Mysteries Of The Unknown The Psychics:

TIME-LIFE Mysteries of the Unknown The Editors of TIME-LIFE, 2015-12-15 Could the strange actually be true This book takes readers on a tour of the eerie and unexplained from the search for vanished civilizations to the science of real life zombies from famous UFO sightings to encounters with ghosts and otherworldly creatures and much more *The Psychic Child Second Edition* Susan Van De Luecht, 2006 This book deals with the mysterious world of psychic phenomena through precognitive dreams as well as retrocognition Many people are interested in astral travel and how one achieves this Revelations of a near death experience is truly a compelling story to read It provides an insight for loved ones who have passed away *The Psychic Realm* Dr. Penny Dove, 2011-05-11 Am I a psychic How can I develop my own psychic abilities What is a clairvoyant Are angels real How do people see auras The Psychic Realm is a handbook to help in answering these and other questions people may have about the paranormal This book covers a wide range of topics such as reiki spirit guides soul mates dreams and dream symbols crystals ghosts how to contact angels and contains a dictionary of terms used for quick reference *Psychics, Sensitives and Somnambules* Rodger I. Anderson, 2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference

Understanding the Psychic Powers of Man (Revised Edition) Jaime T. Licaucio, 2017-12-02 A product of Jaime Licaucio's knowledge about psychic and paranormal matters a summary of the most significant lessons he had learned from years of reading and research as well as true to life experiences of people who shared their psychic stories with him It is the first book of its kind written by a Filipino author and has become a classic in the field since it first came out in commercial book form in 1978 Although the flavor of the original edition was retained the new edition contains a great deal of new theories and findings on neuroscience and parapsychology A History of Ghosts Peter H. Aykroyd, Angela Nanth, 2009-09-29 Peter Aykroyd spent his childhood watching his family's parlor seances through the crack of a basement door Here for the first time Aykroyd tells the strange and delightful story that inspired his son Dan to make the mega hit Ghostbusters Part history

part family legend A History of Ghosts starts in 1848 in upstate New York where the spiritualist craze first began Aykroyd introduces the reader to notable mediums while telling the story of the development of spiritualism interweaving a personal history marked by a fascination with ghosts and spirits with the larger narrative about the role the paranormal has played in our culture Such legendary figures as Sir Arthur Conan Doyle and Harry Houdini appear and vanish Everyone loves a good ghost story Successful TV shows such as Medium and Ghost Hunters are proof that our national obsession with ghosts is here to stay Millions of Americans believe in the paranormal and even skeptics have heard a bump in the night and suspected it might be something supernatural *Beginner's Guide to Mediumship* Larry Dreller,2025-09-12 For centuries people have been fascinated by the power and secrets of mediums And today many are interested in making contact with the spirit world themselves either to communicate with loved ones heal the sick or discover knowledge but don t know how Yet as Larry Dreller writes At birth we all are given the gift of seeing beyond this humble Earth plane into other dimensions but as we grow older we cast this natural ability aside Mediums did not lose this ability and are people who act as intermediaries between this world and the other side Both an introduction to this phenomenon as well as a workbook that guides the reader through exercises to reawaken their abilities the Beginner s Guide to Mediumship shows how to develop spiritual powers conduct seances harness the power of prophecy comfort and heal others see auras and more Drawing on his own experience Dreller focuses on pure and practical day to day applications of mediumship and how they can enrich readers lives **The Invisible Mask** Pasquale De Marco,2025-07-25 Prepare to embark on an extraordinary journey of exploration and discovery with *The Invisible Mask* This captivating book delves into the mysteries of the universe the workings of the human mind and the nature of reality itself Within these pages you ll find a collection of thought provoking essays that challenge your assumptions and expand your understanding of the world around you From the enigmatic realm of hidden knowledge to the frontiers of scientific discovery this book invites you to question everything you thought you knew Explore the depths of your own consciousness and discover the power of your intuition and psychic abilities Journey through the mind boggling concepts of time travel and parallel universes Uncover the interconnectedness of all living things and marvel at the wonders of the human body and brain This book is not just a collection of facts and theories it s an invitation to engage in a personal journey of growth and transformation As you delve into these essays you ll encounter new perspectives challenge your beliefs and expand your understanding of the world around you Whether you re a seasoned seeker of knowledge or simply curious about the mysteries of life *The Invisible Mask* has something to offer It s a book that will challenge your assumptions inspire your imagination and leave you with a sense of wonder and awe So sit back relax and prepare to have your mind opened to new possibilities *The Invisible Mask* is a valuable resource for anyone who is interested in exploring the mysteries of the universe and expanding their understanding of the world around them It s a book that will stay with you long after you finish reading it If you like this book write a review *Astrology and Psychic Phenomena* Andre Koe,Terry Holley,2016-09-06 Astrology

Tarot cards Ouija boards spiritism psychic healing palm reading and old fashioned fortune telling now called psychic consulting all these are popular in America today Psychic hotlines are heavily represented on television with testimonials to their amazing ability to give people accurate details about their past and predictions about their future Are psychics indeed gifted with supernatural powers Andre Kole and Terry Holley show convincingly how the success of these and other paranormal phenomena depends on deceit and slight of hand rather than on genuine supernatural powers This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood

Divination Through the Ages Ellen Wallace Douglas, 2012-09-04 Ancients traveled far and paid handsomely to hear the sibyls and oracles channel wisdom from the gods The Holy Bible writes of many prophets and seers but divination by ordinary people was strongly prohibited As a result mediums and psychics have since been laughed at ostracized and even burned at the stake But always there have been some people who persisted in believing in spirit communication secretly We must take a sober and realistic view of divination in the times ahead but openly and publicly This book will help you to understand divination for its true value Listening to the spirit world is our only hope for a world of peace

The Parapsychology Revolution Robert M. Schoch, Logan Yonavjak, 2008-01-31 Grounded in both scientific acumen and constructive inquiry this anthology shines a rare clarifying light on the controversial realms of psychical and paranormal research surveying reports essays and arguments from more than a century of investigation into matters such as clairvoyance telepathy and past life regression In the past one hundred and twenty five years despite a relative paucity of

funding and the troubling persistence of fraud serious inquiry into the paranormal particularly as it relates to clairvoyance and psychical perception has successfully entered the scientific age Studies in the modern laboratory employing rigorous methodology and peer reviewed oversight have conclusively detected statistical anomalies that suggest the presence of some not yet understood faculty of the human mind In The Parapsychology Revolution Robert M Schoch Ph D a scholar widely known for his geological theories that question the conventional dating of the Great Sphinx and researcher Logan Yonavjak introduce and anthologize core writings that underscore the range and continuing challenges of psychical research The book s extensive introduction and the editors commentary on individual essays and sections highlight milestones feuds and key players that mark the nascent history of this fascinating and important field of research Finally The Parapsychology Revolution addresses and clarifies the all important question Is there legitimate evidence for a world beyond the ordinary
