who in New York City and State Lewis Randolph Hamersly,John W. Leonard,William Frederick Mohr,Herman Warren
Knox, Frank R. Holmes, Winfield Scott Downs,1907 Containing authentic biographies of New Yorkers who are leaders and
representatives in various departments of worthy human achievement including sketches of every army and navy officer born
in or appointed from New York and now serving of all the congressmen from the state all state senators and judges and all
ambassadors ministers and consuls appointed from New York *Ancestral Images* Stephanie Moser,2018-09-05 Pictorial
reconstructions of ancient human ancestors have twin purposes to make sense of shared ancestry and to bring prehistory to
life Stephanie Moser analyzes the close relationship between representations of the past and theories about human evolution
showing how this relationship existed even before a scientific understanding of human origins developed How did
mythological religious and historically inspired visions of the past in existence for centuries shape this understanding Moser
treats images as primary documents and her book is lavishly illustrated with engravings paintings photographs and
reconstructions In surveying the iconography of prehistory Moser explores visions of human creation from their origins in
classical early Christian and medieval periods through traditions of representation initiated in the Renaissance She looks
closely at the first scientific reconstructions of the nineteenth century which dramatized and made comprehensible the
Darwinian theory of human descent from apes She considers as well the impact of reconstructions on popular literature in
Europe and North America showing that early visualizations of prehistory retained a firm hold on the imagination a hold that
archaeologists and anthropologists have found difficult to shake Catalogue of the Public Documents of the [the
Fifty-third] Congress [to the 76th Congress] and of All Departments of the Government of the United States United States.
