Switzer,1914 **The Holy Word for Morning Revival - The Christian Life, the Church Life, the Consummation of the Age, and the Coming of the Lord** Witness Lee,2020-10-10 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones webcast from Anaheim California on October 2 4 2020 The general subject of the

training was The Christian Life the Church Life the Consummation of the Age and the Coming of the Lord Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The End of the Ages Explained** Terry Swift,2022-11-09 The author of Revelation Explained has written a new book The new book is a companion book to his first book His first book Revelation Explained was a verse by verse commentary of the Book of Revelation His second book started as the original research that the author Terry used to understand what the New Testament taught about that mysterious book of Revelation Then Terry wrote Revelation Explained This second book The End of the Ages Explained has 26 chapters covering 26 different topics that relate to things in Revelation This book grew into an in depth study and explanation of things we often hear about Revelation These topics are often tossed around in conversations in our world today Imagine a book in which you can read an in depth study of topics such as Armageddon Gog and Magog the thousand years reign the second coming of Christ the judgment the resurrection Israel 2 Pet 3 the end of the ages and many more such topics Can one really understand what he is reading in Revelation Can the things that are mentioned in visions make sense Is an understanding of Revelation attainable The answer is yes The parts of scripture all fit together perfectly Can you know it Yes God can help you Terry has tried to help by taking each topic and carefully explaining scripture with scripture He goes into in depth explanations of the various topics This book is not an easy chair read It is intended for those who study diligently and want to know truly what God has meant by what he has revealed What is the reward More than anything it is to understand God and to see with spiritual eyes the wonderful grandeur of the completion of God s plan in Christ Jesus The end blessing is truly spiritually awesome fantastic and amazing beyond man s capability and imagination But our wonderful God has indeed revealed himself to us This new book The End of the Ages Explained is well worth the read every page is helpful It is good for pastors seminary students elders leaders and every Christian It will challenge everyone who reads it and can offer many insights into scripture The goal of the author has always been to understand what one is reading The wise man Solomon emphasized getting understanding to his son in Proverbs There he said Trust in the Lord with all you heart and lean not on your own understanding In all your ways acknowledge him and he will make your paths straight Prov 3 5 6 NIV May your understanding greatly increase when you read this book and seek to know God better Drama of the Age John Carroll Brown,2005-10 Drama of the Age is a fresh look at Revelations Beginning with the initialvision and letters it presents both the preparation and action of the divinedrama *Mystery of the Ages* Mel Bond,2010-07-10 *God's Blueprint of the Ages* Jim Foster,2020-11-12 God s Blueprint of the Ages developed as lesson plans through several years of Bible study and sermon preparation To show a visual presentation of Biblical Chronology a graphic chart was drawn step by step that showed how God worked with His created earth from eternity past to eternity future Various time periods called ages or dispensations is shown graphically as a timeline How Satan tried unsuccessfully to thwart God s plan throughout history is also presented Old

Testament prophecy and New Testament Grace is expanded within the chapters that reference and explain the symbols on the chart Many references to the Word of God are noted within each chapter to verify each explanation The Promise of the Ages Charles Keeler,1896 **The Closing Drama at The End of The Age** M Dean Koontz,2011-11 The book of Revelation is a fascinating book It claims to be a divine revelation of the Sovereign soon returning Christ given by God to His servants Furthermore one of several triads that appear in this first chapter of the Revelation promises special blessing to the one who reads this book those who hear it and those who obey or take it to heart And it adds at the end solemn warnings about those who tamper with its contents either adding to or detracting from its message This surely means that you and I can not afford to either ignore it or neglect it I believe that Christ will return as He promised and that we need to be eagerly and watchfully waiting for His arrival After careful study comparing Scripture with Scripture I want to take you through this book and help hopefully with your greater understanding of its wonderful contents
