acclaimed as the Vietnam War's most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia Looking for a Hero extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper's war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper's medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army's inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America's defeat becomes clear
