Makers Of Miracles The Cast Of The Federation Story:

You Daughters of Freedom Clare Wright, 2018-10-01 For the ten years from 1902 when Australia's suffrage campaigners won the vote for white women the world looked to this trailblazing young democracy for inspiration Clare Wright's epic new history tells the story of that victory and of Australia's role in the subsequent international struggle through the eyes of five remarkable players the redoubtable Vida Goldstein the flamboyant Nellie Martel indomitable Dora Montefiore daring Muriel Matters and artist Dora Meeson Coates who painted the controversial Australian banner carried in the British suffragettes' monster marches of 1908 and 1911 Clare Wright's Stella Prize winning *The Forgotten Rebels of Eureka* retold one of Australia's foundation stories from a fresh new perspective With *You Daughters of Freedom* she brings to life a time when Australian democracy was the envy of the world and the standard bearer for progress in a shining new century Dr Clare Wright is an award winning historian and author who has worked as an academic political speechwriter historical consultant and radio and television broadcaster Her most recent book *The Forgotten Rebels of Eureka* won the 2014 Stella Prize and the 2014 NIB Award for Literature and was shortlisted for many other awards *You Daughters of Freedom* brings some forgotten women into the public discourse again and we are all the richer for it Australian A celebration of leadership inspiration education and sheer individual cheek Sydney Morning Herald Clare Wright's *You Daughters of Freedom* is the uplifting story of a time Australia led the world in including women in our democratic project It is a reminder of our proud legacy and a clarion call for who we can be Penny Wong The essential story of our greatest reformers and one of our proudest achievements as a nation George Megalogenis A thrilling tale superbly told of brave Australian women with a passion for politics Judith Brett A rare achievement Grand bold and brilliantly written Mark McKenna This book will be brilliant Annabel Crabb Chat 10 Looks 3 One of the country's most accomplished story tellers relates Australian women's fight for the vote in all of its passion intensity and drama Frank Bongiorno Professor of History ANU *You Daughters of Freedom* relates with sparkle and wit the largely untold story of the trailblazing women who not only dragged recalcitrant male leaders into the new century and won the right to vote but also were at the forefront of the struggle for women's enfranchisement internationally Inside Story Her story of Australian suffragists winning the vote and then running for parliament in 1903 should be required reading in this time of angst over the women problem in the federal Liberal Party Weekend Australian Magazine Work of History Peter Beilharz, Sian Supski, 2022-07-05 Stuart Macintyre was an eminent figure within the world of Australian history scholarship for 45 years This collection of essays and responses revisits and extends this extraordinary life of achievement and engagement Leading scholars write here of Macintyre's contribution to understanding radicalism and communism postwar reconstruction education and civics universities liberalism historiography and the history wars They also tell us about collegiality and friendship The practice of history writing and telling has long been central to the narrative of the nation in Australia *The Work of History* connects us to that past It raises

the question of what comes next and re values Macintyre's contribution serving both as a snapshot of the state of the historian's art and an introduction to those who come more recently to this highly contested field

The Centenary Companion to Australian Federation Helen Irving, 1999-12-06 Published to mark the centenary of Federation this important book explores Australia's national origins in a comprehensive and accessible way A high calibre team of writers has been gathered to write the first ever comprehensive general history of Federation Starting from the perspective of the individual colonies as they made their way towards membership of the Australian Commonwealth in 1901 the book also provides cross referenced short alphabetical entries covering key events people and concepts It approaches Federation not simply as a formal political story but as a social and cultural process maintaining the relevance of nation making by highlighting ongoing debates about democracy sovereignty and progressive citizenry A major contribution to the Centenary of Federation this book should become a standard reference for scholars students and general readers in the continuing discussions of Australia's future as a nation

The Colonial Earth Tim Bonyhady, 2003-04-01 Using the work of great Australian painters and poets as an entry point this cultural study counters the popular myth that early colonial settlers were environmentally irresponsible and offers both aesthetic and historical evidence that suggests nature always figured prominently in the Australian national consciousness Preserving endangered species protecting forests maintaining public land rights and staving off climate change were at issue in the first environmental law of Australia enacted in 1788 Parliamentary debates personal observations and artistic renderings explore the texture and dimensions of early Australian environmentalism

The Prince and the Assassin Steve Harris, 2018-09-01 The engrossing real life story of how Queen Victoria's favourite son Prince Alfred undertook the most ambitious Royal tour only for Australia's overwhelming joy of having the first Royal on its shores jolted by his decadent behaviour then shocked by an attempted assassination by a man trained as a priest The British Empire's youngest and most distant outpost found itself at the epicentre of a new crime and empirical fears about the first inter continental terrorist group a conspiracy and a lone wolf In a resulting reign of terror extraordinary steps were taken to safeguard security with laws on treason and sedition which even the Queen felt went too far and the would be assassin was hastily executed in a miscarriage of justice led by opportunistic politicians This is an extraordinary and atmospheric weaving of the stories some detailed for the first time of royal intrigue sexual appetite religious bigotry patriotic vengeance naked ambition national security and moral panic They are stories of royals immigrants archbishops republicans and the founding fathers of Australia and issues that remain with us today Drawing on Royal British and Australian archives the compelling narrative embraces a pivotal time in the evolution of Australia and on the 150th anniversary reveals how a minute of madness rocked the country to its foundations with a legacy which helped shape Australia's history and continues to influence and challenge us today Revelations insights in *The Prince and the Assassin* Prince Alfred's spare heir upbringing as the chosen one and prospective King of Australia Sexually decadent royal behaviour

