Making A Difference Volunteering For Canadian Youth

Rebecca Tiessen

Making A Difference Volunteering For Canadian Youth:

Making a Difference Val Adolph, Valerie Ahwee, 1990-01-01 Grade level 5 6 7 8 9 10 11 12 e i s **Learning and Volunteering Abroad for Development** Rebecca Tiessen, 2017-07-20 Learning volunteer abroad programmes provide opportunities for cross cultural understanding partnership building and cooperative development but there are also significant structural challenges and inequality of opportunity issues that result from these partnerships between host organizations in the Global South and learning volunteer abroad for development LVA4D participants from the Global North Learning and Volunteering Abroad for Development aims to unpack the complex benefits and disadvantages of learning volunteer abroad programmes using insights from the volunteers who travel abroad and the communities who host them Based on empirical research within both volunteer and host communities this book provides students and scholars with an alternative framework for a more careful and nuanced analysis of international volunteering programmes highlighting ways to improve critical reflection development outcomes and intercultural competence Supported by a website with additional learning resources this book is an integral resource for senior undergraduate and graduate students interested in going abroad as well as for scholars or development professionals who are leading or researching such programmes

Canadiana , 1990-04 Canadian Books in Print , 2000 Making a Difference Stephen Ward, 2008-01-01 This book is a cross national analysis of the role of the Internet in elections It examines the role of context in shaping candidate and party usage of the Internet in democratic electoral systems *Globetrotting or Global Citizenship?* Rebecca Tiessen, Robert Huish, 2014-04-30 Globetrotting or Global Citizenship explores the broad range of international experiential learning options available to Canadian students as well as the opportunities and the ethical dilemmas that come with them Combining practical advice with critical examinations of international experiential learning this essay collection is designed to help the reader to move beyond photo ops and travel opportunities and towards striving for a deeper global citizenship Globetrotting or Global Citizenship is a valuable guide for students considering going abroad for experiential learning and a useful resource for those returning from such programs as well as instructors and administrators facilitating pre departure and return orientation sessions Anyone taking part in international volunteering will find the reflections and analysis provided here an excellent starting point for understanding the potential impact of their time abroad **Worldwide Volunteering**

, 2004 This book demonstrates the enormous range of opportunities that exist around the world There is something for everyone from the Foreword by Richard Branson **Youth Empowerment and Volunteerism** Elaine S.C LIU, Michael J. HOLOSKO, T. Wing LO, 2008-12-01 The book provides guidelines and practical creative exercises which equip creative major students as well as creative practitioners with fundamental knowledge on creation methods Combination of functionality simplicity and aesthetics in modern design is considered a fundamental design principle in the Bauhaus School in Germany and inspired by the School the creative handcrafting exercises and the concepts introduced in this book are primarily

coherent with this principle The book draws a direction between two and three dimensional material based design and modern digital creation process The first part of the book introduces various creative handcrafting exercises on proportion geometry and modularity among other fundamental design principles The creative exercises will sensitize students on aesthetical and structural issues and thus serve as an essential building block for application of the design principles to computer based creative processes which are introduced in the second part of the book Published by City University of Hong Kong Press

Handbook of Youth Mentoring David L. DuBois, Michael J. Karcher, 2013-04-30 This thoroughly updated Second Edition of the Handbook of Youth Mentoring presents the only comprehensive synthesis of current theory research and practice in the field of youth mentoring Editors David L DuBois and Michael J Karcher gather leading experts in the field to offer critical and informative analyses of the full spectrum of topics that are essential to advancing our understanding of the principles for effective mentoring of young people This volume includes twenty new chapter topics and eighteen completely revised chapters based on the latest research on these topics Each chapter has been reviewed by leading practitioners making this handbook the strongest bridge between research and practice available in the field of youth mentoring

The Palgrave Handbook of Volunteering, Civic Participation, and Nonprofit Associations David Horton Smith, Robert A. Stebbins, Jurgen Grotz, 2017-01-18 Written by over 200 leading experts from over seventy countries this handbook provides a comprehensive state of the art overview of the latest theory and research on volunteering civic participation and nonprofit membership associations The first handbook on the subject to be truly multinational and interdisciplinary in its authorship it represents a major milestone for the discipline Each chapter follows a rigorous theoretical structure examining definitions historical background key analytical issues usable knowledge and future trends and required research The nine parts of the handbook cover the historical and conceptual background of the discipline special types of volunteering the major activity areas of volunteering and associations influences on volunteering and association participation the internal structures of associations the internal processes of associations the external environments of associations the scope and impacts of volunteering and associations and conclusions and future prospects This handbook provides an essential reference work for third sector research and practice including a valuable glossary of terms defining over eighty key concepts Sponsored by the International Council of Voluntarism Civil Society and Social Economy Researcher Associations ICSERA www.icsera.org it will appeal to scholars policymakers and practitioners and helps to define the emergent academic discipline of voluntaristics

