not only because of the political positions they gradually develop but very concretely by the Berlin Wall, which went up on August 13, 1961. The story is set in 1960 and 1961, a moment of high political cold-war tension between the East Bloc and the West, a time when many thousands of people were leaving the young German Democratic Republic, the GDR, every day in order to seek better lives in West Germany or escape the political ideology of the new country that promoted the farmer and peasant state over a state run by intellectuals or capitalists. The construction of the Wall put an end to this hemorrhaging of human capital but separated families, friends, and lovers for thirty years. The conflicts of the time permeate the relations between characters in the book at every level and strongly affect the relationships that Rita, the protagonist, has not only with colleagues at work and at the teacher's college she attends but also with her partner Manfred, an intellectual and academic, and his family. They also lead to an accident, attempted suicide, that sends her to hospital in a coma and that provides the backdrop for the flashbacks that make up the narrative. Wolf's first full-length novel, published when she was thirty-five years old, was both a great literary success and a political scandal. Accused of having a decadent attitude with regard to the new socialist Germany and deliberately misrepresenting the workers who are the foundation of this new state, Wolf survived a wave of political and other attacks after its publication. She went on to create a screenplay from the novel and participate in making the film version. More importantly, she went on to become the best-known East German writer of her generation, a writer who established an international reputation and never stopped working toward improving the socialist reality of the GDR. **Toxicologic Pathology** Page R.
