Erickson, 1999 Erickson's articles and essays have been published in Texas Highways Livestock Weekly The Dallas Morning News The Dallas Times Herald and American Cowboy This collection is arranged by Place From Buffalo to Cattle The Cowboy Cowboy Tools Ranch and Rodeo Animals and This and That Many of the pieces are anecdotal based on Erickson's experiences and observations on ranches Others required some research and are more historical Some are essays in which Erickson views contemporary life through the lens of cowboying But all of them are vintage master storyteller John Erickson told with humor and thoughtfulness **Cool Careers Without College for Nature Lovers** Katie Haegele, 2009-01-15 Profiles the characteristics of and qualifications needed for twelve jobs that involve working with nature **New Mexico** Melissa McDaniel, Ettagale Blauer, 2008 Chronicles the history geography government economy people and landmarks of the state of New Mexico **Three Roads to Magdalena** David Wallace Adams, 2016-06-03 Someday Candelaria Garcia said to the author you will get all the stories It was a tall order in Magdalena New Mexico a once booming frontier town where Navajo Anglo and Hispanic people have lived in shifting sometimes separate sometimes overlapping worlds for well over a hundred years But these were the stories and this was the world that David Wallace Adams set out to map in a work that would capture the intimate complex history of growing up in a Southwest borderland At the intersection of memory myth and history his book asks what it was like to be a child in a land of ethnic and cultural boundaries The answer as close to all the stories as one might hope to get captures the diverse ever changing experience of a Southwest community defined by cultural borders and the nature and role of children in defending and crossing those borders In this book we listen to the voices of elders who knew Magdalena nearly a century ago and the voices of a younger generation who negotiated the community's shifting boundaries Their stories take us to sheep and cattle ranches Navajo ceremonies Hispanic fiestas mining camps First Communion classes ranch house dances Indian boarding school drill fields high school social activities and

children's rodeos Here we learn how class religion language and race influenced the creation of distinct identities and ethnic boundaries but also provided opportunities for cross cultural interactions and intimacies And we see the critical importance of education in both reinforcing differences and opening a shared space for those differences to be experienced and bridged In this Adams's work offers a close up view of the transformation of one multicultural community but also of the transformation of childhood itself over the course of the twentieth century A unique blend of oral social and childhood history Three Roads to Magdalena is a rare living document of conflict and accommodation across ethnic boundaries in our ever evolving multicultural society Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University New Mexico Magazine ,2009 **Santa Fe** Elizabeth West,2012 This question and answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago Not a traditional history book this group of questions is presented in an apparently random order and the answers occasionally meander off topic as if part of a casual conversation **A Taste of Cowboy** Kent Rollins,Shannon Rollins,2015 Whether he's beating Bobby Flay at chicken fried steak on the Food Network catering for a barbecue bar mitzvah or wedding or cooking for cowboys in the middle of nowhere Kent Rollins makes comfort food that satisfies A cowboy's day starts early and ends late Kent offers labor saving breakfasts like Egg Bowls with Smoked Cream Sauce For lunch or dinner there's 20 minute Green Pepper Frito Pie hands off four ingredient Sweet Heat Chopped Barbecue Sandwiches or mild and smoky Roasted Bean Stuffed Poblano Peppers He even parts with his recipe for Bread Pudding with Whisky Cream Sauce The secret to its lightness Hamburger buns Kent gets creative with ingredients on everyone's shelves using lime soda to caramelize Sparkling Taters and balsamic vinegar to coax the sweetness out of Strawberry Pie *All's Fair with Love and Cowboys* Kristine Lynn,2024-04-02 Hard work can't buy love Bennett Marshall used the heartbreak over losing his first love to catapult his family's ranching operation into Texas fame Fifteen years later the only property left to claim in his valley is the canyon owned by the same woman who broke his heart all those years ago Then she rides back into town and taking over her ranch takes a back seat Claiming her heart is so much more appealing Maggie Newman's late father left her the ranch he kicked her off of when she graduated high school He wanted more for her and she made good on that demand She's the owner of one of the premier ranching equipment companies in Texas which means she doesn't have time to fix the mess he left behind What's more the love from her past is standing on her front porch upending everything she thought she wanted out of life Hearts are on the line this go round will Maggie and Bennett discover their passion and drive are the perfect match before they sign away their happiness **The Cowboy Rescues a Bride** Cora Seton,2014-05-04 Ned Matheson knows Fila Sahar has been to hell and back after being held captive by the Taliban for over a decade She's lost her parents her home and ten years of her life Now she's safely back on American soil but her fears have her so hemmed in she might as well be a prisoner again Ned knows he can't date her let alone marry her until she's regained her courage He's

Cow Boys and Cattle Men Jacqueline M. Moore,2010 Cowboys are an American legend but despite ubiquity in history and popular culture misperceptions abound Technically a cowboy worked with cattle as a ranch hand while his boss the cattleman owned the ranch Jacqueline M Moore casts aside romantic and one dimensional images of cowboys by analyzing the class gender and labor histories of ranching in Texas during the second half of the nineteenth century As working class men cowboys showed their masculinity through their skills at work as well as public displays in town But what cowboys thought was manly behavior did not always match those ideas of the business minded cattlemen who largely absorbed middle class masculine ideals of restraint Real men by these standards had self mastery over their impulses and didn't fight drink gamble or consort with unsavory women Moore explores how in contrast to the mythic image from the late 1870s on as the Texas frontier became more settled and the open range disappeared the real cowboys faced increasing demands from the people around them to rein in the very traits that Americans considered the most masculine Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University Texas Cowboy's Family Barb Han,2019-08-05 Rancher Eli Quinn keeps his focus clear his two children and the family ranch He doesn't want to be drawn to the newcomer in town who shows up with a newborn and a dangerous secret Emery Young will do what it takes to protect
