The Sisterhood of Diabetes Judith Ambrosini, 2014-05-13 The Sisterhood of Diabetes engages the reader with 38 true life stories of women with diabetes the challenges they faced and the adventures they took These accomplished women of all ages and from around the world are athletes scholars and champions in many ways who will motivate and inspire others whether diabetic or not in redefining abilities and venturing beyond self imposed limits The message here is to live your dreams with diabetes or any other challenges with a positive attitude and inspired determination While many books offer the do s and don ts of diabetes care this book bypasses the humdrum and the confusing fuselage of medical terminology and treatment to bring the reader face to face with the real struggles of diabetes and how to live a rich life in the midst of our challenges Judith Jones Ambrosini has lived under the influence of Type 1 diabetes for over fifty years She knows the importance of exercise sports and leading an active life as a major component of excellent diabetes care There are currently over 26 million men women and children with diabetes in the USA and 286 million cases worldwide This book sheds bright light on what can sometimes be a devastating prognosis by telling true and encouraging stories of successful individuals

Living with diabetes is a challenge but as Judith so beautifully captures here it doesn't have to keep you from achieving your dreams. Each of these uplifting stories shares a common golden thread: the importance of maintaining a positive attitude and the will to dream big. Whether they have diabetes or not, readers of this inspirational book will be encouraged to find their own golden thread.

Chris Dudley, National Basketball Association player for 16 years, founder of the Chris Dudley Foundation for youth with diabetes. Type 1 diabetes since 1981. I have known of Judith's commitment to movement and sport for years and how it has helped her manage her diabetes. Her clear, compelling voice brings us stories of women who discovered that moving is one of our greatest salvations and tools to live proudly, strongly, and joyfully with diabetes.

Riva Greenberg, author of *Diabetes Do's* and columnist for **The African American Guide to Living Well with Diabetes**. Constance Brown-Riggs, Tamara Jeffries, 2010-07-20. Covers the basics of food, exercise, and medicine but highlights two things not often found in diabetes books: soul food and spirit. *A Sweet Life*. More than 4 million African Americans have diabetes; thousands more have pre-diabetes or are at risk for the condition. But in 21 years as a registered dietitian and certified diabetes educator, Constance Brown-Riggs found few books that even vaguely addressed the unique health concerns of this population. This comprehensive guide includes the latest medical treatments for diabetes, medications, insulin therapies, blood glucose monitors, plus the pros and cons of supplements, herbs, and alternative diets. What you can't eat and what you can. Dozens of mouthwatering Caribbean and soul food recipes with a two-week menu plan. The book received the Favorably Reviewed designation from the American Association of Diabetes Educators (AADE). The designation of Favorably Reviewed by AADE assures health professionals that the educational content of the book has been carefully evaluated by representatives of a variety of health professions based on set guidelines. Shares a wealth of information about diabetes that has been specifically tailored for African Americans in a down-to-earth fashion and emphasizes the important interrelationships of spiritual health, mental health, and physical health.

Norma J. Goodwin, M.D., founder, president, and CEO of Health Power for Minorities. Connie Brown-Riggs's culturally appropriate messages are an extraordinary benefit to African Americans, particularly women who are often not fully aware of the lifestyle changes they can and should make to prevent diabetes and improve their health and that of their families.

Wendy C. Brawley, publisher and CEO of IMARA Woman Magazine. **The Johns Hopkins Guide To Diabetes**. Christopher D. Saudek, Richard R. Rubin, Thomas W. Donner, 2021-04-27. From the experts at the world-renowned medical institution, clear information on diabetes and practical advice on all aspects of care. Publishers Weekly: Living with diabetes is a balancing act of monitoring blood glucose, food intake, and medication. It makes sense that individuals who have diabetes do best when they understand their condition and how to control it. *The Johns Hopkins Guide to Diabetes* is a comprehensive, easy-to-read guide to this complex condition, answering questions such as: What are the differences between Type 1 and Type 2 diabetes? How are the different forms of this disease treated? Can gestational diabetes become a permanent condition? Can diabetes ever be managed successfully with diet and exercise alone? The second edition of this valued resource