An historic tour which became the model for 50 subsequent royal tours to Australia Religious bigotry violence and death in early Australia How a young migrant trained and destined to be a priest became an assassin How the biggest crime in Australia shocked shamed terrorised and divided the country How Henry Parkes founder of federation suppressed and doctored evidence hired private spies and criminals for political advantage Australia suppressing civil liberties even making it a crime of treason to discuss republicanism and to not drink a toast to the Queen Australian Catholics accused of disloyalty and an Archbishop conspiring against the Government Australia's most sensational trial one of injustice and vengeance for a crime not on the Empire's capital list Alfred appealing for his would be killer to not be executed An Australian Government accused of promoting fear for political advantage and committing treason and fraud *The Court as Archive* Ann Genovese, Trish Luker, Kim Rubenstein, 2019-02-19 Until the late 20th century an archive generally meant a repository for documents as well as the generic name for the wide range of documents the repository might hold An archive could be visited and then also searched to discover past actions or lives that had meaning for the present While historians and historiographers have long understood the contests that archives contain and represent the very idea of the archive has over the last 40 years become the subject and object of widening and intensified consideration This consideration has been intellectual from scholars in a wide range of disciplines and public from communities and individuals whose stories are held captive or sometimes hidden or excluded from official archives as well as institutional It has involved scrutiny and critique of official archives limitations and practices as well as symbolic affective and theoretical expansion and heightened expectation of what the archive is or should be The very language of the archive now carries freight as administrative practice normative value metaphor description and aspiration in different ways than it did in the 20th century This collection offers a unique contribution to these reinvigorated and sometimes new conversations about what an archive might be what it can do as a consequence and to whom it bears custodial responsibilities In particular this collection addresses what it means for contemporary Australian superior courts of record to not only have constitutional and procedural duties to documents as a matter of law but also to acknowledge obligations to care for those materials in a way that understands their public meaning and public value for the Australian people in the past in the present and for the future *State Constitutional Landmarks* George Winterton, 2006 Fifteen landmark cases and controversies of parliamentary government in the Australian colonies and States are recounted in all their political and legal drama by some of Australia's leading constitutional scholars Topics covered include the amazing saga of Justice Boothby in the 1860s Privy Council decisions establishing the plenary power of colonial legislatures the dismissal of New South Wales NSW Premier Jack Lang in 1932 the resolution of deadlocks between State legislative Houses the making of the Australia Acts 1986 debate on the separation of judicial power in the States the survival of the NSW Legislative Council the power to expel an MP in NSW one vote one value in Western Australia affirmation of the rule of law in Western Australia the Franca Arena saga in NSW and the power to force ministers to produce

documents in NSW *Shaping Nations* Linda Cardinal, David Headon, 2002-03-01 As questions concerning nationhood and national identity continue to preoccupy both Canada and Australia *Shaping Nations* brings together the work of Australian and Canadian scholars around five core themes constitutionalism colonialism republicanism national identity and governance

Australia and the World Beaumont, Joan, Jordan, Matthew, 2013-05-20 Australia and the World celebrates the pioneering role of Neville Meaney in the formation and development of foreign relations history in Australia and his profound influence on its study teaching and application The contributors to the volume historians practitioners of foreign relations and political commentators many of whom were taught by Meaney at the University of Sydney over the years focus especially on the interaction between geopolitics culture and ideology in shaping Australian and American approaches to the world Individual chapters examine a number of major themes informing Neville Meaney's work including the sources and nature of Australia's British identity the hapless if dedicated efforts of Australian politicians public servants and intellectuals to reconcile this intense cultural identity with Australia's strategic anxieties in the Asia Pacific region and the sense of trauma created when the myth of Britishness collapsed under the weight of new historical circumstances in the 1960s They survey relations between Australia and the United States in the years after World War Two Finally they assess the US perceptions of itself as an exceptional nation with a mission to spread democracy and liberty to the wider world and the way in which this self perception has influenced its behaviour in international affairs

Progressive New World Marilyn Lake, 2019-01-07 In a bold argument Marilyn Lake shows that race and reform were mutually supportive as Progressivism became the political logic of settler colonialism at the turn of the 20th century She points to exchanges between American and Australasian reformers who shared racial sensibilities along with a commitment to forging an ideal social order *The Constitution of a Federal Commonwealth* Nicholas Aroney, 2009-02-19 This book describes how ideas about federalism influenced those who drafted the Australian Constitution Global Matrix Tom Nairn, Paul James, 2005-03-20 Globalization has brought with it many difficult and contradictory phenomena violence deep national insecurities religious divisions and individual insecurities This book takes a critical look at three key areas globalism nationalism and state terror to confront common mythologies and identify the root causes of the problems we face Too many commentators still argue that globalization is predominantly a neo liberal economic phenomenon that nation states are on the way out and that terror is something that primarily comes from below *Global Matrix* exposes the limitations of this argument Written by two leading scholars this is a lucid study of what place the nation state has in a globalizing world that will appeal to students across the political and social sciences

