From Waterloo to Voyage, passing through Mamma Mia!** Gómez Quijano, Arturo,2024-04-04 ABBA the soundtrack of my whole life Why is ABBA suddenly appearing in our lives now My sister in law asked me in a family reunion when I told her that I was writing a case of ABBA Many people will think that the main reason is because I am an ABBA freak Nothing could be further from the truth The main reason is because it seems to me that we do have a lot to learn from Björn and Benny's career One of the longest lived and most productive creative couples in the history of music They met on 5th June 1966 and they are still active and successful today However my sister in law's question remained in my teacher's mind In class I jokingly say that this is the question of Jos Mourinho a famous football coach Why It is also the question of the researcher the journalist the academic the businessperson It is the question that drives us forward as human beings Man seeks explanations There are many businesses from which many things can be learned but why ABBA It was then that I realized ABBA was the soundtrack that had been with me all my life I was born in Galicia in the Northwest of Spain in the early sixties of the last century From there when I was just a child I watched them live and in black and white win the Eurovision Song Contest It was 1974 At that moment ABBA was born The group designed by Stig Anderson was formed after that triumph to manage the success For the next eight years they swept the world They went as far as Australia where when a special TV program about their visit to the country was broadcast it had a 54% audience share beating the record set by the broadcast of the man landing on the moon a few years earlier I saw them born **The Oxford Companion to the American Musical** Thomas S. Everything Was Possible Ted Chapin,2005-03-01 Applause Books In 1971 college student Ted Chapin found himself

front row center as a production assistant at the creation of one of the greatest Broadway musicals *Follies*. Needing college credit to graduate on time he kept a journal of everything he saw and heard and thus was able to document in unprecedented detail how a musical is actually created. Now more than thirty years later he has fashioned an extraordinary chronicle. *Follies* was created by Stephen Sondheim, Hal Prince, Michael Bennett and James Goldman, giants in the evolution of the Broadway musical and geniuses at the top of their game. *Everything Was Possible* takes the reader on a roller coaster ride from the uncertainties of casting to drama filled rehearsals from the care and feeding of one time movie and television stars to the pressures of a Boston tryout to the exhilaration of opening night on Broadway. Foreword by long time NY critic Frank Rich.