Revisiting Multiculturalism in Canada Shibao Guo, Lloyd Wong, 2015-12-01 In 1971 Canada was the first nation in the world to establish an official multiculturalism policy with an objective to assist cultural groups to overcome barriers to integrate into Canadian society while maintaining their heritage language and culture Since then Canada's practice and policy of multiculturalism have endured and been deemed as successful by many Canadians As well Canada's multiculturalism policy has also enjoyed international recognition as being

pioneering and effectual Recent public opinion suggests that an increasing majority of Canadians identify multiculturalism as one of the most important symbols of Canada's national identity On the other hand this apparent successful record has not gone unchallenged Debates critiques and challenges to Canadian multiculturalism by academics and politicians have always existed to some degree since its policy inception over four decades ago In the current international context there has been a growing assault on and subsequent retreat from multiculturalism in many countries In Canada debates about multiculturalism continue to emerge and percolate particularly over the past decade or so In this context we are grappling with the following questions What is the future of multiculturalism and is it sustainable in Canada How is multiculturalism related to egalitarianism interculturalism racism national identity belonging and loyalties What role does multiculturalism play for youth in terms of their identities including racialization How does multiculturalism play out in educational policy and the classroom in Canada These central questions are addressed by contributions from some of Canada's leading scholars and researchers in philosophy psychology sociology history education religious studies youth studies and Canadian studies The authors theorize and discuss the debates and critiques surrounding multiculturalism in Canada and include some very important case studies

Young People as Agents of Sustainable Society Päivi Honkatukia, Tiina Rättilä, 2023-06-16 This book analyses young people's societal participation as a central dimension of their well being and as vitally important to secure the sustainable future of humankind and the whole eco social system It develops a theoretical framework for analysing youth participation holistically embedded in its everyday context and as a relational phenomenon underpinned by universal human needs It introduces innovative methodological approaches to study youth engagements in society This book will appeal to scholars and students of youth studies sociology sustainable development youth participation and education It also offers new knowledge and theoretical readings for policy experts on youth and sustainable development as well as for NGOs working with youth The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Routledge Handbook of Sports Development Barrie Houlihan, Mick Green, 2010-12-16 Sports development has become a prominent concern within both the academic study of sport and within the organisation and administration of sport Now available in paperback the Routledge Handbook of Sports Development is the first book to comprehensively map the wide ranging territory of sports development as an activity and as a policy field and to offer a definitive survey of current academic knowledge and professional practice Spanning the whole spectrum of activity in sports development from youth sport and mass participation to the development of elite athletes the book identifies and defines the core functions of sports development exploring the interface between sports development and cognate fields such as education coaching community welfare and policy The book presents important new studies of sports development around the world illustrating the breadth of practice within and between countries and examines the most important issues facing practitioners within sports development today from child protection

to partnership working With unparalleled depth and breadth of coverage the Routledge Handbook of Sports Development is the definitive guide to policy practice and research in sports development It is essential reading for all students researchers and professionals with an interest in this important and rapidly evolving discipline *Volunteer Tourism* Stephen Wearing, 2001-01-01 Volunteer tourism describes a field of tourism in which travelers visit a destination and take part in projects in the local community Projects are commonly nature based people based or involve restoration of buildings and artifacts e g restoration of a Buddhist temple in Mongolia *The Routledge Handbook of Volunteering in Events, Sport and Tourism* Kirsten Holmes, Leonie Lockstone-Binney, Karen A. Smith, Richard Shipway, 2021-11-29 This timely handbook examines the most contemporary controversial and cutting edge issues related to the involvement of volunteers in the fields of events sport and tourism Split into thematic sections the primary areas covered include key disciplinary approaches to understanding volunteerism international contexts managing volunteers the impacts and legacies of volunteering and future trends in these sectors including online and digital volunteering Commonalities and differences of volunteering in these sectors are drawn out throughout the volume A diverse range of case studies are examined including the 2007 UEFA Under 21 Championship hosted by Poland the development of the Appalachian National Scenic Trail the Vancouver London and Pyeong Chang Olympic Games Belgium's National Day in 2019 the Puffing Billy railway in Australia as well as many other examples looking at destination services organizations museums grassroots associations corporate events community events and visitor attractions Drawing on the academic and practical expertise of over 50 authors from across the globe the handbook provides an invaluable resource for all those with an interest in volunteering in these sectors encouraging dialogue across disciplinary boundaries and areas of study in order to advance volunteering research and practice in the fields of events sport and tourism *Canadian Social Policy* Anne Westhues, 2006-09-20 The objective of this new edition is the same as that of previous editions to help students understand social policy from a Canadian perspective and to stir them to discussion and debate Part One provides a general overview of social policy and Part Two discusses the policy making processes from the international factors that influence them to the ways in which a social worker can become part of this process Part Three focuses on current social policy issues and Part Four offers a look to the future Each chapter of this best selling book has been thoroughly updated for this new edition with regard to current policy debated issues and resources cited Three new chapters have been added including an overview of adult mental health policy and a critical look at risk assessment in child welfare There is also a discussion of current challenges to the Charter of Rights and Canadians increasing use of the justice system to shape social policy As a result the reader gains an informed perspective of policy development and evaluation Although designed primarily for use by social workers the book will benefit anyone who is involved in the policy making process *Who's Who of Canadian Women, 1999-2000* Gillian Holmes, 1999-06-01 Who's Who of Canadian Women is a guide to the most powerful and innovative women in Canada Celebrating the talents and

achievement of over 3 700 women Who's Who of Canadian Women includes women from all over Canada in all fields including agriculture academia law business politics journalism religion sports and entertainment Each biography includes such information as personal data education career history current employment affiliations interests and honours A special comment section reveals personal thoughts goals and achievements of the profiled individual Entries are indexed by employment of affiliation for easy reference Published every two years Who's Who of Canadian Women selects its biographees on merit alone This collection is an essential resource for all those interested in the achievements of Canadian women

Queerly Canadian, Second Edition Scott Rayter,Laine Halpern Zisman,2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada FEATURES Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers
