Making Democracy In Spain Grass Roots Struggle In The South 1955 1975

Charles Armstrong

Making Democracy In Spain Grass Roots Struggle In The South 1955 1975:

Making Democracy in Spain Joe Foweraker, 2003-10-02 This book exploring the making of democracy in Spain during the twenty long years before the death of Franco seeks out the beginnings of democratic struggles at the grass roots of civil society Rather than one more account of the transition to democracy in Spain this is the story of the countless unsung heroes who prepared the political terrain of this transition The story suggests that it was social needs and economic demands which spawned individual discontent and political dissent but that the struggle itself required continual political organization and calculation The book therefore explores the personal networks and political strategies which sustained the struggle and reveals that their contribution to the making of democracy was often contradictory and always piecemeal Democratic struggle is not defined by a single idea of democracy but by myriad attempts to achieve more autonomous action and more effective forms of representation

Teachers and the Struggle for Democracy in Spain, 1970-1985 T. Groves, 2014-01-16 The book shows how teachers struggled to liberate their country's education system from the legacy of dictatorship combining a general evaluation of the phenomenon with intimate glances at the people who drove it forward By vindicating the importance of democratic professionals it illuminates the Spanish transition to democracy from a new angle

Rethinking the History of Democracy in Spain Antonio Herrera, Francisco Acosta, 2023-11-22 Focusing on the processes of political socialisation and democratisation that took place in Spain during the nineteenth and twentieth centuries this book brings together specialists who propose the need to rethink the contemporary history of democracy in Spain to build a new narrative To do so the authors go down to the local level where they are able to trace a political culture that forged the foundations of a process of political modernization much more complex than what conventional historiography has conveyed even though it was not always transferred institutionally to the national level The idea of a rural Spain that was backward apolitical violent and unprepared for democracy gives way to a more interesting history which while recognising the peculiarities of the country and the important limitations to democracy shows examples that could help build a new narrative closer to those of other neighbouring countries Aimed at contemporary historians interested in Spain and Europe the book also addresses the debates faced by other social scientists on the concept of democracy This dialogue between history sociology and political science is particularly present in a special final chapter featuring a discussion of democracy and its application to Spanish history

Korean Society Charles Armstrong, 2006-11-22 While most analyses of Korean politics have looked to elites to explain political change this new and revised edition of Korean Society examines the role of ordinary people in this dramatic transformation Taking the innovative theme of civil society voluntary organizations outside the role of the state which have participated in the process of political and social democratization the essays collected here examine Korea as one of the most dramatic cases in the world of ordinary citizens participating in the transformation of politics Key topics discussed include comparisons of Korean democratization to the experiences of post authoritarian regimes elsewhere

in the world comparisons of the theory of civil society as developed in Western Europe and America the legacy of Korea's Confucian past for contemporary politics and society close examinations of various civil society movements South Korea and North Korea Conceptually innovative up to date and timely the new edition of this book will be an invaluable resource for students of contemporary Korea Asian politics and the global struggle for democracy

The Changing Role Of The State In Latin America Menno Vellinga, 2018-02-19 Since the 1930s the state has played a primary role in the development process of Latin American countries and political systems have had strong corporatist and authoritarian centralist features In the last several years as that role has become increasingly incompatible with neoliberal reforms and the requirements of a transition to democracy state power has been significantly decentralized and the state has withdrawn from direct intervention in the economy This book examines the consequences of the redefinition of the state for processes of democratization and state-civil society relations Since the 1930s the state has played a primary role in the development process of most Latin American countries and political systems have had strong corporatist and authoritarian centralist features In the last several years as that role has become increasingly incompatible with neoliberal reforms and the requirements of a transition to democracy state power has been significantly decentralized and the state has withdrawn from direct intervention in the economy This book examines the consequences of the redefinition of the state for processes of democratization and state-civil society relations looking for example at transfers of power to local and regional authorities the role of NGOs and other interest groups in policymaking the emergence of new social movements and privatization and the introduction of market criteria Several country case studies are also included

Works Councils Joel Rogers, Wolfgang Streeck, 2009-05-15 As the influence of labor unions declines in many industrialized nations particularly the United States the influence of workers has decreased Because of the need for greater involvement of workers in changing production systems as well as frustration with existing structures of workplace regulation the search has begun for new ways of providing a voice for workers outside the traditional collective bargaining relationship Works councils institutionalized bodies for representative communication between an employer and employees in a single workplace are rare in the Anglo American world but are well established in other industrialized countries The contributors to this volume survey the history structure and functions of works councils in the Netherlands Germany France Spain Sweden Italy Poland Canada and the United States Special attention is paid to the relations between works councils and unions and collective bargaining works councils and management and the role and interest of governments in works councils On the basis of extensive comparative data from other Western countries the book demonstrates powerfully that well designed works councils may be more effective than labor unions at solving management labor problems

Spain, Europe, and the 'Spanish Miracle', 1700-1900 David R. Ringrose, 1998-11-26 A challenging re-examination of Spanish history questioning orthodoxies about Spain's economy and society

