Mystical Christianity A Psychological Commentary On The Gospel Of John:

Mystical Christianity John A. Sanford, 1993 This book opens a new door to the Gospel of John and discovers a treasure house of psychological wisdom The Fourth Gospel is the most mystic of all the gospels Mystical Christianity John A. Sanford, 1996

Mysticism in the Gospel of John Jey Kanagaraj, 1998-04-01 This is the first detailed study of Johannine mysticism against a Palestinian Jewish background has been previously undertaken This book investigates whether there was a mystical practice in first century Palestine and whether John can be better understood in the light of such practice if there was any In analysis two strands of Jewish mysticism the early forms of Ma'aseh Merkabah and of Ma'aseh Bereshit emerge as existing in first century Palestine While the former narrates by means of Ezek 1 the experience of seeing God in His kingly glory the latter describes the same experience by using Gen 1 This book consists of three parts Part one analyses Hellenistic mysticism as expressed by the Hermetica and Hellenistic Jewish mysticism as presented by Philo Part two traces the important elements of Merkabah mysticism from the later Hekhalot literature and the Jewish and Christian writings belonging to 2 cent BCE 1 cent CE by defining the term mysticism in terms of the fourteen aspects of Jewish mysticism an exegetical study of seven themes is undertaken in Part Three The study shows that the conceptual parallels in John with Hellenistic mysticism and Hellenistic Jewish mysticism are very slender but indicates John's polemical motive against the Merkabah mystics of his time He calls them to believe in Jesus as the Christ the Son of God by proclaiming that the divine glory claimed by them to be revealed in human like form on the throne is now visible in the historical person Jesus particularly in his death on the Cross Thus Jewish Throne mysticism seems to have been reinterpreted by John as Cross mysticism

Wisdom Christology in the Gospel of John Dustin R. Smith, 2024-04-18 This volume contends that the Gospel of John presents the most thorough and robust Wisdom Christology of all the New Testament books Wisdom Christology the christological concept that applies the roles characteristics and functions of God's personified wisdom to the man Jesus Christ is displayed to be skillfully interwoven throughout all twenty one chapters of the Fourth Gospel starting with the famous prologue In response to the prevailing tendency among interpreters to project postbiblical understandings of Jesus from the fourth and fifth century church councils back into the Gospel of John this volume shows that a more fitting context emerges from Jewish Wisdom literature By situating the Johannine Jesus in his first century Jewish context readers can appreciate John's commitment to monotheism and Jesus' role as the Father's highly empowered human agent fully embodying Lady Wisdom

The Gospel of John David F. Ford, 2021-12-07 Christianity Today 2023 Book Award Finalist Biblical Studies John is a Gospel of abundant truth life and love David Ford one of the world's leading Christian theologians invites readers into a fresh profound encounter with Jesus through the Gospel of John in this comprehensive theological commentary This commentary will appeal to a wide audience including pastors church leaders and other readers interested in the intersection of theology and spirituality It will also be of interest to professors and students doing research on John and the

reception of the Gospel in Christian theology The Johannine Exegesis of God Daniel Rathnakara Sadananda, 2014-12-02

Johannine Exegesis of God is a stimulating study of the explicit and implicit theological language of the Johannine community. It exegetically explores crucial questions concerning the Fourth Evangelist's language used to characterize God. It makes a sojourn into the relationship between Johannine Christology and Theology. It examines the dialogue dynamics of a theological conversation between those who do not share the same theological affirmations and enumerates how the Johannine community derives benefit, becomes enriched and learns inclusiveness through its dialogue conflict with its pluralistic environment. In approaching and interpreting the Gospel narrative, the implications of Theology in the Johannine community's struggle for legitimacy, identity and existence become clear. The Theology of the Johannine community shows a creative dialect with its sociological context and its experiential theologising makes its theological language authentic, clear and precise.

The Gospel of John Rudolf Steiner, 2022-09-06 12 lectures Hamburg May 18-31 1908 CW 103

It was Steiner's intention in these lectures to establish the ways in which this Gospel and its author Lazarus John, the one Christ called the beloved disciple, provided one of the surest paths to an understanding of the profound relationship of Christ to each human person and to Earth. He leads his audience and us readers to an understanding of Lazarus John, unknown even to the other three primary evangelists, Matthew, Mark and Luke, who wrote their Gospels several decades before Lazarus John. Robert McDermott, from the introduction: In these twelve profound lectures, Rudolf Steiner uncovers and reclaims the essential truths of Christianity, illuminating the Gospel of John in all its majesty, power and far-reaching significance. Foremost among the revelations to be found here is the identity of the writer of John's Gospel, the risen Lazarus, the disciple whom the Lord loved. Lazarus John, the first to be initiated by Christ Himself, wrote his Gospel out of the deepest wellsprings of knowledge, implanting within it vital spiritual forces. As Steiner states in the final lecture of this volume: This Gospel is not a textbook but a force that can work within our souls. It is this force, living in the words and rhythms of John's Gospel, that purifies the soul, transforming it in the language of esoteric Christianity into the Virgin Sophia, receptive to the Holy Spirit. Along this path, we come to recognize that Christianity, far from being a codified system of beliefs, is a living power within the evolution of humanity, a power that is only at the beginning of its activity. What Steiner calls the Mystery of Golgotha, the death and resurrection of Christ, stands as the turning point of time, the event through which the Earth receives its meaning. The effects of this event and the further activity of Christ as the Spirit of the Earth will continue to evolve from year to year, century to century, until one day in the distant future, Christianity will fulfill its mission. This cannot happen, however, until Christianity is understood in its true spiritual form. This lecture cycle is an essential guide to understanding the true mission of Christianity, a guide to spiritualizing the Earth, transforming the Cosmos of Wisdom into the Cosmos of Love. As with all great books, The Gospel of John not only imparts knowledge; it can also change you. Our lectures on the Gospel of John will have a double purpose. One will be the deepening of the concepts of anthroposophy themselves and their expansion in many directions and

the other will be to make this great document itself comprehensible by means of the thoughts that will arise in our souls in consequence of these deepened and expanded concepts I beg you to hold clearly in mind that it is the intention of these lectures to proceed in these two directions It should not be simply a question of arguments about this Gospel but rather that by means of the latter we shall penetrate into the deep mysteries of existence We should hold very clearly in mind how the perspective of anthroposophy must be developed when we are dealing with any of the great historical records handed down to us by the different religions of the world Rudolf Steiner lecture 1 This volume is a translation from German of Das Johannes Evangelium GA 103 Cover image The Raising of Lazarus by William Blake 1757 1827 Pencil pen ink and watercolor on paper 11 6 x 16 Aberdeen Art Gallery Scotland
