Make The Word Come Alive Lessons From Laity:

Preaching Words John S. McClure, 2007-01-02 John McClure's *Preaching Words* highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today's preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching **The Third Room of Preaching** Marianne Gaarden, 2021-02-09 How do listeners create meaning when hearing a sermon In this cutting edge homiletical study Marianne Gaarden draws on sociological psychological and other empirical research to offer new perspectives and presents the notion of the Third Room of Preaching the place where the preacher's words and the listener's prior experiences come together and new meaning emerges The new research insights challenge conventional understandings of preaching and invite homileticians to reflect theologically on the implications for the sermon as an act of communication In addition the book includes an appendix that offers new perspectives on how to best educate and train preachers in light of that research **Transforming Preaching** David Heywood, 2013-05-16 Rooted in a clear understanding of the indispensable authority of God's word *Transforming Preaching* provides a wealth of practical wisdom and advice for anyone approaching the task of preaching for the first time It also serves as a useful refresher for all who want to increase the effectiveness of their preaching ministry Basing his advice on the latest research into the way people listen learn and grow in the Christian life David Heywood looks at ways of constructing and delivering successful sermons while also providing a stimulating guide to the principles and benefits of interactive preaching *Preaching and the Personal* J Dwayne Howell, 2014-07-31 *Preaching* is a very personal process a minister or speaker prepares his or her own sermon and presents it to the congregation Sermons draw upon the Bible as a central source and the source provides a basis of faith for the believing community The preaching event is also personal for the individual members of the congregation who receive the preacher's words based on a biblical text in their own unique way In the synthesis of Biblical text sermon and listener response many testimonies are present *Preaching and the Personal* is a collection of papers that have been presented at the Society of Biblical Literature These papers encourage and nurture dialogue among scholars who share an interest in the unique theological problems inherent to the relationship between biblical interpretation and proclamation *Preaching and the Personal* opens a stimulating dialogue in the field **Preaching and the Other** Ronald J. Allen, 2008-11-01 *Preaching and the Other* introduces the reader to six major themes characteristic of the postmodern era that are important for preaching and explains their implications Themes discussed include perception as interpretation deconstruction otherness transgression pluralism and the importance of apologetics **The New Interpreter's® Handbook of Preaching**, 2010-11-01 *The New Interpreter's Handbook of Preaching* is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most

distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Make the Word Come Alive Ronald J Allen, Mary Alice Mulligan, 2005-01-31 In this final volume of the Channels of Listening series Mary Alice Mulligan and Ronald Allen turn to sermon listeners for advice on how to create more engaging and meaningful sermons Drawing on the first large scale systematic study of how listeners themselves describe the experience of hearing sermons and how those reports can influence preaching Mulligan and Allen identify twelve qualities or characteristics that listeners most commonly seek in sermons They use the listeners own words to impart not just points that preachers would benefit from keeping in mind but also a real sense of how and why these qualities are important to the listener The study this book is based on revealed that the participants went to church eager to hear the sermon They said they believe sermons impact their lives and have the power to help them build a closer relationship to God In this book they talk openly and candidly about what makes a sermon meaningful to them and what blocks the message and turns them away Their testimonies are a plea to preachers to listen and to learn **One Year to Better Preaching** Daniel Overdorf, 2013-09-06 One Year to Better Preaching provides preachers with fifty two hands on exercises that sharpen their homiletical skills The book is designed particularly for those who preach each week and have been perhaps for some time to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity fresh approaches to sermon preparation and design and sharpened verbal and nonverbal communication skills Novice preachers also will find the exercises useful in developing their preaching abilities Each chapter includes instructions for an exercise tools and suggestions needed for the exercise comments from preachers who completed it and recommended resources for further study The exercises address eight categories of homiletics Prayer and Preaching Bible Interpretation Understanding Listeners Sermon Construction Illustrations and Applications Word Crafting The Preaching Event Sermon Evaluation Readers can complete the exercises in the order presented which address different categories week to week or they can sharpen their skills in a particular category over a period of weeks by using the chart provided They might also work through the exercises in collaboration with other preachers One Year to Better Preaching will leave a preacher reinvigorated and better equipped to proclaim the Word of God

skillfully passionately and effectively *Preaching at the Double Feast* Michael Monshau,2006 What is the role of preaching in the double feast churches churches whose normative liturgical worship features rites at the two tables of the Word and of the Eucharist Father Michael Monshau adds timely and critical new perspective to the issue by bringing together five significant voices from double feast churches whose presentations in effect become varied short textbooks on how to preach

