Making Of A Ruling Class The Glamorgan Gentry 1640 1790:

The Making of a Ruling Class Philip Jenkins, 2002-08-22 A study of the formation of a new ruling class in the years prior to British industrialisation Government and Community in the English Provinces, 1700-1870 David Eastwood, 1997-06-09 In this bold and original study David Eastwood offers a reinterpretation of politics and public life in provincial England He explores the ways in which power was exercised and reconstructs the social and cultural foundations of political authority in provincial England Professor Eastwood demonstrates the crucial role played by local elites in policy making and shows how English public institutions and political culture can only be understood in terms of the long run development of the English state **Footsteps of 'Liberty and Revolt'** Mary-Ann Constantine, Dafydd Johnston, 2013-04-15 A collection of essays exploring the impact on Welsh culture of one of the most exciting periods in history the decades surrounding the French Revolution of 1789 *Cardiganshire County History Volume 2* Geraint H. Jenkins, Richard Suggett, Eryn Mant White, 2019-09-15 Cardiganshire County History Volume 2 is published by the University of Wales Press on behalf of the Ceredigion Historical Society in association with the Royal Commission on the Ancient and Historical Monuments of Wales This volume provides a comprehensive and authoritative account written by distinguished authors in fifteen chapters of the wide range of social economic political religious and cultural forces that shaped the ethos and character of the county of Cardiganshire over a period of 600 years This was a period of great turbulence and change It witnessed conquest and castle building the impact of the Glyndŵr rebellion the coming of the Protestant Reformation and the turmoil of civil war Over time the inhabitants of the county developed a sense of themselves as a distinctive people who dwelt in a recognisable entity From very early on literate people took pride in their native patch in the eyes of the learned Sulien d 1091 and his sons the land of Ceredig was a sacred patria Poets and scribes burnished the reputation of the county and a vibrant poem by Sir John Morys in 1577 maintained that it was the best of shires and the fold of the generous ones *Earthly Necessities* Keith Wrightson, 2000-01-01 Wrightson describes the basic institutions and relationships of economic life in Britain tracing the processes of change and examines how these changes affect men women and children of all ages Illustrations *Peasant Petitions* R. Houston, 2014-07-02 This book examines the structures and texture of rural social relationships using one type of document found in abundance over all the four component parts of Britain and Ireland petitions from tenants to their landlords The book offers unexpected angles on many aspects of society and economy on estates in the 17th and 18th centuries The Tempus History of Wales Prys Morgan, 2008-02-24 The Tempus History of Wales 25 000 BC to AD 2000 *Shooting a Tiger* Vijaya Ramadas Mandala, 2018-10-18 The figure of the white hunter sahib proudly standing over the carcass of a tiger with a gun in hand is one of the most powerful and enduring images of the empire This book examines the colonial politics that allowed British imperialists to indulge in such grand posturing as the rulers and protectors of indigenous populations This work studies the history of hunting and conservation in colonial India

during the high imperial decades of the nineteenth and early twentieth centuries At this time not only did hunting serve as a metaphor for colonial rule signifying the virile sportsmanship of the British hunter but it also enabled vital everyday governance through the embodiment of the figure of the officer hunter administrator Using archival material and published sources the author examines hunting and wildlife conservation from various social and ethnic perspectives and also in different geographical contexts extending our understanding of the link between shikar and governance

The Seventeenth-Century Customs Service Surveyed William B. Stephens, 2016-03-03 In January 1682 William Culliford a loyal and experienced officer in the King's customs service began an extraordinary journey under Treasury orders to investigate the integrity and efficiency of the customs establishments of southwest England and south Wales as part of a drive to maximize the Crown's income from customs duties on which it relied for much of its revenue Starting at Bristol Culliford eventually completed this daunting task in Cornwall over two years later in the spring of 1684 His report on each of the ports he inspected the primary source for this book revealed widespread smuggling and fraud in the context of a customs service both lacking in efficiency and riddled with corruption The book documents the varied frauds and wide ranging abuses uncovered and their facilitation by customs officers only too ready to collude with smugglers dishonest merchants and seamen and to accept bribes to ignore tax evasion It describes too Culliford's assessment of the administrative practices of each port inspected and his judgment on the levels of probity and efficiency of individual officers detailing his recommendations for procedural improvements and the treatment of the corrupt and incompetent and incidentally of those suspected of political and religious dissent Additionally the book presents a body of statistical data on the customs revenue actually collected at individual ports in the 1670s and 1680s and surveys the extent and nature of the maritime trade of the ports Culliford examined It thus not only throws light on the history of the customs service but provides a rare insight into the interactions of economic social and political issues in the later seventeenth century and makes a valuable contribution to the particular histories of the ports and maritime districts visited by this energetic and tenacious investigator

