## **Making Of Israel The:**

**The Making of Israel's Army** Yigal Allon, 2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880s when Jewish communities in Palestine formed their first small self defence groups through the Haganah's clandestine period in the 1920s and 30s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government's military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel's military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel's War of Independence Middle East Journal The development of Israel's armed forces and military doctrine in the context of that country's unique strategic needs Especially interesting are the criticisms of some of the Israeli government's decisions taken just before and during the Six Day War Foreign Affairs An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book's descriptions of individual actions by participants in the first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs

**Making Israel** Benny Morris, 2010-04-23 Benny Morris is the founding father of the New Historians a group of Israeli scholars who have challenged long established perceptions about the origins of the Israeli Palestinian conflict Their research rigorously documented crimes and atrocities committed by the Israeli armed forces including rape torture and ethnic cleansing With Making Israel Morris brings together the first collection of translated articles on the New History by leading Zionist and revisionist Israeli historians providing Americans with a firsthand view of this important debate and enabling a better understanding of how the New Historians have influenced Israelis awareness of their own past The study of Israeli history society politics and economics over the past two decades has been marked by a fierce and sometimes highly personal

debate between traditionalists scholars who generally interpreted Israeli history and society within the Zionist ethos and revisionists scholars who challenged conventional Zionist narratives of Israeli history and society Making Israel brings together traditionalists and revisionists who openly and directly lay out their key insights about Israel s origins It also introduces multidisciplinary perspectives on Israel by historians and sociologists each bringing into the debate its own jargon its own epistemology and methodology and its own array of substantive issues This is essential reading for anybody who wants to understand the different interpretations of Israeli society and perhaps the central debate among students of modern Israel Zeev Maoz Professor of Political Science at the University of California Davis and Distinguished Fellow at the Interdisciplinary Center Herzliya Israel s new historians have done a great service to their country and to all who care about the Arab Israeli conflict By challenging myths reexamining evidence and asking truly important questions about the past they help to confront the present with honesty and realism This book provides a sampling of the best of what these courageous voices have to offer William B Quandt University of Virginia Benny Morris is Professor of Middle East history at Ben Gurion University in Beersheba Israel and is the author of Righteous Victims A History of the Zionist Arab Conflict 1881 1999

**The Making of Israel** C.L. Crouch,2014-06-10 In The Making of Israel C L Crouch presents the southern Levant during the seventh century BCE as a major period for the formation of Israelite ethnic identity challenging scholarship which dates biblical texts with identity concerns to the exilic and post exilic periods as well as scholarship which limits pre exilic identity concerns to Josianic nationalism The argument analyses the archaeological material from the southern Levant during Iron Age II then draws on anthropological research to argue for an ethnic response to the economic political and cultural change of this period The volume concludes with an investigation into identity issues in Deuteronomy highlighting centralisation and exclusive Yahwism as part of the deuteronomic formulation of Israelite ethnic identity **The Making of Modern Israel**

Leslie Stein,2013-05-20 On May 14 1948 the State of Israel was declared announced by David Ben Gurion at a small gathering that assembled in the main hall of the Tel Aviv Art Museum Within a time frame of only nineteen years culminating in the Six Day War Israel fought three separate wars But within its first four years thanks to mass immigration its population doubled Furthermore Israel had been confronted with acute economic difficulties intra Jewish ethnic tensions a problematic Arab minority and a secular religious divide Apart from defence issues Israel faced a generally hostile or at best indifferent international community rendering it hard pressed in securing great power patronage or even official sympathy and understanding Based on a wide range of sources both in Hebrew and English this book contains a judicious synthesis of the received literature to yield the general reader and student alike a reliable balanced and novel account of Israel s fateful and turbulent infancy *The Making of Eretz Israel in the Modern Era* Yehoshua Ben-Arieh,2020-03-09 Napoleon s invasion of the Middle East marks the beginning of the modern era in the region This book traces the developments that led to the making of a new and separate geographical political entity in the Middle East known as Eretz Israel and the establishment of

the State of Israel within its bounds Thus its time frame runs from Napoleon s invasion of Eretz Israel Palestine in 1799 to the establishment of Israel in 1948 1949 Eretz Israel as the formal name of a separate entity in the modern era first appeared in the early translations into Hebrew of the Balfour Declaration while in the original document the country was referred to as Palestine During the period of Ottoman rule the territory that would in time be called Eretz Israel Palestine was not a separate political unit Among Jews use of Eretz Israel increased only after the beginning of Zionist aliyot Had the Zionist movement not arisen it is doubtful whether the development to which this study is devoted would have occurred The motivating force behind that process is without doubt the Zionist element That is why Jews are the major protagonists in this book

