Child Protection and the Care Continuum Elizabeth Fernandez, Paul Delfabbro, 2020-11-25 This important new book critically examines the complex policy and practice issues surrounding child protection including the impact of theoretical orientations contemporary debates policy initiatives and research findings and maintains an emphasis on the ethics and values underpinning child welfare interventions The book introduces policies that are central to understanding the position and needs of children and young people and how policy and practice have been influenced by developments including the children's rights agenda It also explores the most significant issues in child welfare These include the experience of maltreatment by children the systems of child protection to safeguard them the methods and challenges of risk assessment and the wide range of policy and therapeutic interventions to respond to children's needs The book also examines family support to promote children's wellbeing before considering provision for children and young people who are looked after in out of home care There is also a final section that focuses on best practice in communicating and working with children and young people drawing on participatory rights oriented and resilience based approaches and supporting foster and adoptive carers and biological parents Contributing in a substantive and clear manner to a growing international conversation about the present function and future directions for child welfare in contemporary societies this textbook will be of interest to undergraduate and postgraduate social work students and those from allied disciplines and professionals who are engaged in child welfare services

Good Practice in Child Protection Christine Hobart, Jill Frankel, 1998 Good Practice in Child Care offers comprehensive guidance for all early years workers and students The text includes coverage of legal issues examines the roles of various child protection agencies and gives advice on how to work with parents

Effective Family Support Cheryl Burgess, Ruth McDonald, Sandra Sweeten, 2018-07-01 A practice focused guide that assists social workers and others to support families who need help with the task of parenting their children This support may be required because families are lacking informal networks of support or because of professional worries about the levels of care parents or other carers are providing for their children

The Child's World Janet Anne Basarab-Horwath, 2001-01-01 Written for professionals involved in the assessment of children in need this book is a

comprehensive guide to recent developments in research and practice It looks at the policy framework for assessment the actual process of assessment how to assess the developmental needs of children and how to assess their parents and family s capacity to meet those needs The contributors are experts from a range of fields and the guide which was developed by the NSPCC and is published in association with them is designed to facilitate productive joint agency work Key topics covered include ecological perspectives on the child and the family attachment theory and child development assessing families where the parents have a learning disability working with children and families from minority ethnic groups the effect of sexual abuse within the family on the assessment process assessment prior to birth Originally commissioned by the Department of Health and outlining the developments and theory underpinning their Framework for the Assessment of Children in Need and their Families this book will be essential reading for qualified and trainee social workers and those completing the Post Qualifying Award in Child Care It will also be an indispensable guide for psychologists teachers health visitors and any other professionals and qualifying professionals involved in the assessment of children in need

Child Protection Margaret Bell, 2018-12-17 First published in 1999 this book is based on an extensive research study of the experiences of eighty three families and the range of professionals involved in initial child protection conferences this book explores the opportunities and difficulties of working in partnership in child protection within the context of rights justice and empowerment The research identifies what families find helpful and unhelpful in the intervention as well as analysing the difficulties faced by practitioners In exploring the families experience the author provides a concrete base for a much needed clarification of the nature of and limitations on partnership practice within child protection Equally the analysis of professional perspectives on current procedures and the agency structures in place to support them provides insight into key intra and inter agency issues including training The Identification of the conflicts and ambiguities which are inherent in the particular system and with which the professional struggle is of particular interest to social work practitioners and their managers as well as to academics and other researchers in the field The book therefore contributes to the debate about what constitutes good practice in this complex field and while affirming some of the strengths of the existing system suggests some ways in which both the families and professionals who work with them can be better supported

Child Sexual Abuse Nigel Parton, Corrine Wattam, 1999-10-25 This important volume explores children s needs in the context of the policy practice legal and organisational responses to child sexual abuse The chapters written by distinguished experts in the field provide a critical appraisal of recent developments and key debates concerning how to respond to child sexual abuse The emphasis is on keeping the child central in responding to child sexual abuse particularly in the context of refocusing children s services The book is organised around a series of themes identified by survivors of sexual abuse from the National Commission into the Prevention of Child Abuse These themes include justice mediation advocacy confidentiality communication treatment healing surviving family support community perpetrators institutional abuse All of these areas

provide major challenges to professionals and health welfare and legal agencies. The authors provide practitioners with suggestions on how to meet children's needs whilst satisfying policy and procedures. This timely volume provides a child focused exploration of children's needs, tackles key sources of conflict in practice, makes recommendations to practitioners for practice and policy development. The book includes discussion on how far the legislative framework meets the criteria for child victims, survivors of sexual abuse and survival and healing strategies from the survivor as expert point of view. It also addresses issues concerned with interviewing children arising from the Memorandum of Good Practice Child Sexual Abuse. Responding to the Experiences of Children is an essential resource for social work practitioners, managers and trainers, health visitors, solicitors and lawyers involved in legal work with children, police officers, teachers and all those on related courses.

