*Terror and Everyday Life* Jonathan Lake Crane, 1994-09-19 He persuasively demonstrates that horror films are not merely a manifestation of the solitary unconscious I or cultural abjection This well crafted insightful and devilishly witty study brings horror out from under the psychoanalytic rock to let it scurry and bleed in the daylight of everyday life The detailed endnotes are scintillating gems in and of themselves Choice *Terror and Everyday Life* is an important well conceived and well executed work Crane s treatment of the topic is unusual he clearly positions himself as a fan of the contemporary horror film Consequently there are moments that seem to revel in the disgusting details of murder and mayhem However this approach is appropriate as Crane makes perfectly clear this is what the genre is about so to ignore it would be to misrepresent its effects and for horror fans its pleasures This is a complex scholarly work exceptionally original Charles R Acland Communication Department The University of Calgary Alberta Canada How does horror in film relate to the horror we experience in everyday life This is one of the key questions addressed in this new examination of the horror film genre *Terror and Everyday Life* argues that today s horror films have broken away from the genre s tradition to embrace far more violent imagery images that are in keeping with the escalating violence in our society By examining the horror film its history and its current trends Jonathan Lake Crane furthers our understanding of the genre s meaning in today s culture and our fascination with violence An important supplement for courses in popular culture media studies and film *Terror and Everyday Life* s unique approach on the nature of horror in our society will also be of interest in a wide range of disciplines

*Picture-Book Professors* Melissa Terras, 2018-10-31 How is academia portrayed in children s literature This Element ambitiously surveys fictional professors in texts marketed towards children who are overwhelmingly white and male tending to be elderly scientists Professors fall into three stereotypes the vehicle to explain scientific facts the baffled genius and the evil madman By the late twentieth century the stereotype of the male mad muddlehead called Professor SomethingDumb is

formed in humorous yet pejorative fashion This Element provides a publishing history of the role of academics in children's literature questioning the book culture which promotes the enforcement of stereotypes regarding intellectual expertise in children's media This title is also available with additional material as Open Access
