What you can do when you cannot leave** Ciro Discepolo, 2009 English speaking readers fond of Astrology already know the Author thanks to his previous works Transits and Solar Returns and Lunar Returns and Earth Returns which have also been translated into several other languages In a practice of almost forty years of astrological research the Author has studied and guided over twenty thousand aimed birthdays he has also published a dozen books specifically on Solar Returns and Lunar Returns This is his fifth work in English two of them can be downloaded free from his webpage www.cirodiscepolo.it In this volume Ciro Discepolo deals with the second resource on which his Active Astrology is based the first one being the aimed birthday the so called exorcism of symbols In these pages the Author suggests to the Reader about what can be done when you cannot aim i.e. actively relocate your birthday either your Solar or Lunar Return by a practical application of the notion of activating or constellating a symbol For example Ciro Discepolo claims that if you can not leave for an aimed birthday to avoid Saturn being placed in the 5th House of your next Solar Return during the twelve months covered by the SR you had better devote more time to your kids help them in their studies or in their sporting activities pay the fee to enrol them in a course perhaps abroad where they could learn new subjects and or nurture and improve their condition in a broad sense Planet by planet House by House this volume contains all the suggestions of the Author on the exorcism of symbols a useful practice also in the case you do relocate your Solar and or Lunar Returns for example if you have willingly left some dissonant position in your map of Aimed SR or of Aimed LR and you wish to lower the threshold of risk a little more The volume also explains the philosophical and psychological roots justifying the practice of the exorcism of symbols *Are You Making Love or Just Having Sex?* Elliot D. Cohen, 2024-10-15 In making love one is elevated beyond the carnal desires it satisfies For the religious it is Divine for those who are not religiously inclined it is still a spiritual experience one of seamless solidarity a unity of two as one that defies mere orgasmic stimulation You don't have to make love to have sex Even strangers can be sexually attracted and have an orgasmic escapade But in the act of making love there is symbolic meaning that is felt through and through the sex act Two in love are joined in life and the sexual expression of this unison is deeply felt in the sex act itself This is sexual intimacy the making of love the likes of which is rarely if ever seen outside a loving relationship There is no escape from the philosophical dimensions of such a loving relationship It is as abstract as it is concrete in the ideals that ground it There is a mystery about it a kind of transcendent experience that defies translation into words Making and being in love are thus joined at the hip Loving

Make Love Your Aim Eugenia Price, 2021-04-27 Everyone today is an expert on love is Dr Allan Fromme s cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in *Make Love Your Aim* that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God s original concept *Make Love Your Aim* is a companion piece to the author s last book *The Wider Place* which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God s true intentions toward all of us Those who are familiar with Eugenia Price s books will recognize this as a recurring theme *Make Love Your Aim* develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the

Cross without self defense without self pity and totally free How to Make Love All Night (And Drive a Woman Wild) Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here is the problem Daniel doesn't think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you're fighting your own body Truth is you really can't enjoy sex when you're fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn't have to hold back He doesn't have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn't matter Previous experience doesn't matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don't stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night *What Makes Love Last?* John Gottman, John Mordechai Gottman, Nan Silver, 2013-09-10 One of the foremost relationship experts at work today offers creative insight on building trust and avoiding betrayal helping readers to decode the mysteries of healthy love and relationships **Making Love That Lasts** Derryl Venters, 2013-12-09 Derryl Venters a retired educator drew on her forty three years of marriage and experience as a teacher to write a book on building strong marriages Her conversations with other couples who have been married forty to sixty years gave her unique insight into the building blocks of successful marriages Making Love That Lasts is developed around the belief that twenty one days of focus on the marriage can form the habit of making lasting and positive changes in couples relationships During the twenty one days topics such as forgiveness money change love prayer and respect are covered from the perspective of successful marriages Included in the book are stories about couples and the challenges of their lives that warm the heart and lead to understanding the topics Making Love That Lasts is an easy read that encourages the soul and lays the foundation for lasting love **What Makes Love True?** Dr.

Michael Dr. Michael Herbert, 2016-05-20 This is a book that can reach any person It is a simple truth about what seems to be a complicated subject By using these points it will cultivate deepen and develop a bond and emotion in the relation of love This study was designed for frequent referencing when needing a reminder of what is love It is my hope that reading this book will elevate the mind and the heart to put these facts about love to the test and ill enhance all other studies one might have on this subject Love is a commitment to responsibility and the responsibility to commit There is an unending supply of manuscripts depicting love Could it be that there is someone else writing about love After all with all of the printed information about love is there a need for or even room for one more thought concerning the subject of What Is Love This book evolves from tragic circumstances It is an attempt to give real meaning to the question what is love By no means am I trying to say that this is the only revelation of love or the only answer to the question What I wanted to communicate to the reader or the listener is that there are some absolutes that are real and tangible regarding the meaning of love The ten points being made in this book are brought from the Bible and can be practiced by Christians and non Christians alike That is because the principles apply to both Christians and non Christians They are like laws that govern relationships I had listed a few more than these ten points but I felt that the points in this book were the most important ones and they covered a broader perspective Each chapter has been divided into five sections The first section is the defining point The second section provides scriptural references from a biblical text for the point being made The third section has a discussion that is explained in a few paragraphs The fourth section is an applied marriage application hopefully able to be applied to today's marriages And last but not least the fifth section is a question and answer section The section ends with a discussion for the husband and the wife to participate in and also includes a thought for the single person to ponder It is my sincerest desire that after reading this thesis that the question of what is love can be answered and that there will be a complete satisfaction that needs no further investigation
