In this same spirit, author and music historian David V. Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years. Since the chosen bands are based on the author's personal taste, this two volume set provokes discussion of which performers are included and why, offering insights into the surprising influences behind them. From the Everly Brothers to the Ramones to Public Enemy, the work covers a wide variety of styles and genres, clearly illustrating the connections between them. Entries focus on the group's history, touring, membership, major releases, selected discography, bibliography and influence.
