Making Of Great Photographs:

The Making of Great Photographs Eamonn McCabe, 2005 *The Making of Great Photographs* contains a collection of images by some of the most important photographers in history Eamonn McCabe discusses the techniques and approaches employed by the master in each image and how photographers can achieve similar effects using modern equipment **The Making of Great Photographs** Eamonn McCabe, 2005 [Make Great Photos](#) Alan Hess, 2018-10-10 Learning the basics of photography can seem like a daunting task At first glance there is a whole new world of terminology to digest and tons of numbers to master It can be confusing frustrating and overwhelming It s no wonder many people set their cameras to Auto and hope for the best in whatever situation they re shooting whether that s a child s soccer game a birthday party or a vacation Unless luck strikes the resulting images are usually not very good But it doesn t have to be this way Enter *Make Great Photos A Friendly Guide for Improving Your Photographs* In this book photographer and author Alan Hess teaches you the basics of photography by breaking down the topic into its fundamental parts In the first section of the book Alan explains what makes a great photo in the first place examining a selection of images and working through why each one is successful He then dives into chapters that cover the photographic choices every photographer needs to make These choices boil down to just three main topics light focus and composition In the second part of *Make Great Photos* Alan addresses specific shooting situations categorized into travel sports and action events and people discussing the challenges that each scenario poses and how to conquer them Finally you ll learn the top five basic edits you need to know to make your images pop when you share them online At the end of chapters there are thoughtful exercises and assignments that push you to learn and grow in your photography These fun activities help you fully absorb the lessons throughout the book so you can head out with your camera and capture great images
