Mysteries Of John:

Mysteries Of John Charles Fillmore, 2014-05-12 Metaphysical Bible students recognize in the Gospel of John a certain spiritual quality that is not found in the other Gospels Although this is not true of all Bible readers it may be said that those who look for the mystical find it in the language of this book The book is distinctive in this respect and is so successful in setting forth metaphysical truths that little interpretation is necessary Only in a few instances does the original writing conceal the deep truths that the student seeks to discern Written language is at best a reflection of inner ideas and even though a teacher couples ideas and words as adroitly as Jesus does elucidation is sometimes difficult *Seven Mysteries in the First Epistle of John* Witness Lee, 1992-06 **Secret Mysteries of the Gospel of John** Daniel Speck, 2017-07-07 The Gospel of John is a book of mysteries and secrets and hidden prophecies Even its mysteries have mysteries A careful study of this Gospel s prophetic types reveals details of God s plans for the Church and Israel in the Last Days Even though there is little in this book that explicitly describes Second Coming events on its deeper symbolic level it speaks volumes about the Tribulation Rapture Resurrection Day of the Lord and Israel s restoration Even the exact year that Jesus will return is coded within these stories of the life of Christ *John's Gospel* Hermann Beckh, 2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John s invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob B hme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark s Gospel of 1928 John s Gospel could be described as the capstone of Beckh s writings as a triumphant announcement that theology and the study of John s Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh s significant achievements [Parables](#) John F. MacArthur, 2015-10-27 Discover how Jesus parables can help you better understand God s Word and how to live today Have you ever wondered why Jesus often spoke in parables Are you curious about what lessons we can learn from these parables today Pastor and bestselling author John MacArthur breaks down the parables and teaches you how we can apply these deceptively simple stories to

modern Christianity Jesus was a master storyteller and the parables he often told were no exception Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them from the faithful to the faithless and they are still relevant today In Parables MacArthur argues that these short memorable stories represented more than just symbolism or a clever teaching style they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers Parables will help you see Jesus' teachings in a brand new light addressing some of the most common questions on the topic including When did Jesus start teaching in parables What makes parables so accessible How can we interpret these stories What common threads link each of the parables together What do parables teach us about the kingdom of God John MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known

Mysticism in the Gospel of John Jey

Kanagaraj, 1998-04-01 This is the first detailed study of Johannine mysticism against a Palestinian Jewish background has been previously undertaken This book investigates whether there was a mystical practice in first century Palestine and whether John can be better understood in the light of such practice if there was any In analysis two strands of Jewish mysticism the early forms of Ma'aseh Merkabah and of Ma'aseh Bereshit emerge as existing in first century Palestine While the former narrates by means of Ezek 1 the experience of seeing God in His kingly glory the latter describes the same experience by using Gen 1 This book consists of three parts Part one analyses Hellenistic mysticism as expressed by the Hermetica and Hellenistic Jewish mysticism as presented by Philo Part two traces the important elements of Merkabah mysticism from the later Hekhalot literature and the Jewish and Christian writings belonging to 2 cent BCE 1 cent CE by defining the term mysticism in terms of the fourteen aspects of Jewish mysticism an exegetical study of seven themes is undertaken in Part Three The study shows that the conceptual parallels in John with Hellenistic mysticism and Hellenistic Jewish mysticism are very slender but indicates John's polemical motive against the Merkabah mystics of his time He calls them to believe in Jesus as the Christ the Son of God by proclaiming that the divine glory claimed by them to be revealed in human like form on the throne is now visible in the historical person Jesus particularly in his death on the Cross Thus Jewish Throne mysticism seems to have been reinterpreted by John as Cross mysticism

The Mysteries of the Holy Scriptures

John Wittner, 19?? Imperial Cults and the Apocalypse of John Steven J. Friesen, 2001-10-25 After more than a century of debate about the significance of imperial cults for the interpretation of Revelation this is the first study to examine both the archaeological evidence and the Biblical text in depth Friesen argues that a detailed analysis of imperial cults as they were practiced in the first century CE in the region where John was active allows us to understand John's criticism of his society's dominant values He demonstrates the importance of imperial cults for society at the time when Revelation was written and shows the ways in which John refuted imperial cosmology through his use of vision myth and eschatological expectation

The Works Of..John Cosin: Sermons John Cosin,1843 **The Gospel of John : 2 Volumes** Craig S.

