Major Problems In The Civil War And Reconstruction Documents And Essays:

Major Problems in the Civil War and Reconstruction [electronic Resourc Michael Perman,Amy Murrell Taylor,2011

Major Problems in the Civil War and Reconstruction Michael Perman,1998 This best selling title designed to be either the primary anthology or textbook for the course covers the Civil War s entire chronological span with a series of documents and essays *Major Problems in the Civil War and Reconstruction* Michael Perman,2010 *Major Problems in the Civil War and Reconstruction* Michael Perman,1991 *Voices of Civil War America* Lawrence A. Kreiser Jr.,Ray B. Browne,2011-09-13 Letting ordinary people speak for themselves this book uses primary documents to highlight daily life among Americans Union and Confederate black and white soldier and civilian during the Civil War and Reconstruction Focusing on routines as basic as going to school and cooking and cleaning *Voices of Civil War America* Contemporary Accounts of Daily Life explores the lives of ordinary Americans during one of the nation s most tumultuous eras The book emphasizes the ordinary rather than the momentous to help students achieve a true understanding of mid 19th century American culture and society Recognizing that there is no better way to learn history than to allow those who lived it to speak for themselves the authors utilize primary documents to depict various aspects of daily life including politics the military economics domestic life material culture religion intellectual life and leisure Each of the documents is augmented by an introduction and aftermath as well as lists of topics to consider and questions to ask [The Routledge Handbook of American Military and Diplomatic History](#) Christos G. Frentzos,Antonio S. Thompson,2014-09-15 [The Routledge Handbook of American Military and Diplomatic History](#) provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States This volume The Colonial Period to 1877 illuminates the early period of American history from the colonial warfare of the 17th century through the tribulations of Reconstruction The chronologically organized sections each begin with an introductory chapter that provides a concise narrative of the period and highlights the scholarly debates and interpretive schools of thought in the historiography followed by topical chapters on issues in the period Topics covered include colonial encounters and warfare the French and Indian War the American Revolution diplomacy in the early American republic the War of 1812 westward expansion and conquest the Mexican American War the Civil War and Reconstruction With authoritative and vividly written chapters by both leading scholars and new talent this state of the field handbook will be a go to reference for every American history scholar s bookshelf *Christian Supremacy* Magda Teter,2023-09-12 A panoramic cultural and legal history that traces the roots of antisemitism and racism to early Christian theology Since the earliest days of Christianity theologians expressed pervasive anxiety about Jews as equal members of society and with European expansion in the early modern period that anxiety extended to people of color This troubling legacy still haunts us today *Christian Supremacy* demonstrates how theological and legal frameworks created by the church centuries ago laid the seeds of antisemitism and anti Black racism and reveals

why Christian identity lies at the heart of the world's violent white supremacy movements. In a powerful historical narrative spanning nearly two millennia, Magda Teter describes how Christian theology of late antiquity cast Jews as children born to slavery and how the supposed theological inferiority of Jews became inscribed into law, creating tangible structures that reinforced a sense of Christian domination and superiority. With the dawn of European colonialism, a distinct brand of European Christian supremacy found expression in the legally sanctioned enslavement and exploitation of people of color, later taking the form of white Christian supremacy in the New World. Drawing on a wealth of primary evidence ranging from the theological and legal to the philosophical and artistic, *Christian Supremacy* is a profound reckoning with history that traces the roots of the modern rejection of Jewish and Black equality to an enduring Christian heritage of exclusion, intolerance, and persecution.

Religion, Race, and Reconstruction Ward M. McAfee, 1998-07-10

Religion, Race, and Reconstruction simultaneously resurrects a lost dimension of a most important segment of American history and illuminates America's present and future by showing the role religious issues played in Reconstruction during the 1870s.

Reconstruction Claudine L. Ferrell, 2003-09-30

Few periods in American history have aroused as much debate as the years immediately after the Civil War, those commonly referred to simply as Reconstruction. The victorious North had to determine how to treat the vanquished South and how to make a nation whole once again. The divisive issues of freedom and civil rights became even more complex than before the War and dominated national politics. Also at stake was the balance of power among the executive, legislative, and judicial branches of government. Before it was all over, a president was impeached, though not convicted, and a rigorous plan for Reconstruction was enacted, then allowed to fade as white Southerners regained power and instituted repressive Jim Crow governments. This resource provides an overview essay on the period, six essays on various aspects of Reconstruction, a section of biographies of important players, and selected and introduced primary documents. What was Lincoln's view of the South and his plan for its postwar fate? How did Southern whites perceive their return to the Union? What motivated the Radical Republicans? Why did they impeach Johnson? What did the Reconstruction Amendments accomplish? How did former Confederates return to power, and so quickly? These questions and more are addressed in this handy reference source. It is the perfect starting place for student and general reader research and provides a well-rounded introduction to this critical period in American history.

