**Conflict and Agreement in the Church, Volume 2** Jean Rilliet,2024-01-25 T F Torrance s Conflict and Agreement in the Church gathers together his most influential essays and articles on topics relating to ecumenism Himself involved heavily in the ecumenical movement he wrote that ours must be the task of learning together again how to confess like the early Church faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth and therefore in the overflowing love of God Out of this conviction grew a comprehensive doctrine of the Church in which our differences are lost sight of because they are

destroyed from behind by a masterful faith in the Saviour of men In the first volume Torrance presents a set of essays engaging theologically with different denominations along with responses to particular problems facing the ecumenical project In particular writing after the third world conference on faith and order he addresses the hopes and barriers it raised to closer ecumenical relations Throughout Torrance s acute awareness of contrasting theological principles establishes a firm basis for further progress without obscuring the doctrinal and ecclesiological differences that remain In the second volume Torrance s thought on inter denominational cooperation in light of the Church s mission is presented He begins by suggesting that the lines of conflict and agreement in the Church coincide less and less with the frontiers of the historic communions This opens the door for greater union between those communion but also exposes significant challenges to unity within them Addressing the major debates on the sacraments of baptism and the Eucharist along with the priesthood and biblical exegesis Torrance proposes a constructive way forward sealed by reconciliation in the Body and Blood of Christ

**Who Am I and Why Am I Here** Bill Hamon,2011-07-28 DISCOVERING EIGHT REASONS WHY GOD CREATED THE HUMAN RACE Would you like to know more about your beginning your real purpose for being and your destiny How did you and the world around you begin How did we become as we are today Join me on an exciting journey before time began and behold the beginning of all things Watch your history present purpose and future unfold with new elation that will thrill and fulfill the greatest longings of your soul You will gain new insight on some of the most perplexing questions of life If God is Love why does He allow suffering evil war and death Out of the billions of people on earth is there a special purpose and place for me Can my life be meaningful fulfilling and even eternal Why was I created with the freedom to choose good or evil Why is Jesus Christ declared to be the Son of God and my only door to Heaven Dr Bill Hamon has written many powerful books but this one will especially open your heart to ideas you may never have considered **Biblical Women and Who They Hooked Up With** Susan McGeown,2008-02-01 Fact Every relationship in your life past present and future is directly related to the state of your heart Let s take some time to examine the state of your heart do a little thoughtful introspection examine the quality of your heart realign your priorities begin to fix what s broken strengthen what s weak find what s lost and make God smile a bit Let me introduce you to Eve and The Only Guy On The Planet A Heart of Perfection Sarah and The Guy She Was With For One Hundred Years A Heart Of Patience Leah and Her Sister s Husband A Heart Of Self Confidence Tamar and The Guy She Picked Up on The Side of The Road A Heart Of Strength Rahab and The Guy Who Got It For Free A Heart Of Belief Bathsheba and The Guy Who Didn t Give Her Much Choice A Heart Of Trust Mary and the Perfect One A Heart Of Obedience Realize what is at the heart of the matter A Heart Committed To God *Abolishing Death* Irene Masing-Delic,1992-11-01 The idea of abolishing death was one of the most influential myth making concepts expressed in Russian literature from 1900 to 1930 especially in the works of writers who attributed a life modeling function to art To them art was to create a life so aesthetically organized and perfect that immortality would be an inevitable consequence This idea

was mirrored in the thought of some who believed that the political revolution of 1917 would bring about a revolution in basic existential facts specifically the belief that communism and the accompanying advance of science would ultimately be able to bestow physical immortality and to resurrect the dead According to one variant for example the dead were to be resurrected by extrapolation from the traces of their labor left in the material world The author finds the seeds of this extraordinary concept in the erosion of traditional religion in late nineteenth century Russia Influenced by the new power of scientific inquiry humankind appropriated various divine attributes one after the other including omnipotence and omniscience but eventually even aiming toward the realization of individual physical immortality and thus aspiring to equality with God Writers as different as the decadent Fyodor Sologub the political Maxim Gorky and the gothic Nikolai Ognyov created works for making mortals into gods transforming the raw materials of current reality into legend The book first outlines the ideological context of the immortalization project notably the impact of the philosophers Fyodorov and Solovyov The remainder of the book consists of close readings of texts by Sologub Gorky Blok Ognyov and Zabolotsky Taken together the works yield the salvation program that tells people how to abolish death and live forever in an eternal self created cosmos gods of a legend that was made possible by creative artists imaginative scientists and inspired laborers **Intergalactic**
