My War At Home:

My War at Home Masuda Sultan, 2006-02-28 Born in Kandahar in 1978 Sultan fled to the United States at age five with her family Raised in Brooklyn and Flushing Queens Sultan saw her life change when she was married by arrangement at the young age of seventeen to a virtual stranger fourteen years her senior a marriage she struggled to maintain and then hastily fought eventually after three years being granted a divorce This very divorce would become one of the first in her close knit Afgan community where the subject is considered rare and taboo Sultan went on to graduate from college summa cum laude with a degree in economics and in July 2001 she returned to Kandahar to explore her family roots and find herself There she met her relatives and surveyed the conservative provincial town where she was born on return visit to afganistan she discovered the tragic death of her relatives at the hands of American troops and began to seek answers My War at Home is her memoir of self discovery family tradition and life as a Muslim and feminist with political ideals It speaks to the younger generation of Muslims in America as they struggle to resolve the ever present inner conflict about what it means to be an American and a Muslim while also examining the Muslim American identity at both personal and political levels

The War at Home Rachel Starnes, 2016-07-05 A portrait of the strains of a military marriage and meditation on what it means to be left behind a brave account of the challenges facing the wife of a Naval fighter pilot When she fell in love with her brother s best friend Rachel Starnes had no idea she was about to repeat a painful family pattern marrying a man who leaves regularly and for long stretches to work a dangerous job far from home Through constant relocations separations and the crippling doubts of early parenthood Starnes effortlessly weaves together strands from her past with the relentless pace of Navy life in a time of war Searingly honest and emotionally unflinching and at times laugh out loud funny Starnes eloquently evokes the challenges she faces in trying to find and claim a sense of home while struggling to chart a new path and avoid passing on the same legacy to her two young sons At once a portrait of the devastating strains that military life puts on families and a meditation on what it means to be left behind The War at Home is a brave portrait of a modern military family and the realities of separation endurance and love that overcomes Rachel Starnes s The War at Home navigates the joys fears compromises and casualties that create the terrain of marriage And if you are a military spouse her memoir will reveal thoughts you never even knew you had This is a wise and fearless book Siobhan Fallon author of You Know When the Men Are Gone One of the most honest and genuine memoirs I ve ever read as well as one of the most finely written There s not a false note in these pages Rachel Starnes s story is at once both singular and emblematic The War at Home is that rare thing a book about the here and now that promises to last well beyond next month or next year Steve Yarbrough award winning author of The Realm of Last Chances and Safe from the Neighbors

War at Home Kris Nelscott, 2005-12-27 It s summertime in 1969 when African American P I Smokey Dalton heads east to look for a missing college student Daniel Kirkland never showed up for his spring semester at Yale and seems to have disappeared without a trace The search for

Daniel takes Smokey from the hallowed halls of the nation's wealthiest university to the poorest slums on the outskirts of New Haven. The harder he searches, the more he learns about the dark side of the antiwar movement in which the idealistic young Daniel may have become involved. And he keeps hearing rumors about bombs. When the trail finally leads Smokey to New York City, he discovers that someone might be trying to kill Daniel. Rumors become more concrete, and Smokey knows it's only a matter of time before a bomb goes off. Because Smokey, a Korean War veteran, recognizes the pattern he has stumbled into, a war at home. In this blistering new book, award winner Kris Nelscott continues her hard-hitting look at the turbulence of the late sixties and early seventies all in the guise of the modern crime novel. The War at Home Mark K. Christ, 2020-04-10

The War at Home brings together some of the state's leading historians to examine the connections between Arkansas and World War I. These essays explore how historical entities and important events such as Camp Pike, the Little Rock Picric Acid Plant, and the Elaine Race Massacre were related to the conflict as they investigate the issues of gender, race, and public health. This collection sheds new light on the ways that Arkansas participated in the war, as well as the ways the war affected Arkansas then and still does today. **Blood and War at my Doorstep** Brenda Chambers McKean, 2011-07-08

Continuing from Volume I, Volume II intersperses numerous soldiers' letters with those from home. The issue of slavery from both the owners and individuals is brought forth. Did colored men really serve as Confederate soldiers? Did free black men? Union soldiers described southern women as defiant, beautiful, crude, and pitiful. Read of women aboard blockade runners, the fall of Wilmington, Sherman's march, Stoneman's western raiders, and the end of the war. Did any civilians die due to these raids? Did they idly sit by as their lives and homes were destroyed? The war did come to their doorstep during the second half of the conflict. Both Volume I and II tell something from each of the state's 87 counties. Perhaps you may find information about your ancestor among these pages. Information from period newspapers, as well as mostly unpublished letters, tell their stories. The War at Home Julie Klam, 2002-08-01

This book details how American civilians supported the efforts of their troops overseas. War at a Distance Mary A. Favret, 2009-10-19

What does it mean to live during wartime away from the battle zone? What is it like for citizens to go about daily routines while their country sends soldiers to kill and be killed across the globe? Timely and thought-provoking, War at a Distance considers how those left on the home front register wars and wartime in their everyday lives, particularly when military conflict remains removed from immediate perception, available only through media forms. Looking back over two centuries, Mary Favret locates the origins of modern wartime in the Napoleonic era and describes how global military operations affected the British populace as the nation's army and navy waged battles far from home for decades. She reveals that the literature and art produced in Britain during the late eighteenth and early nineteenth centuries obsessively cultivated means for feeling as much as understanding such wars, and established forms still relevant today. Favret examines wartime literature and art as varied as meditations on the Iliad, the history of meteorology, landscape painting in India, and popular poetry in newspapers and periodicals. She locates

the embedded sense of war and dislocation in works ranging from Austen Coleridge and Wordsworth to Woolf Stevens and Sebald and she contemplates how literature provides the public with methods for responding to violent calamities happening elsewhere Bringing to light Romanticism's legacy in reflections on modern warfare this book shows that war's absent presence affects home in deep and irrevocable ways

The Line Upon a Wind: The Great War at Sea, 1793-1815 Noel Mostert, 2008-06-24 Mostert's narrative tells the thrilling story of Britain's struggle with Revolutionary France wherein Napoleon is checkmated by Admiral Horatio Nelson's brilliant naval exploits 16 pages of illustrations 6 maps
