My wonderful world of slapstick. [By] Buster Keaton with Charles Samuels, etc. [With plates, including portraits.]. Buster KEATON ([Joseph Francis Keaton.]), Charles Samuels, 1967 **My Wonderful World of Slapstick** Buster Keaton, Charles Samuels, 1967 **My Wonderful World of Slapstick. Buster Keaton with Charles Samuels. With an Introd. by Dilys Powell. (1. Publ.)** Buster Keaton, 1967 **Buster Keaton** James Curtis, 2022-02-15 One of Literary Hub's Five Most Critically Acclaimed Biographies of 2022 From acclaimed cultural and film historian James Curtis a major biography the first in more than two decades of the legendary comedian and filmmaker who elevated physical comedy to the highest of arts and whose ingenious films remain as startlingly innovative modern and irresistible today as they were when they beguiled audiences almost a century ago It is brilliant I was totally absorbed couldn't stop reading it and was very sorry when it ended Kevin Brownlow It was James Agee who christened Buster Keaton The Great Stone Face Keaton's face Agee wrote ranked almost with Lincoln's as an early American archetype it was haunting handsome almost beautiful yet it was also irreducibly funny Keaton was the only major comedian who kept sentiment almost entirely out of his work and he brought pure physical comedy to its greatest heights Mel Brooks A lot of my daring came from Keaton Martin Scorsese influenced by Keaton's pictures in the making of Raging Bull The only person who had the right attitude about boxing in the movies for me Scorsese said was Buster Keaton Keaton's deadpan stare in a porkpie hat was as recognizable as Charlie Chaplin's tramp and Harold Lloyd's straw boater and spectacles and with W C Fields the four were each considered a comedy king but Keaton was and still is considered to be the greatest of them all His iconic look and acrobatic brilliance obscured the fact that behind the camera Keaton was one of our most gifted filmmakers Through nineteen short comedies and twelve magnificent features he distinguished himself with such seminal works as Sherlock Jr The Navigator Steamboat Bill Jr The Cameraman and his masterpiece The General Now James Curtis admired biographer of Preston Sturges definitive Variety W C Fields by far the fullest fairest and most touching account we have yet had Or are likely to have Richard Schickel front page of The New York Times Book Review and Spencer Tracy monumental definitive Kirkus Reviews gives us the richest most comprehensive life to date of the legendary actor stunt artist screenwriter director master Deadpan Tina Post, 2023-01-10 Winner of the 2023 National Book Critics Circle Award for Criticism Winner of the 2023 ASAP Book Prize given by the Association for the Study of the Arts of the Present Explores expressionlessness inscrutability and emotional withholding in Black cultural production Arguing that inexpression is a gesture that acquires distinctive meanings in concert with blackness Deadpan tracks instances and meanings of deadpan a vaudeville term meaning dead face across literature theater visual and performance art and the performance of self in everyday life Tina Post reveals that the performance of purposeful withholding is a critical tool in the work of black culture makers intervening in the persistent framing of African American aesthetics as colorful loud humorous and excessive Beginning with the expressionless faces of mid twentieth

century documentary photography and proceeding to early twenty first century drama this project examines performances of blackness s deadpan aesthetic within and beyond black embodiments including Young Jean Lee s *The Shipment* and Branden Jacobs Jenkins s *Neighbors* as well as Buster Keaton s signature character and Steve McQueen s restitution of the former s legacy within the continuum of Black cultural production Through this varied archive Post reveals how deadpan aesthetics function in and between opacity and fugitivity minimalism and saturation excess and insensibility

Silent Comedy Paul Merton,2010-01-26 On the surface it may seem slightly surprising that a master of verbal humour should also be a devotee of silent comedy but Paul Merton is completely passionate about the early days of Hollywood comedy and the comic geniuses who dominated it His knowledge is awesome as anyone who watched his BBC 4 series *Silent Clowns* or attended the events he has staged nationwide will agree his enthusiasm is infectious and these qualities are to be found in abundance in his book *Starting with the very earliest pioneering short films he traces the evolution of silent comedy through the 1900s and considers the works of the genre s greatest exponents Buster Keaton Charlie Chaplin Laurel and Hardy and Harold Lloyd showing not only how each developed in the course of their career but also the extent to which they influenced each other At the same time Paul brings a comedian s insight to bear on the art of making people laugh and explores just how the great comic ideas routines gags and pratfalls worked and evolved His first book for ten years this is destined to be a classic* [The New Humor in the Progressive Era](#) R. DesRochers,2014-07-24 By tracing the effects of unprecedented immigration the advent of the new woman and the little known vaudeville careers of performers like the Elinore Sisters Buster Keaton and the Marx Brothers DesRochers examines the relation between comedic vaudeville acts and progressive reformers as they fought over the new definition of Americanness

Roscoe "Fatty" Arbuckle Stuart Oderman,2005-07-29 Fatty Arbuckle s career came to a sudden halt amidst allegations that he raped and caused the death of a young starlet named Virginia Rappe Though he was acquitted the comedian who was at one time second in popularity only to Charlie Chaplin was ruined Interviews with many of Arbuckle s contemporaries including Minta Durfee his first wife and extensive research inform this serious study of the once fabled comedian His early days in the Keystone comedies and his relationship with Chaplin are recounted The details of the Rappe trial and his life afterwards are also provided

Keaton's Silent Shorts Gabriella Oldham,2010-08-20 Filling a major gap in the critical canon Keaton s *Classic Shorts Beyond the Laughter* chronicles the rapid growth in the filmmaker s understanding of what makes both comedy and film successful Keaton developed his major themes in these nineteen silent short films shot between 1920 and 1923 creating his persona Buster with his trademark stone face These short films clearly indicate Keaton s love of the camera and his concern for composition symmetry and images that delight the eye and startle the mind Oldham reconstructs each of these rarely seen films to enable the reader to watch Keaton s performance devoting a separate chapter to each She analyzes each film s strengths weaknesses and prevalent themes and threads She also enables readers to plumb the depths of what seems to be surface comedy through philosophical

biographical historical and critical commentary thus linking the shorts together into a cohesive study of Buster Keaton's growth through his three year independent venture as a filmmaker Beyond the laughter and beyond the great stone face Oldham presents a treasure of cinema comedy and a unique philosophy of life as captured by a great filmmaker **Charlie Chaplin** Richard Carr, 2017-04-21 Provides a unique biography of Charlie Chaplin focusing on Chaplin as a political figure providing students with a fuller picture of the film maker by looking beyond his films Allows students to see how Chaplin used his films as political criticisms of the Great Depression and the wars of the 20th century enabling students to see why his films were controversial and the impact Chaplin had on popular opinion Looks not just at the life of Charlie Chaplin but the culture and politics of the 20th century enabling students of film history cultural history and of 20th century history to broaden their focus and offer new ideas for assignments
