Relentless Jan Hambright, 2012-01-17 HE D DO WHATEVER IT TOOK TO FIND THE KILLER Finding the carjacker who d killed his wife and child was ex homicide cop Mick Jacoby s number one priority Rumor had it a member of the Robear family was involved but for five years all leads had gone nowhere Until a routine auto theft investigation led Mick to gorgeous Kate Robear A repo agent fleeing her family s dark legacy Kate s only crime was being in the wrong place at the wrong time But the heart stealing cop in the leather jacket refused to let her out of his sight especially when the attempts on Kate s life began Now teamed up with Mick to stop a relentless killer Kate was facing a risk she hadn t reckoned on falling passionately hopelessly in love **The Somerton Man: The Enigma Of The Beachside Corpse** ANONYMOUS, In The Somerton Man The Enigma Of the Beachside Corpse author explores the mysterious case of an unidentified man found dead on an Australian beach The book delves into the enigmatic clues surrounding the man s identity and the perplexing code found in his possession As the investigations unfold suspicions of espionage and international intrigue arise with potential connections to foreign agencies and suspicious movements The presence of a mysterious woman adds another layer of complexity to the case Through detailed forensic analysis and autopsy findings the book investigates theories of foul play poisoning and potential suspects In addition to providing a comprehensive account of the case the author also examines the impact of the Somerton Man on forensics his cultural imprint and the enduring fascination with unsolved mysteries As modern day investigations continue to uncover new leads and speculations the search for closure and justice for the Somerton Man s legacy persists *The Saucerian* Gabriel Mckee, 2025-04-22 The strange but true biography of the colorful founder of Saucerian Books a central purveyor and promoter of flying saucer and conspiracist knowledge in the mid twentieth century Gray Barker 1925 1984 was an eccentric literary outsider filled with ideas that were out of step with the world An author and unreliable narrator of implausible stories Barker founded and operated Saucerian Books an independent publisher of books about flying saucers and other ideas at the fringes of popular discourse In The Saucerian Gabriel Mckee tells the fascinating story of Barker s West Virginia based press the unique corpus of materials it published and how office copying and self publishing techniques influenced the spread of paranormal beliefs and conspiratorial worldviews over the last century Following the development of UFO subculture Mckee explores the life and career of a larger than life hoaxer and originator of pseudoscientific ideas Ever an entertainer Barker established his reputation with one of the first flying saucer

fanzines *The Saucerian* and with his first book the conspiratorial and sensationalistic *They Knew Too Much about Flying Saucers*. By the close of the 1950s he had established a publishing imprint that brought out some of the strangest UFO related books of the era with a particular emphasis on flying saucer contactees. *Saucerian Books* became a platform for those whose stories were too unusual, implausible or crudely written for more mainstream publishers. Though Barker himself was a skeptic, he viewed the world of occult believers as a source of ongoing entertainment. He also may have used the perceived eccentricity of flying saucer research or ufology to obscure his homosexuality from his small town neighbors. From his place on the fringes of midcentury American culture, Barker left an unmatched legacy in conspiratorial concepts that have become prominent pop cultural folklore, including *Men in Black*, the Mothman and the Philadelphia Experiment. As a mastermind behind the fantastical, Barker's promotional efforts were the precursor to contemporary conspiracism.
