My Virginia Connections Harriett Blackwell Hook, 2005 Utilizing a narrative approach this book examines the history of a number of Virginia families of prominence from earliest times The many old photographs alone are worth the price of the book

The Hobday Connection Dane Hobday Hays, 2011-12-07 With a style reminiscent of Forest Gump the author of The Hobday Connection weaves a tale that encompasses the lives of several individuals through a remarkable sixty five year journey This is not a war story nor is it just a love story It is the account of people who overcame adversity and challenges in their everyday lives while dealing with their loves fears and emotions Told through the eyes of six main characters the narrative is in both first person and third person views Their lives are tied together by family secrets deceptions love hate and war Intermixed within the chapters are cameo moments with real celebrities and war heroes Among the celebrities mentioned are Howard Hughes Ava Gardner Kirk Douglas John Wayne and J P Getty While searching for lifes answers the main characters find surprises and experiences that they had never expected or imagined An old soldier facing death discovers a hidden family secret that changes his life forever An elderly Nun trying desperately to bury the past must relive fifty year old memories and deal with new challenges A young man seduced by an older married woman must make life changing decisions A child born out of wedlock faces a tough life of physical and emotional abuse yet achieves success far beyond his wildest dreams The Hobday Connection is not a war story by any means though portions are dedicated to events before and during the Korean War Yet there are no strong depictions of sex or violence within the book It is more than a love story in that family dynamics social drama and history are also involved while revealing one mans journey through life The many choices he has and the paths he must follow to overcome challenges presented to him These themes are of particular interest in todays market and should attract a wide audience
