The landscape of comedy has undergone a seismic shift in recent years with an increasing number of female comedians breaking through to mainstream audiences Women are claiming high profile roles as late night hosts sketch comedians television producers and standup stars As they disrupt industry norms and transgress cultural boundaries they have also become lightning rods for controversy eliciting flares of anger amazement revulsion or hope Caught in the Crosshairs delves not only into the work of feminist icons like Samantha Bee Amy Schumer Leslie Jones Michelle Wolf and Hannah Gadsby but also into the discourse surrounding their comedy Author Amber Day argues that these debates transcend mere entertainment they are cultural battlegrounds for larger philosophical and political conflicts interrogating ideals of gender race power and public space We see conflicts over what should be considered scandalous or beyond the pale who should be in the intended audience what is

appropriate behavior for which performing bodies and what the boundaries of comedy ultimately are Caught in the Crosshairs is an examination of how feminist comedy reflects the tensions of our times disrupting established narratives and challenging traditional power structures

Troll Nation Amanda Marcotte, 2018-04-24 Amanda Marcotte drains the swamp and reveals a Republican Party hijacked by grifters and frauds David Daley The election of Donald Trump in 2016 like most of his campaign came as a shock to many Americans How could a man so lacking in capacity so void of any intellectual heft become the president of the United States How did Trump a man with no detectable personal qualities outside of resentment and the will to dominate appeal to millions of Americans and win the highest office in the land The American right has spent decades turning away from reasoned discourse toward a rhetoric of pure resentment it s this shift that laid the groundwork for Trump s ascendancy In *Troll Nation* journalist Amanda Marcotte outlines how Trump was the inevitable result of American conservatism s degradation into an ideology of blind resentment For years now the purpose of right wing media particularly Fox News has not been to argue for traditional conservative ideals such as small government or even family values so much as to stoke bitterness and paranoia in its audience Traditionalist white people have lost control over the culture and they know it and the only option they feel they have left is to rage at a broad swath of supposed enemies journalists activists feminists city dwellers college professors that they blame for stealing their country from them Conservative pundits politicians and activists have abandoned any hope of

winning the argument through reasoned discourse and instead have adopted a series of bad faith claims conspiracy theories and culture war hysterics Decades of these antics created a conservative voting base that was ready to elect a mindless bully like Donald Trump
