assaulted by divorce emptiness poverty and many other ills In this book *When Your Home is on Fire* written by my son in the Lord Pastor Kola Ogidi the author shows us that there are many beautiful houses that do not contain beautiful homes This unfortunately is the tragedy of the 21st Century civilized society Having failed to build the home front everything else that modern man has built is crumbling right before his eyes Now all right thinking people worldwide are calling attention to the need to strengthen the family as a fundamental weapon towards the eradication of the various social and moral ills of today's society That is where this book comes in Pastor Ogidi has in this masterpiece shed refreshing light on the marriage institution He has diagnosed the causes of fire in homes Then he went ahead to proffer practical time tested solutions to myriad marital problems In doing so he did not resort to mere social or psychological counseling His therapy for burning homes is deliberately biblical at the core And I think this is the high point of the book for the word of God is sure to prosper where all else has failed The Bible says So shall my word be that goeth forth out of my mouth it shall not return unto me void but it shall accomplish that which I please and it shall prosper in the thing whereto I sent it Isaiah 55:11 That is why I recommend this book to all persons whose homes are presently under fire Through this book God shall surely deliver you More importantly everyone who desires a peaceful and joyful home should read this book Prevention is better than cure As you study this book and apply the lessons therein your home shall never come under fire rather it shall be heaven on earth in Jesus name Amen God bless you

Life of Miracles Chaplain Rick Paetzke,2022-04-06 My book is the written story of the many miracles I experienced throughout my life that helped define the person I am and the faith I have today It s told where and when I experienced them The feelings are raw and the emotional journey is as real as anyone can feel May its message be translated to an experience that can be felt through its words When I was growing up I would say God if you re real show me and I will live for you He did that and much more This book was written for all believers and nonbelievers to give you all hope now and for the hereafter My life is told in a timeline from my miraculous birth to my experimental teens and an adulthood filled with bad decisions made all along never being forgotten by the God Almighty You will be able to tell the times I experienced his divine interventions my experiences being as real as you I hope you find this as interesting as it was when I lived it I started to fall backward away from the ladder I cried out thinking I might die or get badly hurt I cried out Jesus save me As I was falling backward away from the ladder after I said Jesus save me I felt something grab me from behind and push me toward the ladder It made sure that my feet were on the ladder steps and God or an angel took both my hands and made them grab the ladder with a firm grip Before I knew it I was safely on the ladder This is only one of many miracles Jesus did for me 94