Encyclopedia of U.S. Political History Andrew Whitmore Robertson, 2010

Annotation: st1 behavior url: ieouoi

Unparalleled coverage of U.S. political development through a unique chronological framework. *Encyclopedia of U.S. Political History* explores the events, policies, activities, institutions, groups, people, and movements that have created and shaped political life in the United States. With contributions from scholars in the fields of history and political science, this seven-volume set provides students, researchers, and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day. With greater coverage than any other resource, the *Encyclopedia of U.S. Political History* identifies and illuminates patterns and interrelations that

will expand the reader's understanding of American political institutions, culture, behavior, and change. Focusing on both government and history, the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered. With each volume covering one of seven time periods that correspond to key eras in American history, the essays and articles in this authoritative encyclopedia focus on the following themes of political history: The three branches of government; Elections and political parties; Legal and constitutional histories; Political movements and philosophies; and key political figures. Economics; Military politics; International relations, treaties, and alliances; Regional histories. Key Features: Organized chronologically by political eras; Reader's guide for easy topic searching across volumes; Maps, photographs, and tables enhance the text; Signed entries by a stellar group of contributors.

VOLUME 1: Colonial Beginnings through Revolution 1500-1783
Volume Editor: Andrew Robertson, Herbert H. Lehman College
The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic. This volume discusses the diversity of the colonial political experience, a diversity that modern scholars have found defies easy synthesis, as well as the long-term conflicts, policies, and events that led to revolution and the ideas underlying independence.

VOLUME 2: The Early Republic 1784-1840
Volume Editor: Michael A. Morrison, Purdue University
No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic. This volume discusses the era of Confederation, the shaping of the U.S. Constitution, and the development of the party system.

Reconstruction in the United States
David Lincove, 2000-01-30
The only comprehensive bibliography on Reconstruction, this book provides the definitive guide to literature published from 1877 to 1998. In over 2,900 entries, the work covers a broad range of topics, including politics, agriculture, labor, religion, education, race relations, law, family, gender studies, and local history. It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government's official role in reforming the postwar South and protecting the rights of Black citizens. In detailed annotations, the book covers a range of literature from scholarly and popular studies to published memoirs, letters, and documents, as well as reference sources and teaching tools. The issues of Reconstruction, civil rights, states' rights, and federal-state relations, racism, nationalism, government aid to individuals, continue to be relevant today, and the literature on Reconstruction is large. This book provides a systematic and comprehensive bibliographic guide to that literature. It is organized by topics and geographical regions and states, thereby emphasizing the local diversity in the South. In addition to a variety of literature, it covers the relevant Supreme Court cases through 1883, provides full citations to federal acts and cases cited, and includes the texts of the 13th, 14th, and 15th Amendments to the Constitution. The book will be useful to scholars and students researching a wide range of topics in Southern history, constitutional history, and national politics in post-Civil War United States.

Encyclopedia of U.S. Political History Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01
Unparalleled coverage of U.S. political development through a unique

chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877

VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era

VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity

and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered

A Contest of Civilizations Andrew F. Lang, 2020-11-24 Most mid nineteenth century Americans regarded the United States as an exceptional democratic republic that stood apart from a world seemingly riddled with revolutionary turmoil and aristocratic consolidation Viewing themselves as distinct from and even superior to other societies Americans considered their nation an unprecedented experiment in political moderation and constitutional democracy But as abolitionism in England economic unrest in Europe and upheaval in the Caribbean and Latin America began to influence domestic affairs the foundational ideas of national identity also faced new questions And with the outbreak of civil war as two rival governments each claimed the mantle of civilized democracy the United States claim to unique standing in the community of nations dissolved into crisis Could the Union chart a distinct course in human affairs when slaveholders abolitionists free people of color and enslaved African Americans all possessed irreconcilable definitions of nationhood In this sweeping history of political ideas Andrew F Lang reappraises the Civil War era as a crisis of American exceptionalism Through this lens Lang shows how the intellectual political and social ramifications of the war and its meaning rippled through the decades that followed not only for the nation s own people but also in the ways the nation sought to redefine its place on the world stage

Presidents from Taylor through Grant, 1849-1877 Jeffrey W. Coker, 2002-06-30 The years 1849 1877 were among the most pivotal in the nation s history Over the course of three decades the United States endured a catastrophic civil war abolished slavery expanded

westward and added eight states to the Union and witnessed the beginnings of industrialization In politics the era saw the demise of one national party the birth of another and the historic leadership of Abraham Lincoln The country also faced difficult questions of state sovereignty and federal responsibility answered ultimately by secession and war In short it was a time of growth consolidation tragedy and triumph for a dynamic and youthful nation This resource of primary documents and commentary covers the Taylor through Grant administrations by selecting and describing five to ten of the foremost issues of the day and showing the actual text of the president s position along with the opposing viewpoint The presidents from 1849 1877 were men of varied backgrounds and talents Northerners and Southerners and even Northerners with Southern sensibilities occupied the White House The period began and ended with war heroes as presidents among the other men who served as president were a former textile worker a country lawyer and lifelong diplomat Most of the chief executives struggled and perhaps even failed to overcome the immense challenges placed before them By providing helpful background information and commentary about the presidents and the issues of the day in addition to the primary sources this reference guide accurately depicts this fractious time in the country s past and provides an invaluable resources to any student of American history