Charles Strong's Australian Church Marion Maddox, 2021-11-30 In the optimistic years preceding Federation in 1901 the Melbourne based Australian Church emerged as a progressive Christian movement to serve a brand new nation Galvanising many members of Melbourne's social and political elite activist Reverend Dr Charles Strong imagined the Australian Church becoming the national church while addressing a broad social and political reform agenda inspired by both theological and

social liberalism Their approach was described as progressive liberal radical and socialist Strong and his wife Janet founded or led organisations for causes ranging from peace to penal reform They fought for urban slum improvements rural village settlements childcare and adult education the minimum wage and women s suffrage Some organisations endure today others left lasting legacies in Australian methods of addressing social inequality Bringing together leading scholars of history politics and religion Charles Strong s Australian Church celebrates the church s radicalism while taking account of debates and obstacles on the path to social reform *From Subjects to Citizens* Pierre Boyer,Linda Cardinal,David

Headon,2004-02-27 Australia and Canada are both lively multicultural societies with British constitutional traditions Historically they have faced similar challenges in defining and sustaining citizenship that reach back into a common past They also have similar approaches to address contemporary issues and anticipate the challenges of a 21st century future New perspectives on the culture and politics of citizenship emerge in this timely text that is essential reading for those interested in the steadily expanding ties between Australia and Canada Published in English Subjects Or Citizens? Adolf Ens,1994 During the 1870s 7 000 Mennonites descendants of Dutch and German Anabaptists arrived in Canada to settle in the newly created province of Manitoba While in Europe they had steadily moved eastward under pressure of persecution and governmental restrictions until they settled in foreign colonies in New Russia Ukraine in 1789 Generations of living as non citizen settlers under special arrangements with the ruler had reinforced their separatist understanding of what it meant to live in nonconformity with the world Adolf Ens s volume traces the tensions of Mennonites becoming full citizens in the participatory democracy of Canada through the crucial steps of immigration settlement and naturalization implementing local municipal government and becoming part of the public school system This process was greatly complicated by the outbreak of the First World War and the intolerance it produced toward those who were pacifist German and different Almost 8 000 of the descendants of this immigrant group left for Latin America in the aftermath of the war becoming subjects once again The rest gradually accommodated themselves to being full Canadian citizens BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Judiciaries in Comparative Perspective** H. Lee,2011-08-11 An independent and impartial judiciary is fundamental to the existence and operation of a liberal democracy Focussing on Australia Canada New Zealand South Africa the United Kingdom and the United States this comparative 2011 study explores four major issues affecting the judicial institution These issues relate to the appointment and discipline of judges judges and freedom of speech the performance of non judicial functions by judges and judicial bias and recusal and each is set within the context of the importance of maintaining public confidence in the judiciary The essays highlight important episodes or controversies affecting members of the judiciary to illustrate relevant principles **The Making and Remaking of Australasia** Tony Ballantyne,2022-11-03 This book explores the emergence of Australasia as a way of thinking about the culture and geography of this region Although it is frequently understood to apply only to Australia and New

Zealand the concept has a longer and more complicated history Australasia emerged in the mid 18th century in both French and British writing as European empires extended their reach into Asia and the Pacific and initially held strong links to the Asian continent The book shows that interpretations and understandings of Australasia shifted away from Asia in light of British imperial interests in the 19th century and the concept was adapted by varying political agendas and cultural visions in order to reach into the Pacific or towards Antarctica The Making and Remaking of Australasia offers a number of rich case studies which highlight how the idea itself was adapted and moulded by people and texts both in the southern hemisphere and the imperial metropole where a range of competing actors articulated divergent visions of this part of the British Empire An important contribution to the cultural history of the British Empire Australia New Zealand and Pacific Studies this collection shows how Australasia has had multiple often contrasting meanings Intention in Law and Philosophy Ngaire Naffine, Rosemary Owens, 2019-05-24 This title was first published in 2001 Legal systems are posited on the assumption that people are rational intentional agents who can choose to follow or break the law This book connects the common interests of lawyers and philosophers in the meaning of intention and its relation to responsibility in legal moral and political contexts

Responsible Government and the Australian Constitution Benjamin B Saunders, 2023-06-15 This book looks at responsible government under the Australian Constitution It undertakes a detailed examination of the history leading to the incorporation of responsible government into the Constitution examining the political history and constitutional ideas which informed the framers views It draws on this history to develop a theory of responsible government and explore its implications for the interpretation of the Constitution and the structure of modern government in Australia The book fills a major gap in our knowledge of the intellectual background of the Australian Constitution by explaining the constitutional ideas that have shaped the text and structure of the Australian Constitution It contributes to worldwide debates about constitutional interpretation by showing how rigorous use of history can lead to novel interpretations of constitutions without being tied to the dead hands of the founders *Current Contents.
