Is sex premarital, or immorality, or selfish?
What does the Bible say about homosexuality?

Reumann, 2005-03-07 When Alfred Kinsey's massive studies Sexual Behavior in the Human Male and Sexual Behavior in the Human Female appeared in 1948 and 1953 their detailed data spurred an unprecedented public discussion of the nation's sexual practices and ideologies As they debated what behaviors were normal or average abnormal or deviant Cold War Americans also celebrated and scrutinized the state of their nation relating apparent changes in sexuality to shifts in its political structure economy and people American Sexual Character employs the studies and the myriad responses they evoked to examine national debates about sexuality gender and Americanness after World War II Focusing on the mutual construction of postwar ideas about national identity and sexual life this wide ranging shrewd and lively analysis explores the many uses to which these sex surveys were put at a time of extreme anxiety about sexual behavior and its effects on the nation Looking at real and perceived changes in masculinity female sexuality marriage and homosexuality Miriam G Reumann develops the notion of American sexual character sexual patterns and attitudes that were understood to be uniquely American and to reflect contemporary transformations in politics social life gender roles and culture She considers how apparent shifts in sexual behavior shaped the nation's workplaces homes and families and how these might be linked to racial and class differences Sexual Exploitation of Teenagers Jennifer Ann Drobac, 2016-02-02 When we consider the concept of sexual abuse and harassment our minds tend to jump either towards adults caught in unhealthy relationships or criminals who take advantage of children But the millions of maturing teenagers who also deal with sexual harassment can fall between the cracks When it comes to sexual relationships adolescents pose a particular problem Few teenagers possess all of the emotional and intellectual tools needed to navigate these threats including the all too real advances made by supervisors teachers and mentors In Sexual Exploitation of Teenagers Jennifer Drobac explores the shockingly common problem of maturing adolescents who are harassed and exploited by adults in their lives Reviewing the neuroscience and psychosocial evidence of adolescent development she explains why teens are so vulnerable to adult harassers Even today in an age of increasing public awareness criminal and civil law regarding the sexual abuse of minors remains tragically inept

and irregular from state to state Drobac uses six recent cases of teens suffering sexual harassment to illuminate the flaws and contradictions of this system skillfully showing how our current laws fail to protect youths and offering an array of imaginative legal reforms that could achieve increased justice for adolescent victims of sexual coercion **Sex Guides** Patty Campbell,2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality

Redeemed Sexuality Tim Konzen, Dr. Jennifer Konzen, 2019-03-12 You are a sexual person Whether you are single or married a teenager or an older single adult God created you as a sexual person So how do we inhabit our sexuality in a way that brings honor to God And what exactly is sexuality Is it just sexual intercourse Or is it perhaps something much greater God created them male and female From the moment of our conception we are born in this act of creation as a sexual being God's creation was the work of a master artist It is vital that we discover both the artwork and the artist God intended for sex to be a wonderful good When someone allows God to guide them in how they engage in sex it can be However sometimes sexuality has become a source of shame guilt pain confusion frustration and sorrow Sexual challenges can come from the choices we make from the things that others do against us and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex Those challenges can also come from the lack of being able to talk openly about sex Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid biblical answers to some of the very real questions you have You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same old trite and empty arguments about purity Just wait or Just repent or God has a plan Be patient So how do we reconcile God's intricate and amazing plan for sex with the devastation destruction and frustration that sex outside of His plan can cause How can we pursue purity and honor sexuality at the same time What exactly is God's plan for sexuality for those who are not married *Redeeming Sexuality* answers many of these and other questions that singles teens and parents ask the authors in their conferences and sessions including What is God's plan for sex How should single working professionals college students teens and all other unmarried individuals understand their sexuality in light of God's plan What is allowed and how far is too far How can we have healthy intimate connections with others What is purity and how do we deal with temptation when it is so hard to escape How do we work through the damage and pain that is already done How can parents effectively communicate with their kids about sex This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing Journey with us as we

discover a vibrant understanding of God's plan for redeemed sexuality Pure Teens Dr. John Thorington, 2019-10-28 We live in a culture that constantly assaults us with lust sex and porn Purity can seem impossible and even ridiculous in this environment but it's not We have a loving and powerful God on our side and His definition of sex and relationships is so much more satisfying than the world's Pure Teens Free to Love presents a call to live within the beauty and joy of God's design for sexuality It serves as a valuable practical resource for every Christian teen on how to fight the battle for sexual integrity Dr John Thorington candidly shares guidance on a wide variety of topics Sex and the brain God's plan for spiritual freedom Practical help to overcome masturbation Sex as God's gift Your true spiritual identity God's model of grace You can learn to enjoy a love relationship with Abba Father embrace every person's worth practice a life of gratitude and learn the relational skills necessary for true intimacy The world tells you that sex comes with no boundaries but God wants to give you something far greater He calls you to a life of authentic passion relationships and soul satisfying sexuality These daily readings offer suggestions and practical help to get you there *Civil Dialogue on Abortion* Bertha Alvarez Manninen, Jack Mulder, Jr., 2018-02-07 Civil Dialogue on Abortion provides a cutting edge discussion between two philosophy scholars on each side of the abortion debate Bertha Alvarez Manninen argues for her pro choice view but also urges respect for the life of the fetus while Jack Mulder argues for his pro life view but recognizes that for the pro life movement to be consistent it must urge society to care more for the vulnerable Coming together to discuss their views but also to seek common ground the two authors show how their differing positions nevertheless rest upon some common convictions The book helps to provide a way forward for a divide that has only seemed to widen the aisle of public discourse in recent years This engaging book will prove essential reading for students across multiple disciplines including applied ethics medical ethics and bioethics but will also be of interest to students of religious studies and women's studies **The Pursuit & Acquisition of Health & Wealth** Gerard Jacobs, 2012-04-30 The pursuit and acquisition of health and wealth are part of the worldview that drives Singaporean society It encompasses a strong work ethic in the pursuit to modernise and be a key player in the global economy Health and wealth are defined in terms of an individual's well being in the sense of good health and a continued assurance of material provision and security This worldview stems from a syncretism with non Christian religions that have reconceptualised themselves with the socioeconomic and political goals of Singaporean society Subsequently they continue to be the authentic expression of the noblest longings of people that have become symbiotic with their daily expressions shaping their history and culture The book attempts to show that while Pentecostal and Charismatic Christianity have played a significant role in the growth of contemporary Singaporean churches it has inadvertently presented a gospel that appeals to the deeply embedded dominant religious secular worldview of its society in the context of health and wealth