Women's History Hannah Barker, Elaine Chalus, 2005 A wide ranging thematic survey of women's history in Britain in the 18th and early 19th centuries with chapters written by both well established writers and new and dynamic scholars in a thorough and well balanced selection

Growing Up in England Anthony Fletcher, 2010-04-13 This book presents an entirely fresh view of the upbringing of English children in upper and professional class families over three centuries Drawing on direct testimony from contemporary diaries and letters the book revises previous understandings of parenting and what it was like to grow up in the period between 1600 and 1914 Using advice literature which set out developing ideologies of childhood gender and parenting the book explores the separate but complementary roles of mothers and fathers in raising their children Male upbringing is discussed in terms of schooling female through the moral and social context of a domestic schoolroom dominated by a governess Boys were trained for the world girls for society and marriage Rare teenage diaries surviving from

the Georgian and Victorian periods show teenagers speaking for themselves about education relationships with parents siblings and friends and their social class and gender identity

Public Life and the Propertied Englishman,

1689-1798 Paul Langford,1991 This book offers a major reassessment of the place of the propertied class in eighteenth century England The common view of politics in this period is one of aristocratic dominance coexisting with plebeian vitality Langford explores the terrain which lay between the high ground of elite rule and the low ground of popular politics and shows that the Georgians were more active in this arena than is generally appreciated Revolution and Rebellion J. C. D. Clark,1986-10-30 A challenge to received ideas about revolution in English seventeenth and eighteenth century history

Anglo-Irish Identities, 1571-1845 David A. Valone,Jill Marie Bradbury,2008 This book presents a series of essays that examine the ideological personal and political difficulties faced by the group variously termed the Anglo Irish the Protestant Ascendancy or the English in Ireland a group that existed in a world of contested ideological political and cultural identities At the root of this conflicted sense of self was an acute awareness among the Anglo Irish of their liminal position as colonial dominators in Ireland who were viewed as other both by the Catholic natives of Ireland and by their English kinsmen The work in this volume is highly interdisciplinary bringing to bear examination of issues that are historical literary economic and sociological Contributors investigate how individuals experienced the ambiguities and conflicts of identity formation in a colonial society how writers fought the economic and ideological superiority of the English how the cooption of Gaelic history and culture was a political strategy for the Anglo Irish and how literary texts contributed to the emergence of national consciousness In seeking to understand and trace the complex process of identity formation in early modern Ireland the essays in this volume attest to its tenuous dynamic and necessarily incomplete nature David A Valone is an Assistant Professor of History at Quinnipiac University Jill Marie Bradbury is an Assistant Professor of English at Gallaudet University

Politics under the Later Stuarts Tim Harris,2014-05-12 The first major study of party conflict in England over the later Stuart period from the reign of Charles II to its culmination under Anne Tim Harris shows how the party configuration of subsequent British politics emerged in these crucial years He deals not only with high politics and with the organisation of the new parties but also with the ideological roots of party strife

Famine, Disease and the Social Order in Early

Modern Society John Walter,Roger Schofield,Andrew B. Appleby,1991-04-26 An examination of the complex interrelationships among past demographic social and economic structures demonstrates how the impact of hunger and disease can enhance the exploration of early modern society Enlightened Oxford Nigel Aston,2023 Enlightened Oxford takes a fresh look at the eighteenth century University of Oxford and its relation to the state society and religion of the time and how a long established institution managed to navigate the multiple political challenges of the era while maintaining a cultural presence and a surprising capacity for adaptability