The Spirit of '68 Gerd-Rainer Horn, 2008-10-02 In virtually all corners of the Western world 1968 witnessed a

highly unusual sequence of popular rebellions In Italy France Spain Vietnam the United States West Germany Czechoslovakia Mexico and elsewhere millions of individuals took matters into their own hands to counter imperialism capitalism autocracy bureaucracy and all forms of hierarchical thinking Recent reinterpretations have sought to play down any real challenge to the socio political status quo in these events but Gerd Rainer Horn s book offers a spirited counterblast 1968 he argues opened up the possibility that economic and political elites on both sides of the Iron Curtain could be toppled from their position of unnatural superiority to make way for a new society where everyday people could for the first time become masters of their own destiny Furthermore Horn contends the moment of crisis and opportunity culminating in 1968 must be seen as part of a larger period of experimentation and revolt The ten years between 1956 and 1966 characterised above all by the flourishing of iconoclastic cultural rebellions can be regarded as a preparatory period which set the stage for the non conformist cum political revolts of the subsequent red decade 1966 1976 Horn s geographic centres of attention are Western Europe including the first full examination of Mediterranean revolts and North America He placed particular emphasis on cultural nonconformity the student movement working class rebellions the changing contours of the Left and the meaning of participatory democracy His book will make fascinating reading for anyone interested in this turbulent period and the fundamental changes that were wrought upon societies either side of the Atlantic *The Politics of Democratic*

Consolidation Richard Gunther,P. Nikiforos Diamandouros,Hans-Jürgen Puhle,1995-08 With democracy on the rise worldwide questions about transition are rapidly being replaced by questions about consolidation How can leaders provide for a stable democracy once a nation has made its initial commitment to the rule of law and to popularly elected government In *The Politics of Democratic Consolidation* a distinguished group of internationally recognized scholars focus on four nations of Southern Europe Spain Portugal Italy and Greece which have successfully consolidated their democratic regimes Contributors P Nikiforos Diamandouros Richard Gunther Hans Jürgen Puhle Edward Malefakis Juan J Linz Alfred Stepan Felipe Ag ero Geoffrey Pridham Sidney Tarrow Leonardo Morlino Jos R Montero Gianfranco Pasquino and Philippe C Schmitter *The Cultural Dynamics of Democratization in Spain* Peter McDonough,Samuel H. Barnes,Antonio

Lopez-Pina,2018-09-05 Since the death of Franco in 1975 Spain has made a successful transition to democracy This book looks at what that transition has meant for the Spanish people Drawing on national surveys taken in 1978 1980 1984 and 1990 the authors explore three questions What is the basis of the new regime s political legitimacy How did Spanish democracy move from the conservative center right coalition that engineered the transition to the socialist government that consolidated it And why is political participation so low among Spaniards The answers to the first two questions highlight the ambiguity built into the political contrast with the Franco regime and a certain appreciation of the material accomplishments of authoritarianism the pivotal role of the king in opting for democracy while symbolically spanning traditional and modernizing forces and finally a movement from foundational issues to economic and social concerns In response to the third

question the authors illuminate the participatory shortfall in Spanish politics by comparing Spain with Brazil and Korea two post authoritarian societies where political involvement is much higher They consider long term structural factors as well as short term strategic actions that have contributed to low civic engagement Encyclopedia of Democratic Thought Paul Barry Clarke, Joe Foweraker, 2003-12-16 Containing almost 200 entries from accountability to the Westminster model the Encyclopedia of Democratic Thought explores all the ideas that matter to democracy past present and future It is destined to become the first port of call for all students teachers and researchers of political science interested in democratic ideas democratic practice and the quality of democratic governance The Encyclopedia provides extensive coverage of all the key concepts of democratic thought written by a stellar team of distinguished international contributors The Encyclopedia draws on every tradition of democratic thought as well as developing new thinking in order to provide full coverage of the key democratic concepts and engage with their practical implications for the conduct of democratic politics in the world today In this way it brings every kind of democratic thinking to bear on the challenges facing contemporary democracies and on the possibilities of the democratic future The Encyclopedia is global in scope and responds in detail to the democratic revolution of recent decades Referring both to the established democratic states of Western Europe North America and Australasia and to the recent democracies of Latin America Eastern and Central Europe Africa and Asia classical democratic concerns are related to new democracies and to important changes in the older democracies Supplemented by full bibliographical information extensive cross referencing and suggestions for further reading the Encyclopedia of Democratic Thought is a unique work of reference combining the expertise of many of the world s leading political scientists political sociologists and political philosophers It will be welcomed as an essential resource for both teaching and for independent study and as a solid starting point both for further research and wider exploration *Women's Participation In Mexican Political Life* Victoria Rodriguez, 2019-03-13 To date the mainstream literature on Mexican politics has said little about women even though their participation as formal political actors has increased dramatically in the past fifteen years Somewhat surprisingly the political participation of women although well documented in other Latin American countries has been neglected in the case