The Myth of Seneca Falls Lisa Tetrault,2014-06-15 The story of how the women s rights movement began at the Seneca Falls convention of 1848 is a cherished American myth The standard account credits founders such as Elizabeth Cady Stanton Susan B Anthony and Lucretia Mott with defining and then leading the campaign for women s suffrage In her provocative new history Lisa Tetrault demonstrates that Stanton Anthony and their peers gradually created and popularized this origins story during the second half of the nineteenth century in response to internal movement dynamics as well as the racial politics of memory after the Civil War The founding mythology that coalesced in their speeches and writings most notably Stanton and Anthony s *History of Woman Suffrage* provided younger activists with the vital resource of a usable past for the ongoing struggle and it helped consolidate Stanton and Anthony s leadership against challenges from the grassroots and rival suffragists As Tetrault shows while this mythology has narrowed our understanding of the early efforts to champion women s rights the myth of Seneca Falls itself became an influential factor in the suffrage movement And along the way its authors amassed the first archive of feminism and literally invented the modern discipline of women s history 2015 Mary Jurich Nickliss Prize Organization of American Historians

Reconciliation after War Rachel Kerr, Henry Redwood, James Gow, 2021-01-06 This edited volume examines a range of historical and contemporary episodes of reconciliation and anti reconciliation in the aftermath of war Reconciliation is a concept that resists easy definition At the same time it is almost invariably invoked as a goal of post conflict reconstruction peacebuilding and transitional justice This book examines the considerable ambiguity and controversy surrounding the term and crucially asks what has reconciliation entailed historically What can we learn from past episodes of reconciliation and anti reconciliation Taken together the chapters in this volume adopt an interdisciplinary approach focused on the question of how reconciliation has been enacted

performed and understood in particular historical episodes and how that might contribute to our understanding of the concept and its practice Rather than seek a universal definition the book focuses on what makes each case of reconciliation unique and highlights the specificity of reconciliation in individual contexts This book will be of much interest to students of transitional justice conflict resolution human rights history and International Relations [Dangerous Nation](#) Robert Kagan,2007-11-06 Most Americans believe the United States had been an isolationist power until the twentieth century This is wrong In a riveting and brilliantly revisionist work of history Robert Kagan bestselling author of *Of Paradise and Power* shows how Americans have in fact steadily been increasing their global power and influence from the beginning Driven by commercial territorial and idealistic ambitions the United States has always perceived itself and been seen by other nations as an international force This is a book of great importance to our understanding of our nation s history and its role in the global community *The Second Founding* Ilan Wurman,2020-11-12 In *The Second Founding* An Introduction to the Fourteenth Amendment Ilan Wurman provides an illuminating introduction to the original meaning of the Fourteenth Amendment s famous provisions due process of law equal protection of the laws and the privileges or immunities of citizenship He begins by exploring the antebellum legal meanings of these concepts starting from Magna Carta the Statutes of Edward III and the Petition of Right to William Blackstone and antebellum state court cases The book then traces how these concepts solved historical problems confronting framers of the Fourteenth Amendment including the comity rights of free blacks private violence and the denial of the protection of the laws and the notorious abridgment of freedmen s rights in the Black Codes Wurman makes a compelling case that if the modern originalist Supreme Court interpreted the Amendment in the language of the law it would lead to surprising and desirable results today **The Confederacy as a Revolutionary Experience** Emory M. Thomas,2021-11-25 This volume first published in 1971 has made us look again at the events surrounding the Civil War The Confederate Southerners likened themselves to the American revolutionaries of 1776 Although both revolutions sought independence and the overthrow of an existing political system the Confederates battled for a political separation to conserve rather than to create The result however was a transformation of the antebellum traditions they were fighting to preserve *Mine Eyes Have Seen the Glory* Steven L. Dundas,2022-10 Steven L Dundas tells the epic story of how religion and racial ideology influenced slavery emancipation reconstruction Jim Crow and today s struggles for civil rights

Whispering the Techniques of Language: An Mental Quest through **Major Problems In The Civil War And Reconstruction Documents And Essays**

In a digitally-driven earth wherever displays reign supreme and immediate transmission drowns out the subtleties of language, the profound strategies and emotional nuances hidden within phrases often get unheard. Major Problems In The Civil War And Reconstruction Documents And Essays Introduction

In the digital age, access to information has become easier than ever before. The ability to download Major Problems In The Civil War And Reconstruction Documents And Essays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Major Problems In The Civil War And Reconstruction Documents And Essays has opened up a world of possibilities. Downloading Major Problems In The Civil War And Reconstruction Documents And Essays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Major Problems In The Civil War And Reconstruction Documents And Essays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Major Problems In The Civil War And Reconstruction Documents And Essays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Major Problems In The Civil War And Reconstruction Documents And Essays. Some websites may offer pirated or illegally obtained copies of copyrighted

material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Major Problems In The Civil War And Reconstruction Documents And Essays, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Major Problems In The Civil War And Reconstruction Documents And Essays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Major Problems In The Civil War And Reconstruction Documents And Essays Books
