Waisserová, 2023-12-15 To survive Totalitarianism and retain their humanity Czech women writers went underground to write paint sculpt and create supportive communities This book explores fiction poetry and life sustaining activities of Eva Kramářová Mother of Czech Surrealism and Eda Kravěková journalist fiction writer essayist and activist who served in President Václav Havel's first Cabinet among other Czech women who wrote and engaged in dissent during the years when Czechoslovakia ached under Soviet rule *Women's Artistic Dissent Repelling Totalitarianism in pre 1989 Czechoslovakia* highlights and unearths the work of women that is often undervalued and unacknowledged Flanagan and Waisserová carefully detail the variety of ways in which women resisted through literature and ecological activities shedding new light on the ways in which individuals and communities can retain their humanity even as they resist and repel dictatorial regimes in their countries *Revolution with a Human Face* James Krapfl, 2013-10-15 In this social and cultural history of

Czechoslovakia's gentle revolution James Krapfl shifts the focus away from elites to ordinary citizens who endeavored from the outbreak of revolution in 1989 to the demise of the Czechoslovak federation in 1992 to establish a new democratic political culture Unique in its balanced coverage of developments in both Czech and Slovak lands including the Hungarian minority of southern Slovakia this book looks beyond Prague and Bratislava to collective action in small towns provincial factories and collective farms Through his broad and deep analysis of workers' declarations student bulletins newspapers film footage and the proceedings of local administrative bodies Krapfl contends that Czechoslovaks rejected Communism not because it was socialist but because it was arbitrarily bureaucratic and inhumane The restoration of a basic humanness in politics and in daily relations among citizens was the central goal of the revolution In the strikes and demonstrations that began in the last weeks of 1989 Krapfl argues citizens forged new symbols and a new symbolic system to reflect the humane democratic and nonviolent community they sought to create Tracing the course of the revolution from early idealistic euphoria through turns to radicalism and ultimately subversive reaction *Revolution with a Human Face* finds in Czechoslovakia's experiences lessons of both inspiration and caution for people in other countries striving to democratize their governments

Where Did the Revolution Go? Donatella della Porta, 2016-11-28 Where Did the Revolution Go considers the apparent disappearance of the large social movements that have contributed to democratization Revived by recent events of the Arab Spring this question is once again paramount Is the disappearance real given the focus of mass media and scholarship on electoral processes and normal politics Does it always happen or only under certain circumstances Are those who struggled for change destined to be disappointed by the slow pace of transformation Which mechanisms are activated and deactivated during the rise and fall of democratization This volume addresses these questions through empirical analysis based on quantitative and qualitative methods including oral history of cases in two waves of democratization Central Eastern European cases in 1989 as well as cases in the Middle East and Mediterranean region in 2011

Havel David Gilbreath Barton, 2021-10-05 This is the story of a man who tried to resurrect the spirit of democratic life He was born into a time of chaos and absurdity and he took it as his fate to carry a candle into the night This is his story and the story of many others the writers artists actors and philosophers who took it upon themselves to remember a tradition that had failed so miserably it had almost been forgotten V clav Havel 1936 2011 the famous Czech dissident intellectual and playwright was there when a half million people came to Wenceslas Square to demand an end to Communism in 1989 Many came to hear him call for a free Czechoslovakia for democratic elections and a return to Europe The demonstrators roared when he spoke Havel to the castle they chanted meaning Havel for president And a few weeks later Havel became a most unusual president He was sometimes misunderstood and not always popular but by the time of his death in 2011 the world recognized Havel as one of the most prominent figures of the twentieth century Born into one of the most prominent and wealthy families in Prague Havel was the constant subject of attention and an artistic eccentric in a family of businessmen A young Havel and his family were cast by the Communist takeover as class enemies Havel traveled a dark road that ironically provided the experiences he needed to reconnect not only to his own ground of being but to the traditions of civic society This biography is the story of Havel s inward journey in his underground years and thus the story of how Havel the outsider became the ultimate insider as president of the nation In this intimate and sweeping portrayal of Havel David Barton reveals the eccentricities of the last president of Czechoslovakia and the first president of the Czech Republic
