I'm Sorry but I Love You Mary Loren Caminian,2022-08-11 Sorry but I'm not sorry for what I did sorry for loving you more than a friend but loving you was one of the best feeling I ever had I'm saying sorry because you're my bestfriend I'm sorry for feeling this way more than a friend I'm sorry for loving you more than a friend I'm sorry for crossing the line I'm sorry but I love you Nyx Xyne Psyche Griffin I am not a villain for no reason Eros Dwayne Gonzales Unrequited love That is what the love Nyx had with her bestfriend Erebus without knowing that her love was reciprocated by him in silence Erebus felt the same but he choose to push her away He choose to hurt her to prevent him hurting her further And there's a man named Eros The man who have been there for her when she was so lost and broken He was there for her patiently waiting for her love Eros the man who gave her all his love with all his heart and soul Will she fall for that innocent and pure love But what if there's something behind that innocent soul she knew What he's not really that innocent What if he has something dark behind his innocent facade Will she choose to reciprocate his love Or will his love remain unrequited Will they have a happy ending Or will she run away after knowing that he was exactly the villain of the love she once wanted to have

The Rumphulus Joseph G. Peterson,2020-09-15 Romulus was the founder of Rome and those tossed outside the city gate are not Romulus's children but the cast offs living in hovels the Rumphulus However this isn't ancient Rome but rather the nature preserve of a contemporary American suburb The outcasts don't understand why they've been relegated to the woods Nor do they know if they will ever summon the courage to cross the roads that act as a physical and psychological barrier to their reentry into conventional society Daily they negotiate the harsh conditions of the wild and the dangerous presence of one another while they contemplate their exiles That is until society comes for one of them The Rumphulus have grown their beards long and when they can no longer stand life they howl like wolves only they are not wolves but the stranded city outcasts who howl in pain

Grasp the Nettle Sylvia Lerch,2023-02-03 Set in a remote district of Western Australia in the 1920s an era which outlawed suicide an unidentified body has been found and

police are treating the death as suspicious The story presents a chance for strangers the reader to peruse the very private diaries of the protagonists Intriguingly this is like peeping through the coin slot of a piggy bank to count the wealth inside Elsie has married Tom in an arrangement brokered by her brother Tom s job is delivering the Royal Mail and it takes him away from home for weeks at a time Vivacious imaginative young Elsie must entertain herself in their isolated unsophisticated bush hut Married women were not allowed to be financially independent Grasp the Nettle is not a fairytale lived happily ever after romance but a lode of accurate historical data balanced by details of underlined moral standards of life before the advent of reliable contraceptives and acknowledgement of gender diversity In those harsh times things that are commonplace for us today were yet to be invented like mobile phones internet communications and GPS There were not even engineered roads through country districts in this vast nation Australia Grasp the Nettle poses the question how did people cope with life s challenges

Chipped K. A.

Johnson,2025-04-17 What's a talisman to do when his human dies and he finds himself in the hands of someone she loved but he can't stand Chip lived in Isabelle's pocket for 25 years He was her talisman that little voice in her head that gave her the courage to travel from the slopes of Kilimanjaro to the beaches of Southern France and beyond When she's killed in a tragic accident their magical bond unravels Shared memories fade Without his beloved human Chip fears he'll become nothing but a silent lump of stone Isabelle's niece Sara lives on the family farm under the strict control of her husband Chip awakens one day to find he's been shipped to her in a box of Isabelle's belongings Still grief stricken he's yearning for Isabelle's voice and only pays attention to Sara because she sneaks into one of Isabelle's journals to escape her own bleak existence This isn't the life Isabelle would've wanted for Sara but Chip isn't her talisman He couldn't help even if he wanted to she can't hear him Sharing Isabelle's words however might just give them both the strength they need to carry on From the author of *Trusting Bamboo Bridges* comes *Chipped* another poignant story of love loss and the struggle to find one's own path **A Boy I**