Social Work Terry Bamford, Keith Bilton, 2020-06-09. This collection charts the key developments in the social work field from 1970 to the present day and shows how by fully understanding social work's past we can make better progress for practitioners and service users in the future. It brings together a broad collection of experts from across social work who trace how thinking and approaches to practice have changed over time, examine key legislative developments in the field, look at the impacts of major inquiries and consider the re-emergence of certain specialisms. Providing students and practitioners of social work and social policy with a full picture of the evolution of social work, it also shares important insights for its future directions.

Understanding Disorganized Attachment David Shemmings, Yvonne Shemmings, 2011. Disorganized attachment, the most extreme form of insecure attachment, can develop in a child when the person who is meant to protect them becomes a source of danger. This book provides a comprehensive text on disorganized attachment.

The Impossible Imperative Jill Duerr Berrick, Erika Altobelli, 2018. The Impossible Imperative brings to life the daily efforts of child welfare professionals working on behalf of vulnerable children and families. Stories that highlight the work written by child welfare staff on the front lines speak to the competing principles that shape everyday decisions. The book shows that rather than being a simple task of protecting children, the field of child welfare is shaped by a series of competing ideas. The text features eight principles that undergird child protection practice, all of which are typically in conflict with others. These principles guide practice and direct the course of policymaking but when liberated from their aspirational context and placed in the real world, they are fraught with contradiction. The Impossible Imperative is designed to inspire a lively debate about the fundamental nature of child welfare and about the principles that serve as the foundation for the work. It can be used as a teaching tool for aspiring professionals and as motivation to those looking to social work to make a difference in the world.

Home Truths About Child Sexual Abuse Catherine Itzin, 2005-06-28. Home Truths About Child Sexual Abuse brings together the findings of research and clinical work by leading figures in the UK and USA. It makes visible the prevalence of sexual abuse and exploitation of children by normal, ordinary heterosexual family men, both within and outside the family. Comprehensive and multidisciplinary in approach, it covers the many different aspects of child sexual abuse, including

phenomenology definitions and terminology epidemiology explanatory frameworks concepts and theory the contribution of radical feminism constructs classifications and typologies policy treatments multi disciplinary and multi agency work medical advice gender issues criminal justice The book provides the evidence and knowledge base necessary to begin to achieve effective prevention It offers professionals researchers and policy makers an invaluable source of reference and an informed basis for action

Social Work and Social Problems Gerald Smale, Graham Tuson, Daphne Statham, 2000-02-18 This book describes how social work teams can respond to social problems in a way that both deals with immediate need and helps build community capacity The authors recognise the need to respond appropriately to crisis where vulnerable children and adults are at risk but argue that an inappropriate response can compound and perpetuate people's problems They suggest that social care organisations need to go beyond operating as aid agencies focusing on the needs of individuals and should increase their development capacity by working with other agencies and citizens to make communities more supportive and inclusive for vulnerable and excluded people

Women and Social Work Jalna Hanmer, Daphne Statham, 1999-11-11 In this second edition of a classic text the changes in the lives of women using social services and women working in them are sensitively charted with the aim of reflecting on how non sexist women centred practice can be nurtured and developed Retaining its original emphasis on attitudes values and the social welfare context the text explores the core areas of poverty work including providing support for children and adults violence and familial relationships but with a stronger emphasis on the important diversities created by age disability and employment as well as by race class and sexuality

Family Law, 1996 *Law for Social Workers* Hugh Brayne, Gerry Martin, 1997 Law for Social Workers provides students with exactly what they need in order to understand the legal framework in which social workers act It provides clear information on key issues in social work law such as the social worker's duties to society and the client law and the legal system with detailed help on the issues of discrimination human rights and immigration status plus the workings of the courts working with children including in the civil and criminal courts working with adults and legal issues relating to violence family breakdown and housing

BOOK JACKET **Introduction to Intersectional Qualitative Research** Jennifer Esposito, Venus Evans-Winters, 2021-04-21 Recipient of a 2022 Most Promising New Textbook Award from the Textbook Academic Authors Association TAA Introduction to Intersectional Qualitative Research by Jennifer Esposito and Venus Evans Winters introduces students and new researchers to the basic aspects of qualitative research including research design data collection and analysis in a way that allows intersectional concerns to be infused throughout the research process Esposito and Evans Winters infuse their combined forty years of experience conducting and teaching intersectional qualitative research in this landmark book the first of its kind to address intersectionality and qualitative research jointly for audiences new to both The book's premise is that race and gender matter and that racism and sexism are institutionalized in all aspects of life including research Each chapter opens with a vignette about a struggling researcher emphasizing that reflecting on your mistakes is

an important part of learning Discussion questions at the end of each chapter help instructors generate dialogue in class or in groups Introduction to Intersectional Qualitative Research makes those identities and structures central to the task of qualitative study