*Krav Maga and the Making of Modern Israel* Andrea Molle,2022-03-04 This book examines the profound interplay of martial arts combative and self defense disciplines with nationalism and ethno religious politics through the analysis of Zionism the birth of the State of Israel antisemitism and the life of the contemporary Jewish Diaspora in the United States It connects martial arts studies and political science spearheading the new field of political hopology Focusing on the complex formative process of national communities their growth resilience and consequences for the individuals *Krav Maga and the Making of Modern Israel* presents the unique case of *Krav Maga* literally hand to hand combat a self defense system developed between the late nineteenth and early twentieth centuries which is now considered a staple of Israeli culture and a prime self defense practice Through its chapters the book provides strong evidence supporting the idea that physical violence is indeed needed as a unifying experience to allow national communities to emerge and thrive Furthermore it examines the growing importance of violence for modern democratic societies and suggests the existence of a gladiatorial effect or the need for a certain level of violence to exist to maintain a harmonious stable and cooperative society **Israel**

**in the Making** Hagar Salamon,2017-03-27 The brilliant kaleidoscope of everyday creativity in Israel is thrown into relief in this study which teases out the abiding national tensions and contradictions at work in the expressive acts of ordinary people Hagar Salamon examines creativity in Israel s public sphere through the lively discourse of bumper stickers which have become a potent medium for identity and commentary on national and religious issues Exploring the more private expressive sphere of women s embroidery she profiles a group of Jerusalem women who meet regularly and create folk embroidery Salamon also considers the significance of folk expressions at the intersections of the public and private that rework change and embrace transformation Far ranging and insightful *Israel in the Making* captures the complex creative essence of a nation state and vividly demonstrates how its citizens go about defining themselves others and their country every day

**Judah's Desire and the Making of the Abrahamic Israel** Hong Guk-Pyoung,2024-07-01 In this refreshing exploration of Judah s identity formation the emphasis is placed on the psychological underpinnings of Judah s sentiments towards Israel aiming to illuminate the significance of Judah s appropriation of Israel Richly contextual this book draws parallels observed in Asian contexts notably those of North and South Korea and China with its marginal Others Central to the thesis is that Judah

s perceived inferiority to Israel played a crucial role in its quest to appropriate Israel's legacy and identity Adopting a functionalist lens Judah's rewriting of Israel's ancestral past is examined The Abraham and Jacob traditions are understood as competing identity narratives serving as critical discursive tools to construct their pasts The study scrutinizes how the southern Abraham tradition fundamentally reoriented the Jacob tradition North Israel's standalone ancestral myth Set against the broader canvas of continued efforts to redefine and embody Israel within the history of Judeo-Christian religions this exploration underscores how Judah's pivotal appropriation of Israel has established a paradigm for all future endeavors of becoming Israel

The Creation of History in Ancient Israel Marc Zvi Brettler, 2002-11 Argues that the biblical historians were influenced by typology interpretation of earlier texts satire and ideology shows how with this model we can put together a history of ancient Israel using the Hebrew Bible as a key source

**The Israel-Palestine Conflict** Neil Caplan, 2011-09-19 The Israel Palestine Conflict Contested Histories provides non-specialist readers with an introduction and historical overview of the issues that have characterized and defined 130 years of the still unresolved Israeli-Palestinian conflict Provides a fresh attempt to break away from polemical approaches that have undermined academic discussion and political debates Focuses on a series of core arguments that the author considers essentially unwinnable Introduces readers to the major historiographical debates sparked by the dispute Encourages readers to consider more useful ways of explaining and understanding the conflict and to go beyond trying to prove who is right and wrong This volume suggests a fresh and original interpretation to the history of the Arab-Israeli conflict Caplan juggles skillfully and even handedly between the two narratives reflecting the parties' own views without embracing the cause of any party Joseph Nevo University of Haifa An impressive and very valuable work One could not ask for a better short history of the conflict Caplan offers readers a study that is extremely well informed resolutely fair-minded and filled with thoughtful insights Mark Tessler University of Michigan