The Sublime South Jose Luis Venegas, 2018-07-15 The Sublime South Andalusia Orientalism and the Making of Modern Spain is the first systematic study on cultural images of Andalusia as Spain s Orient and the impact they have had on nation building and modernization since the late nineteenth century While a wealth of studies have examined how northern Europeans from the Romantic period viewed Spain and Andalusia as Europe s Orient little attention has been paid to how contemporary Spanish artists and intellectuals assimilated Romantic legacies to engage in an internal form of orientalism Jos Luis Venegas deftly explores Spain s shifting engagements with oriental identity and otherness by looking not just beyond national ethnic and racial borders but at a territory that is institutionally embedded in the nation state while symbolically placed between inclusion and abjection The Sublime South shifts the focus and scale of Edward Said s notion of orientalism

by examining how it evolves and manifests transnationally as the result of European colonialism in Africa and Asia and intra nationally in a European yet orientalized country Finally Venegas challenges ethnocentric notions of Iberian cultures and fosters an understanding of the encounters between Western and Muslim cultures beyond opposing and often mutually negating essentialisms *Theorizing Social Movements* Joe Foweraker,1995-03-20 Examines the historic links between the civil rights movements in Northern Ireland and the US Comparative Political Parties and Party Elites Birol A. Yeşilada,1999 Senior scholars consider how party elites influence electoral politics in several important countries

Democratization Jean Grugel,Matthew Louis Bishop,2013-12-04 The second edition of this popular and authoritative text provides a truly global assessment of democratization in theory and practice in the contemporary world It has been systematically revised and updated throughout to cover recent developments from the impact of 9 11 and EU enlargement to the war in Iraq **The Politics and Ethics of the Just Price** Peter Luetchford,Giovanni Orlando,2019-06-19 Comprising eight case studies from around the world this volume investigates the social political and ethical implications of markets through the specific lens of prices Drawing on the most recent scholarship in economic anthropology it represents the first systematic attempt to address ethnographically the ancient debate on the just price **South Africa in Transition** Aletta J. Norval,David Howarth,2016-07-27 South Africa in Transition utilises new theoretical perspectives to describe and explain central dimensions of the democratic transition in South Africa during the late 1980s and early 1990s covering changes in the politics of gender and education the political discourses of the ANC NP and the white right constructions of identity in South Africa s black townships and rural areas the role of political violence in the transition and accounts of the democratization process itself **Social Movements and the Spanish Transition** Tamar Groves,Nigel Townson,Inbal Ofer,Antonio Herrera,2017-08-20 This book explores the role of popular forms of social mobilization during Spain s process of transition to democracy It focuses on the nature of citizenship that was forged during the period of conflict and mobilisation that characterised Spain from the late 1950s until the late 1980s It offers a two pronged exploration of social movements at the time On the one hand it provides a detailed analysis of four very different cases of social mobilisation among Catholics residents farmers and teachers It discerns processes of organisation repertoires of action collective meaning and interactions with communities and local political actors On the other hand it reflects on how the fight over specific issues and the use of similar tactics generated shared interpretations of what it meant to be a citizen in a democracy

Participatory Budgeting in Global Perspective Brian Wampler,Stephanie McNulty,Michael Touchton,2021-07-15 Participatory Budgeting continues to spread across the globe as government officials and citizens adopt this innovative democratic program in the hopes of strengthening accountability civil society and well being Governments often adapt PB s basic program design to meet local needs thus creating wide variation in how PB programs function Some programs retain features of radical democracy others focus on community mobilization and yet other programs seek to promote participatory

development Participatory Budgeting in Global Perspective provides a theoretical and empirical explanation to account for widespread variation in PB s adoption adaptation and impacts This book develops six PB types to account for the wide variation in how PB programs function as well as the outcomes they produce To illustrate the similar patterns across the globe four empirical chapters present a rich set of case studies that illuminate the wide differences among these programs chapters are organized regionally with chapters on Latin America Asia Sub Saharan Africa Europe and North America By organizing the chapters regionally it becomes clear that there are temporal spatial economic and organizational factors that produce different programs across regions but similar programs within each region A key empirical finding is that the change in PB rules and design is now leading to significant differences in the outcomes these programs produce We find that some programs successfully promote accountability expand civil society and improve well being but too often researchers do not have any evidence tying PB to significant social or political change

The Enigmatic Realm of **Making Democracy In Spain Grass Roots Struggle In The South 1955 1975**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Making Democracy In Spain Grass Roots Struggle In The South 1955 1975** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Introduction

Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Offers a diverse range of free eBooks across various genres. Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Making Democracy In Spain Grass Roots Struggle In The South 1955 1975, especially related to Making Democracy In Spain Grass Roots Struggle In The South 1955 1975, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Making Democracy In Spain Grass Roots Struggle In The South 1955 1975, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 books or magazines might include. Look for these in online stores or libraries. Remember that while Making Democracy In Spain Grass Roots Struggle In The South 1955 1975, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and

downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 eBooks, including some popular titles.

FAQs About Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 is one of the best book in our library for free trial. We provide copy of Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Democracy In Spain Grass Roots Struggle In The South 1955 1975. Where to download Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 online for free? Are you looking for Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Democracy In Spain Grass Roots Struggle In The South 1955 1975. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider

finding to assist you try this. Several of Making Democracy In Spain Grass Roots Struggle In The South 1955 1975 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
