Wetherall,2010-11 Introducing Bernie Trumble renegade Born in a world ruled by women where women direct commerce make the laws create the art and dictate fashion while frustrated males stay home to wash socks and wipe runny noses The Making of Bernie Trumble pits one man against the system Bernie is an outcast because he thinks unlike most people in his world that males and females should have equal opportunity for growth and fulfillment Bernie risks everything family friends job and self esteem in a stubborn attempt to find happiness by closing the gender gap Maybe a transgender operation is the answer Or maybe not Bernie s odyssey takes him to extremes plunging him into one adventure after another Like Dorothy in the Land of Oz he meets a lot of interesting people along the way and some of them aren t so nice But through it all this humorous fantasy pokes fun at the real world and gives a surprising look at gender in society where the roles of men and women are not only unequal but totally reversed The result is at times sad and maddening as the reality of gender inequality is exposed in all its nasty detail but the tongue in cheek flair helps ease the pain with every guilty chuckle Publishers Directory Linda S.