*Making the World Safe for Tourism* Patricia Goldstone, 2001-01-01 A study of the social and political impacts of tourism It explores how and why tourism aligned itself with political power how it became embedded within non-tourist institutions like the World Bank and how since World War II it has become an instrument of international development policy

*Israel: the First Hundred Years* Efraim Karsh, 2013-11-26 The end of the British mandate in Palestine heralded the birth of the new state of Israel It also marked the end of one of the most tumultuous and momentous chapters in Israeli history But the new state born into a hostile environment and struggling with the manifold demands of sovereignty would have to face many post-Independence challenges to its existence not least in the form of armed conflict and confrontation with its Arab neighbours This volume examines the conflicts that from the 1948 until the 1967 Six Day War came to define the Israeli struggle for existence

**Public Policy in Israel** Dani Korn, 2005-01-01 In a nation that lacks consensus on the very nature of the state and where policy making is heavily controlled by partisan politics improved policy implementation capabilities are crucial for the very survival of Israeli society Public Policy in Israel presents a framework for understanding this country's fractured

decision making process and a blueprint for the radical reform of its policy making system      **“The” Conciliator of R. Manasseh Ben Israel: The Pentateuch** Manasseh ben Israel, Menashe ben Yisrael, Elias Hiam Lindo, 1842      **The Conciliator of R. Manasseh Ben Israel: The prophets and hagiography** Manasseh ben Israel, Elias Hiam Lindo, 1842

Making Australian Foreign Policy on Israel-Palestine Eulalia Han, Halim Rane, 2013-02-01 Based on extensive research of Australian media coverage public opinion interest groups as well as in depth interviews with current and former diplomats and politicians this book provides a unique insight into the policy making process in regards to one of the world s most enduring and volatile dilemmas Making Australian Foreign Policy on Israel Palestine is a must read for anyone concerned about how social forces influence policy making and the impact this has on Australia s response to world affairs Islamic Studies Series Volume 13      **The Birth of Israel** Simha Flapan, 1987      **Policy Making in Israel** Ira Sharkansky, 2010-11-23 All governments face problems and are judged by their ability to solve them and the policies they develop in doing so Compared with other Western democracies Israel has faced a devastating number of problems of unusual severity in a relatively short time war terrorism heavy immigration unsettled boundaries economic stresses internal disputes about ethnicity and religion and the lingering scars of the Holocaust and other persecutions Sharkansky s analysis of the Israeli government s routines and methods for coping with such an array of difficulties from simple to complex to intractable offers general insights into how governments make policy in a democracy      Ben-Gurion and the Birth of Israel Joan Comay, 1967 A biography of the first Prime Minister of Israel who s life and activities parallel the establishment and history of Israel      *The Treatment of Israel by the United Nations* Benjamin A. Gilman, 2000-12 Witnesses include C David Welch Assistant Secretary Bureau of International Organization Affairs U S Dept of State Martin Indyk Assistant Secretary Bureau of Near Eastern Affairs U S Dept of State Morris Abram Chairman U N Watch John Bolton Senior Vice P resident American Enterprise Institute Ronald Lauder Chairman Conference of Presidents of Major American Jewish Organizations CPMAJO accompanied by Malcolm Hoenlein Vice Chairman CPMAJO Harris Schoenberg Director of U N Affairs B nai B rith International and Bruce Ramer President American Jewish Committee

## **Making Of Israel The** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Making Of Israel The**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

## Making Of Israel The Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Making Of Israel The free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Making Of Israel The free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Making Of Israel The free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Making Of Israel The. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Making Of Israel The any PDF files. With these platforms, the world of PDF downloads is just a click away.
