All Because of Daisy Terence Roberts,2023-01-06 Terence Roberts came to live in Ireland as a middle aged working man in search of something He took a gamble when he could have easily stayed comfortable and resigned to the only life he knew On reflection he didn t really know himself as he approached his 50th birthday and he couldn t see a purposeful future Everything had been lost amidst the pace and chaos of urban living and life s natural disappointments But in rural Ireland he found himself in a totally different world finding what was important in his own life whilst rediscovering innocence and hope Through unique characters both human and in the field he was entertained educated and inspired All Because of Daisy was written initially for his family and close friends to help explain why he left them to come to live in Ireland and why he stayed Thanks to his new environment and eye opening experiences he begins to make sense of his own life his past present and future He also concludes that while modern day life is far from simple and is emotionally expensive in many ways it can also be beautiful and priceless when seen through fresh eyes but to do that sometimes you have to take a gamble

Harvey Proctor,2016-03-29 Early in the morning of 4 March 2015 a fierce knock at

the door heralded the start of a new chapter in Harvey Proctor's almost continuous relationship with the police and media when officers from the Metropolitan Police raided his home in connection with Operation Midland Scotland Yard's investigation into allegations of a historic Westminster paedophile ring. In *Credible and True*, words famously used by the police to describe the allegations of Proctor's traducer, the former Conservative MP talks frankly about his life in and out of Parliament from the struggles and controversy surrounding his resignation in 1987 to the numerous homophobic attacks endured since, one of which revealed here in horrific detail for the first time was a very nearly successful attempt on his life. Finally he speaks candidly about his most recent embroilment in Operation Midland of being the victim of a homosexual witch hunt that has all but destroyed his reputation, adding to the topical debate about police lack of due process in the post-Savile world of guilty until proven innocent.