Keener,2010-03-01 Keener's commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature "The" Works of the Right Reverend Father in God John Cosin John Cosin,1843 Egyptian Wisdom in the Revelation of John the Divine Gerald Massey,2008-11-01 The drama opens in Revelation the same as in the Book of the Dead with the resurrection and the glory of the coming Son Behold He cometh with the clouds and every eye shall see Him It is the risen Lord of Resurrection who says I was dead and behold I am alive evermore and I have the keys of death and of hades Ch i 18 This is Horus of the resurrection risen from Amenta in his triumph over death and hell or Sut and Akar He proclaims himself to be the all one Har Sum tau Neb U Jesus like Horus is the faithful witness for the Father from Egyptian Wisdom in the Revelation of John the Divine It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive Ancient Egypt The Light of the World first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 11 of Ancient Egypt in which Massey demonstrates how Scripture was created from the remains of Egypto gnostic traditions with little knowledge of the ancient wisdom upon which it drew through the specific example of the Biblical story of the Book of Revelation and John the Divine Using Egyptian mythology Massey makes sense of the apocalyptic visions of Revelation by showing how they are actually the work of Taht Aan a pre Christian John the Divine Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including A Book of the Beginnings and The Natural Genesis *Prophetic Mysticism of John of the Cross (Collected Works)* John of the Cross,2021-11-25 This is the 16 century collection of spiritual mystical works regarding the search for unity with the divine The author wrote part of the works during his imprisonment In those times the author experienced bad health and spiritual condition which inspired him for an inner spiritual search The result of this search was the poem The Dark Night of the Soul telling about the soul's journey to unity with God which goes through three stages purgation illumination and unity Ascent of Mount Carmel is a treatise to the poem mentioned above which gives practical advice on the ascetic life Finally the Spiritual Canticle is a metaphoric poem about the soul searching the unity with Christ presented as a story of a wife seeking her beloved husband **Mystery of God, Mystery of Christ** Ysabel de Andia,2024-03-28 Now available in English for the first time Ysabel de Andia's double exploration of Christian and Hindu mysticism provides a valuable addition to the field Composed from lectures given in Benares in 2015 to priests of the Missions Etrangeres de Paris Mystery of God Mystery of

Christ combines the two main research interests that have defined de Andia's career first an understanding of Christian mysticism as growing out of the Christian mystery of Christ and the sacrament and secondly the relationship between this and Hindu contemplative prayer as articulated by Jules Monchanin Beginning with the Cappadocian fathers de Andai traces the developing interpretation of Mystery through Christian thinkers from Origen and Gregory of Nyssa to Basil and Dionysios the Areopagite From here she begins to dovetail this study with an exploration of Hindu contemplation relating the Carmelite mystic St John of the Cross to the Advaitist tradition especially as expounded by Shankara Throughout her masterful understanding of both traditions is apparent For English readers her insight will provide a fresh perspective on this lively subject area John Paul the Great Peggy Noonan, 2006-10-31 From New York Times bestselling author Peggy Noonan comes a beautifully written testimony about the most historically recognized pope Library Journal With such acclaimed books as *When Character Was King* Peggy Noonan has become one of our most eloquent and respected commentators Now she offers a stirring portrait of a spiritual and intellectual giant who personally confronted all of the worst tragedies of his age Drawing on scholarship interviews with prominent Catholics and her own experience Noonan traces the extraordinary life and struggles of Pope John Paul II with characteristic insight and probity and explores how much we can learn from his leadership diplomacy humility and holiness Passionate and often deeply personal John Paul the Great is as exceptional as the man it celebrates **The Prophecies of Daniel and John** Isaac Taylor Hinton, 1843 **The Theology of John Zizioulas** Douglas H. Knight, 2016-03-03 John Zizioulas is widely recognised as the most significant Orthodox theologian of the last half century and acclaimed advocate of ecumenism From his in-depth knowledge of the intellectual resources of the Church Zizioulas has argued that the Church Fathers represent a profound account of freedom and community that represents a radical challenge to modern accounts of the person Zizioulas uses the work of the Fathers to make an important distinction between the person who is defined by a community and the individual who defines himself in isolation from others and who sees community as a threat to his freedom Zizioulas argues that God is the origin of freedom and community and that the Christian Church is the place in which the person and freedom come into being This volume offers a critical appraisal of the theology of John Zizioulas Leading Anglican Reformed Catholic and Orthodox international scholars including Colin Gunton Nicholas Loudovikos Paul McPartlan Wolfhart Pannenberg and Philip Rosato present essays which analyse Zizioulas trinitarian doctrine of God and his theological account of the Church as the place in which freedom and communion are actualised Many include discussions of Zizioulas *Being as Communion* as well as other lesser known works now available in *Communion and Otherness* Together they represent an unrivalled introduction to the work of this great theologian The Collected Works of John W.
