Angels Jacqueline Howard,2010-12-10 Jacqueline Howard offers an insightful and detailed look into the existence of these celestial beings and bolsters her conclusions with sound biblical information The book *Angels* begins by defining angels and contrasting the biblical description of these beings to the commercial images that are prevalent in the 21st Century Howard cites many scriptural references that support their existence To know an angel may require one to suspend ones judgment and reason open up ones heart and mind to the wondrous possibilities that many only dream about A person may be comfortable with his or her own private thoughts about angels but may be reluctant to discuss these supernatural spirits with a friend After all what physical proof is there Is it illogical to fathom the idea of angels Who believes that heavenly beings are helping us Scripture leads us to have faith and believe read John 20 29b KJV which states blessed are they that have not seen and yet have believed

Love and Romance in the Bible Asher Elkayam,2013-01-14 This new project concentrates on the power of love and other passions that changed the world As we consider the Bible as a historical document we cannot help but wonder about those personalities in the Bible who can take credit for creating a multitude of tribal orders and nations throughout the globe Sarah and Abraham were the very first ancestors who discovered Monotheism and consequently gave birth to powerful nations who ended up populating nearly half of the people s planet One of the most

populous nations on earth Islam was created as a result of Sarah's consent to have Abraham her husband consort with her maid Hagar Ishmael was born and he became the father of twelve powerful tribes Love in The Bible speaks about how entire kingdoms were formed and other destroyed It also emphasizes the power of seduction aimed at altering a destiny of a nation Delilah sought to destroy Samson in order to guarantee the supremacy of the Philistines over the Israelites Athaliah the mean destroyed her own children in order to maintain power Jezebel managed to do away with over four hundred so called prophets in order to maintain her power over the land Those women of power did evil while using their men Delilah used Samson by seducing him and convincing him to disclose the secret of his power Jezebel and Athaliah used their men kings in order establish their own kingdom On the other hand there were impressive female heroes Deborah was a pure military strategist who saved a whole nation with her inspiration and positive attitude towards victory Deborah was also a poetess and a highly praised judge who kept a nation in peace for forty years Esther was a special queen who came to the rescue of the entire Jewish Persian minority because she was the preferred woman of King Xerxes King Solomon in his Song of Songs described love and romance in a manner that can be duplicated in our modern era His poetry is still read and appreciated in our times and it can be quoted repeatedly by true lovers of our century Romance and the longing for love have never changed Lovers can be imaginative and use silly ways to remain in love as they do today However love can take different turns as well A true shocking story of love by accident is the story of Judah who became the father of Judaism Could anyone imagine that Judah the head of the tribe of Judah a tribe that was almost extinct suddenly became the ancestor of the most populous tribe of Israel It happened at a time where Judah was almost childless By accident he encountered a woman named Tamar who posed as a harlot However since Judah did not recognize her he became intimate with her Tamar was actually Judah's daughter in law Since her two husbands Judah's sons died it was Judah's duty to have Tamar marry the only surviving son That never happened either As Tamar used a special ruse to fool Judah she conceived and she became the actual ancestress of Judaism as we know it today This intriguing soap opera like story is described in details What is more she became the ancestor of Boaz and David King of Israel Both Jews and Christians claim Tamar as their ancestor while Christians state that King David was twenty generations apart from Jesus Love And Romance in The Bible depicts other passions such as incest and rape The daughters of Lot who saw it necessary to revive seed from their own father because they were afraid of their generation becoming extinct committed incest The Bible does not condemn nor condone this act However the curious outcome was that two nations evolved out of this incestuous act Moab and Ammon The Ammon and Tamar daughter of David's story is a perfect example of an insecure man son of David who gets infatuated with his half sister Tamar and ends up abusing and humiliating her In the *Solving Bible Mysteries* D. James Kennedy, 2000-08-13 Often a Bible passage's meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of What If Jesus Had Never Been Born and What If the Bible

Had Never Been Written takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV Solving Bible Mysteries offers powerful insight on some of Christianity s challenging questions *Forthcoming Books* Rose Army,1998-04 *American Book Publishing Record* ,1997-09 *Aspiring to Inspiring Before Expiring* Paul Chong,2022-09-14 You would remember an old school poem What is life if full of care We have no time to stand stare which led on the author s mind to the notion of sharing caring in life Out of this thought this book is appropriately called Aspiring to Inspiring before Expiring With most books fiction or non fiction you d read continuously from beginning to end Here in this case you can pick choose to read with ease pleasure the articles over 600 of them on whatever interests you The titles of articles are presented in a non categorised manner independent complete by themselves individually The book is very readable easy to comprehend It can well be your personal bible a good travelling companion or indeed suitable as a gift for all occasions Collectively when they first appeared in Paul s blog <https://paulchong.net> they attracted over a million views and Paul has been acknowledged as a very inspiring blogger Readers will have both the leisure pleasure of savouring a wide range of subjects in love romance arts science facts fiction reminiscences presence greed creed economics politics fantasy reality nature venture spiritual secular life travel poems
