Sexuality in Classical South Asian Buddhism José Ignacio Cabezón, 2017-10-10 A prolific scholar surveys classical Buddhism's approach to sex gender and sexual orientation in this landmark volume More than twenty five years in the making this detailed sourcebook on Buddhist understandings of sexuality desire ethics and deviance in classical South Asia is filled with both engaging translations and original and provocative analysis Jose Cabezon the XIVth Dalai Lama Professor at the University of California Santa Barbara marshals an incredible array of scriptures legal and medical texts and philosophical treatises explaining the subtleties of this ancient literature in lucid prose This work will be of immense interest not only to scholars of Buddhism and gender studies but also to lay readers who want to learn more about traditional Buddhist attitudes toward sex

Heidegger and the Environment Casey Rentmeester, 2015-12-04 In the past few decades it has become clear that the Western world's relation to nature has led to environmental degradation so wide ranging that it threatens the existence of human civilizations as we have come to know them The onset of anthropogenic climate change and the increasing threats of resource depletions are the most obvious signs of an environmental crisis This book attempts to examine the metaphysical underpinnings of our current environmental crisis thereby viewing it from a philosophical perspective Using Martin Heidegger's writings on the history of being as its lynchpin it examines how humans have come to view nature as a giant array of mere resources to be maximally exploited Following Heidegger Casey Rentmeester argues that this understanding of nature is rooted in the understanding of what it means to be that came about in ancient Greece Rentmeester then utilizes elements of Heidegger's post metaphysical later philosophy and aspects of early philosophical Daoism to create an alternative way to think about the relation between humans and nature that is environmentally sustainable
