Mystery Of Mar Saba:

The Mystery of Mar Saba J. H. Hunter, 1947 The Mystery of Mar Saba ,1947 **Contending with Christianity's Critics** Paul Copan, William Lane Craig, 2009 Eighteen respected modern Christian apologists respond to the popular writings of New Atheists and others who doubt God's existence the historical Jesus and Christian doctrines Mark's Other Gospel Scott G. Brown, 2006-01-01 Did the evangelist Mark write two versions of his gospel According to a letter ascribed to Clement of Alexandria Mark created a second more spiritual edition of his gospel for theologically advanced Christians in Alexandria Clement's letter contains two excerpts from this lost gospel including a remarkably different account of the raising of Lazarus Forty five years of cursory investigation have yielded five mutually exclusive paradigms abundant confusion and rumours of forgery Strangely one of the few things upon which most investigators agree is that the letter's own explanation of the origin and purpose of this longer gospel need not be taken seriously Mark's Other Gospel Rethinking Morton Smith's Controversial Discovery calls this pervasive bias into question After thoroughly critiquing the five main paradigms Scott G Brown demonstrates that the gospel excerpts not only sound like Mark but also employ Mark's distinctive literary techniques deepening this gospel's theology and elucidating puzzling aspects of its narrative This mystic gospel represents Mark's own response to the Alexandrian predilection to discover the essential truths of a philosophy beneath the literal level of revered texts **Ancient Gospel or Modern Forgery?** Tony Burke, 2013-01-07 In 1958 American historian of religion Morton Smith made an astounding discovery in the Mar Saba monastery in Jerusalem Copied into the back of a seventeenth century book was a lost letter attributed to Clement of Alexandria ca 150-215 CE that contained excerpts from a longer version of the Gospel of Mark written by Mark himself and circulating in Alexandria Egypt More than fifty years after its discovery the origins of this Secret Gospel of Mark remain contentious Some consider it an authentic witness to an early form of Mark perhaps even predating canonical Mark Some claim it is a medieval or premodern forgery created by a monastic scribe And others argue it is a forgery created by Morton Smith himself All these positions are addressed in the papers contained in this volume Nine North American scholars internationally recognized for their contributions to the study of Secret Mark met at York University in Toronto Canada in April 2011 to examine recent developments in scholarship on the gospel and the letter in which it is found Their results represent a substantial step forward in determining the origins of this mysterious and controversial text List of Contributors Scott G Brown Tony Burke Stephen C Carlson Bruce Chilton Craig A Evans Paul Foster Charles W Hedrick Peter Jeffery Allan J Pantuck Marvin Meyer Hershel Shanks Pierluigi Piovaneli **Jesus and the Manuscripts** Craig A. Evans, 2021-10-05 Jesus and the Manuscripts by popular author and Bible scholar Craig A Evans introduces readers to the diversity and complexity of the ancient literature that records the words and deeds of Jesus This diverse literature includes the familiar Gospels of the New Testament the much less familiar literature of the Rabbis and of the Qur'an and the extracanonical narratives and brief snippets of material found in fragments and inscriptions This book

critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion Evans argues that the Gospel of Thomas is not early or independent of the New Testament Gospels but that it should be dated to the late second century He also argues that Secret Mark like the recently published Gospel of Jesus Wife is probably a modern forgery Of special interest is the question of how long the autographs of New Testament writings remained in circulation Evans argues that the evidence suggests that most of these autographs remained available for copying and study for more than one hundred years and thus stabilized the text Key points and features Written by popular author and Bible scholar Craig A Evans Includes 20 pages of high quality color photos Walks readers through the various works of ancient literature both biblical and non biblical that mention Jesus Critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion Who Wrote That? Donald Ostrowski,2020-06-15 Who Wrote That examines nine authorship controversies providing an introduction to particular disputes and teaching students how to assess historical documents archival materials and apocryphal stories as well as internet sources and news Donald Ostrowski does not argue in favor of one side over another but focuses on the principles of attribution used to make each case While furthering the field of authorship studies Who Wrote That provides an essential resource for instructors at all levels in various subjects It is ultimately about historical detective work Using Moses Analects the Secret Gospel of Mark Abelard and Heloise the Compendium of Chronicles Rashid al Din Shakespeare Prince Andrei Kurbskii James MacPherson and Mikhail Sholokov Ostrowski builds concrete examples that instructors can use to help students uncover the legitimacy of authorship and to spark the desire to turn over the hidden layers of history so necessary to the craft *Gospel Thrillers* Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible's sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in *Gospel Thrillers* a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties The Secret Gospel of Mark Geoffrey S. Smith,Brent Landau,2023-01-01 A groundbreaking account of the Secret Gospel of Mark one of the most hotly debated documents in Christian history In 1958 at the ancient Christian monastery of Mar Saba just outside Jerusalem Columbia University scholar Morton Smith claimed to have unearthed a letter written by the Christian philosopher Clement of Alexandria and containing an excerpt from a previously unknown version of the canonical Gospel of Mark This excerpt recounts a story of Jesus's apparent sexual encounter with a young resurrected disciple In recent years an

influential group of researchers has alleged that no Secret Gospel or letter of Clement existed in antiquity and that the manuscript that Morton Smith found was a modern forgery created by none other than Smith himself In this book Geoffrey S Smith and Brent C Landau enter into the controversy surrounding this document and argue that the Secret Gospel of Mark is neither a first century alternative gospel nor a twentieth century forgery by the scholar who announced its discovery Instead this account is intimately bound up with the history of Mar Saba one of the oldest monasteries in the Christian world In this fascinating work Smith and Landau present the realities and misconceptions surrounding not only the now lost manuscript but also its brilliant enigmatic and acerbic discoverer Morton Smith
