**Make Your Sunday School Grow Through Evaluation** Harold J. Westing, 1976 *Strategies for Sunday School Growth* George A. Edgerly, Harold E. Crosby, 1983-08 **Team Leadership In Christian Ministry** Kenneth O. Gangel, 1997-01-05 Team leadership is the exercise of one's spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ. How is your church or organization governed? Does it have an authoritarian top-down administration? Is the ministry vision developed by a few top officials with little input from staff or volunteers? Today the definition of an effective leader has changed. No longer does the model leader manage like the Lone Ranger; either do it his way or no way. Today the model leader shares responsibility with fellow team leaders and seeks to serve them. In this complete revision of his earlier work *Building Leaders for Church Education*, Dr. Gangel carefully lays a biblical foundation for the team leadership model. This leadership is not dogmatic control or personality worship. It has no room for political power plays. Instead, it is Paul gently nurturing young Christians in his epistles. It is Barnabas willingly thrusting others into situations where they develop their own gifts. It is Christ choosing not one but twelve men to carry on His ministry. It is servant leadership. With examples, illustrations, and suggestions for further reading at the end of each chapter, Dr. Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding, effective practice of leading with and through others. *Evaluate & Grow* Harold J. Westing, 1984

Parr, 2013-12-10 Product contains *Sunday School That Really Works*, *Sunday School That Really Responds*, and *Sunday School That Really Excels* by Steve R. Parr. *Sunday School That Really Works* Steven R. Parr, 2013-12-10 For those who declare it doesn't work, here is a book that can stimulate, encourage, and hopefully correct the problem that many churches and pastors have declared to be the problem. Many have prophesied the demise of Sunday school; however, in this resource, Steve Parr encourages the church to utilize a tool it has used for over a hundred years to be intentionally evangelistic. Fully inundated with proof that Sunday school can bring vitality to your church, *Sunday School that Works* aptly charges the church with reengaging its Great Commission using the tools that it has effectively

*Improving Church Education* Herbert W. Byrne, 1979 **Luther League Review**, 1901 *Planting and Growing a Fundamental Church* Roy L. Thomas, 1979 **Building Leaders for Church Education** Kenneth O. Gangel, 1981 **Grab, Gather, Grow** Jennifer Cowart, Jim Cowart, 2016-09-20 Jim and Jen Cowart, authors of *Start This Stop That*, offer a fresh strategy for developing community groups for your whole church and beyond. Harvest Church, www.harvestchurch4u.org, a young United Methodist congregation twenty miles southwest of Macon, met for seven years on Sundays in a rented theatre. They learned about adaptive systems, digital tools, and flexible overhead. Since building a multipurpose facility on 43 acres near Warner Robins, Georgia, in 2007, Harvest Church applied what they learned about mobility and sustained

rapid growth to 2700 in worship attendance with seven weekend services They dispensed with a typical education wing at significant cost savings and classrooms in favor of four multipurpose rooms They adapted a community groups strategy which meets primarily in homes They have expanded from 72 community groups to more than 300 in one year In this leadership book Jen and Jim offer a five part method for transforming a congregation through launching community groups Community groups become a multiplication strategy because they nurture an urgent expectation outside the congregation to share the good news with persons not yet professing faith while creating a well defined path for growth in discipleship The book will include the following themes Group Explosion New Strategy for 100% plus group participation Overcoming Obstacles Structuring for Maximum Growth vs Control Crowd to Core Group Growth The Power of the Pulpit This system is driven from the stage Living the 5 through Group Life How the CG lives into Fellowship Discipleship Ministry Evangelism and Worship Creating Infrastructure for Facilitators Growing a Great Sunday School Class Debra Fulghum Bruce, Robert G. Bruce, Debra Bruce, 1994 this book offers a practical and basic theory of church growth combined with scriptural challenge and down to earth ideas **Sunday School That Really Responds** Steve R. Parr, 2011 In this sequel to Sunday School That Really Works Steve Parr explores twenty four problems in organizing and teaching a Sunday school class But he does more than present the problems he provides practical and biblical wisdom on how the problems may be solved **The Homiletic Review**, 1885 **Digest; Review of Reviews Incorporating Literary Digest**, 1900 *What Every Pastor Should Know* Gary L. McIntosh, Charles Arn, 2013-04-15 Pastors and church leaders are constantly faced with strategic questions How much staff does the church need How many workers are needed in the nursery this month When is the right time to start a second worship service How many people should we train for evangelism this year How does seating and parking impact worship attendance When church leaders have questions about planning running or growing their churches they need answers fast What Every Pastor Should Know offers pastors and leaders 101 valuable rules and sacred laws to help answer real life ministry questions From advertising to facilities to visitation this valuable book offers the practical help that leaders need just when they need it most This comprehensive guide will become one of the most valuable books in a leader's library Never again will they wonder if they based critical decisions on the right information They'll get the answers they're looking for all in one place *Homiletic Review*, 1914 *Planning for Christian Education Formation* Israel Galindo, Marty Canada, 2010-03-01 This book was written to help congregational leaders clergy staff and laypersons plan and organize a Christian education ministry from the approach of Christian formation in a community of faith context This book provides a model for organizing the Christian education leadership committee or team of the church demonstrates how to use the church year as a framework for planning the Christian education ministry of the church and gives a model for assessing the effectiveness of the educational ministry of the church and a process to help congregations move toward the Christian Education Formation approach The Cabinet and Review for Home Entertainment and Instruction, 1887