My Burden Is Light Craig A. Satterlee,2023-01-10 My Burden Is Light Making Room for Jesus in Preaching invites preachers to reclaim proclaiming Jesus as the goal of preaching Too often Satterlee observes we usher Jesus to the back of the pulpit invite him to make a cameo appearance or even excuse him from the sermon altogether With the author s guidance readers imagine the ways Jesus is present in their favorite liturgical space and explore ways they can make room for Jesus in preaching and experience abundant life for themselves and for their people Satterlee argues that by preaching the mystery of Jesus s life death and resurrection as good news for God s people the church and the world all of whom long for salvation we powerfully address the issues we face including pandemic climate change assaults on democracy social justice and division Drawing on his lifetime of experience learning preaching and teaching the gospel this book is foundational for preaching courses and a balm for preachers needing nourishment and renewal [Helping Johnny Listen](#) Thad Bergmeier,2010-03-01

The preaching of God s Word happens tens of thousands of times each week across the world As these sermons are given when the preacher is faithful to the text of the Scripture it is as if God is speaking to the people of that given congregation The question is are people listening Listening to preaching is more than showing up sitting still or even nodding one s head It is taking that which is preached and applying it to life Helping Johnny Listen is a book designed to help the average person who sits in the average church on the average Sunday take full advantage of the sermons they hear so that they are able to live what they hear

Acts of the Apostles Ronald J. Allen,2013-05-01 Acts of the Apostles helps the preacher identify possibilities for sermons based on texts and themes in the book of Acts While offering a basic exegetical framework for interpreting passages in Acts in their historical literary rhetorical and theological contexts this volume also suggests ways in which the preacher can relate passages and motifs from Acts to the congregation and world today It also is useful in classes that seek to link text and sermon and for congregational Bible study Throughout his commentary Ron Allen examines the relationship of Acts to the Gospel of Luke discussing parallel passages between the two volumes and observing how themes in the Gospel carry forward into Acts He notes how particular passages contribute to developing themes and to how the awareness of such a theme can contribute to the preacher s work with a particular passage An appendix will posit several sermon series that the preacher could develop on the book of Acts making the book especially useful to ministers who do not follow the lectionary

Reverberating Word Michael Denham,2018-06-12 Like sounds of beautiful music worship can renew us for God s glory and our good by the invigorating power of God s reverberating Word It is God s story that redeems all our stories We want to tell it again and again as best we can clearly conveying its message meaning richness claim and

call Through its every facet and component worship that is biblically expositional can heighten how we proclaim God's story faithfully and creatively pointing to the One who alone offers us true identity security and destiny If you seek me you will find me if you search with all your heart declares the Lord With the ancient prophets and apostles we must repeat and repeat and repeat the most wonderful truth that God wants to be found In Christian worship such tremendous and tender encounter is available to us as nowhere else **Believing in Preaching: what Listeners Hear in , Wake Up, Lazarus! Volume II**

Craig A. Satterlee, 2011-06-29 Both new and veteran preachers alike find the annual stewardship sermon a challenge and are eager for encouraging practical advice In Preaching and Stewardship Craig Satterlee offers a nuts and bolts handbook on preaching stewardship raising issues preachers need to consider when preparing stewardship sermons and offering advice on how to address them Satterlee argues that stewardship preaching must include a bold and concrete proclamation of God's love will and justice as well as an invitation to grow as stewards in response to this proclamation He focuses each chapter on a question preachers ought to ask themselves as they prepare the stewardship sermon beginning with What do you mean by stewardship and Why should we give to the church In chapters 3 through 6 he explores what the Bible says about stewardship In chapter 7 he names some of the assumptions both preachers and worshipers bring to the stewardship sermon The final chapter a variety of ways congregations can support the stewardship sermon Satterlee illustrates the premise of each chapter with anecdotes from congregational life Preachers who desire examples of stewardship sermons will especially appreciate stewardship sermons he shares from various preachers to illustrate points in the main text *Before the Face of God* Hanneke Schaap-Jonker, 2008 All over the world millions of people attend services every week and most of them will hear sermons What happens between the sermon and the listener Does the sermon become meaningful to listeners The present study in the fields of practical theology homiletics and psychology of religion combines quantitative and qualitative methods to offer an empirically based approach to the study of preaching Highlighting the psychological factors influencing how a sermon is heard this study draws theoretical insight from the works of D W Winnicott A M Rizzuto and D Bonhoeffer in its examination of the relationship between the meaning of the sermon and the hearer's God image personality and affective state *Religious Involvement in Hearing Sermons* Theo Pleizier, 2010 *What Not to Say*

John C. Holbert, Alyce M. McKenzie, 2011-01-01 In this humorous guide John C Holbert and Alyce M McKenzie provide helpful and practical advice for avoiding the common mistakes that many preachers make in their sermons Useful for preachers students and teachers alike What Not to Say addresses how to use language about God how to use stories in preaching and what not to say and what to say in the beginning middle and end of sermons A companion video with preaching illustrations is available online at wjkbooks com **preacher as 'first listener' : 'calling' as a source of authority within the Flemish evangelical preaching tradition** Filip De Cavel, 2020-01-01 The preacher's weekly assignment is brutally repetitive Fill the blank page by Sunday at least twice a month if not even more This book offers a biblical theological and empirical grounding to support the preacher's self reflective listening and sermonizing practices in order for the preacher to be aware of his/her spirituality of listening and discernment
